Information about our research unit and staff profiles can be found at <http://www.healthpromotion.sdu.dk/index.htm>

KAUNAS UNIVERSITY OF MEDICINE, LITHUANIA

CONTACTS

AUS-EU Project coordinator

Name: Professor Raume Kalediene

Email: socmed@kmu.lt

International Programme Coordinator International Relations and Study Centre

Name: Jurga Grigiene

Email: grigiene@med.kmu.lt

Course Coordinators

Name: Professor Skirmante Starkievene

Email: smante@centras.lt

Name: Professor Mindaugas Stankunas

Email: stankuna@takas.lt

Programmes offered:

Lithuania has 2 course available to Australian students and a project/practicum in Semester 1 2010 and 2011.

These MPH subjects are open to undergraduates and need to be organised with your course convenor's approval.

Courses:

Applied Health Psychology

Health law and ethics

The international comparative content in these two courses will be identified for Australia students. An element of self-directed learning will be included for analysis and negotiated assessment.

2- Course research project/practicum advised
