

# Urban Research Program

Monday 5<sup>th</sup> November 2007

11.30 am – 12.30 pm

N16 0.08 (Macrossan Building)

**Robin Hambleton**

## Leading Localities in a Global Era

**Urban localities face substantial challenges:**

- rapid economic change;
- the imperatives of sustainability;
- dilemmas of multi-culturalism.

**International evidence shows local leadership can make a difference -- for better or for worse.**

**Robin Hambleton is the Professor of City Leadership, at University of the West of England, Bristol, UK. He is also the Director of Urban Answers**
