

Instructions for parking at the Nathan campus, and locating the Urban Research Program

Car parking at the Nathan campus is by permit only. When parking on the Nathan campus, you must purchase a day permit (\$5.00 (coins only, no 50 cent pieces or notes accepted)) from the ticket machine at the entry to the campus. We recommend you park in the east car park. If this is not possible, be sure to only park in the designated “General” parking bays.

Entry to the Nathan campus from Kessels Road:

If travelling eastbound from the Ipswich Motorway towards Garden City:

- Turn left at Troughton Road / Kessels Road intersection (QEI Hospital is on the right).
- Proceed straight ahead, up the hill to the campus.
