

Urban Research Program

Wednesday 20th June 2007

12.15 p.m. – 1.15 p.m. Room N55 1.14

Dr. Matthew Burke

A hop, skip and a jump? Walking for transport in Brisbane

How much, how far and where to?

Insights on walking behaviours obtained from the South East Queensland Travel Survey as part of an ARC-Discovery project led by Prof Lex Brown.

Matthew Burke is a Research Fellow in the Urban Research Program
