

2ND INTERNATIONAL ICU RECOVERY WORKSHOP FOR EARLY CAREER RESEARCHERS

2011

**A two day intensive program
featuring an international multi-
disciplinary network of
researchers engaged in work
around care and rehabilitation of
intensive care survivors.**

**Griffith University
Gold Coast Campus,
Queensland
Australia**

MONDAY 17 & TUESDAY 18 OCTOBER

**Research Centre for Clinical and
Community Practice Innovation**

This event is the second International ICU International Recovery Workshop for Early Career Researchers.

The topics, classes and sessions are delivered to provide practical tools and resources for early career researchers working to improve patient recovery after intensive care admission.

The workshop looks at the essential skills and knowledge for both methodological and content issues, and the opportunity for researchers to collaborate with other researchers in similar field internationally.

On behalf of the convenors and staff we appreciate your attendance. We hope you find your time at the 2011 ICU International Recovery Workshop productive, rewarding.

Workshop Convenors:

Frances Lin (Griffith University, Australia),
Wendy Chaboyer (Griffith University, Australia),
Leanne Aitken (Griffith University, Australia),
Marion Mitchell (Griffith University, Australia),
Janice Rattray (University of Dundee, UK),
Susanne Kean (University of Edinburgh, UK),
Mona Ringdal (University of Gothenburg, Sweden)

PROGRAM

Monday 17th October 2011

8.30 am	Registration & Coffee			
9.00 am	Welcome & Introduction			
9.15 am	<i>Doug Elliott</i> - Designing A Program Of Research			
10.15 am	Morning Tea & Networking			
10.45 am	<i>Tim Walsh</i> - Designing Complex Interventions Using MRC Framework, The Example Of RECOVER; a post-intensive care recovery trial			
11.45 am	Free papers concurrent sessions (15-20min)(with audience feedback)			
Facilitators	Group 1 <i>Janice Rattray</i>	Group 2 <i>Mona Ringdal</i>	Group 3 <i>Susanne Kean</i>	Group 4 <i>Marion Mitchell</i>
12.45 pm	Lunch/Poster Session			
13.45 pm	<i>Doug Elliott</i> - Home recovery, Designing RCTs to test recovery			
14.45 pm	Afternoon Tea & Networking			
15.15 pm	Methodological Master Classes			
	Group 1 Challenges Of Interviewing/ Researching ICU Patients <i>Susanne Kean/ Marion Mitchell</i>	Group 2 Choosing Outcome Measures <i>Janice Rattray</i>	Group 3 Designing Interventions Studies <i>Leanne Aitken</i>	
16.45 pm	Reflections on day 1			
19.00 pm	Dinner & Networking			

PROGRAM

Tuesday 18th October 2011

8.30 am	<i>Wendy Moyle - Mixed Methods Analysis: Combining Quantitative and Qualitative Findings</i>			
9.30 am	<i>Alistair Hull - Topic - TBC</i>			
10.30 am	Morning Tea & Networking			
11.00 am	<i>Leanne Aitken - Challenges In Follow-up: Retaining Patients For Long Term Recovery Studies</i>			
12.00 am	Free papers concurrent sessions (15-20min)(with audiences feedback)			
Facilitator	Group 1 <i>Marion Mitchell</i>	Group 2 <i>Mona Ringdal</i>	Group 3 <i>Susanne Kean</i>	Group 4 <i>Frances Lin</i>
13.00 pm	Lunch/Poster Session			
14.00 pm	Methodological Master Classes			
	Group 1 Multiple Regression <i>Brigid Gillespie</i>	Group 2 The Art Of Argument: Selling The Significance Of Your Proposed Research? <i>Wendy Chaboyer</i>	Group 3 Thematic Analysis <i>Lorraine Venturato</i>	
15.15 pm	Afternoon Tea & Networking			
15.45 pm	Panel Discussion, Audience Participation Options For International Collaborations Panel experts: <i>Wendy Chaboyer, Leanne Aitken, Janice Rattray & Others</i>			
16.45 pm	Reflection on Day 2 Evaluations Wrap Up			
17.00 pm	Organiser Meeting
