

# Urban Research Program

## 2008 Seminar Series

**You are invited to discuss the urban water crisis.**

### **Troubled waters**

**— confronting the water crisis in Australia's cities —**

Professor Patrick Troy A.O. and Professor Peter Spearritt will speak briefly to their recently published book. The rest of the time will be given over to audience based discussion.

The book can be accessed at:

[http://epress.anu.edu.au/troubled\\_waters\\_citation.html](http://epress.anu.edu.au/troubled_waters_citation.html)

Please RSVP to: [s.horton@griffith.edu.au](mailto:s.horton@griffith.edu.au)

**Tuesday 19th August 2008**
