

Urban Research Program

Seminar Series 2006 - 3rd May 2006

Craig Wallace

Translink (Queensland Transport)

The 400 metre myth talking the walk

How far will who walk for what?

Craig Wallace reports his research into the first steps of good public transport planning.

Craig Wallace is the Program Manager for TransLink's Infrastructure Planning Team responsible for the planning of public transport infrastructure across South East Queensland. Craig holds qualifications in urban and regional planning and project management.

12.00 noon, Wednesday 3rd May 2006
Planning Studio 1.14, Building N55, Nathan Campus
Griffith University
