

## 2011 Seminar Series

# Mr Shengsen Zhang

Visiting Fellow, Centre for Clean Environment and Energy,  
Environmental Futures Centre

*Preparation and modification of TiO<sub>2</sub> nanotube  
arrays and its photocatalytic application*

# Dr Yun Wang

Research Fellow, Centre for Clean Environment and Energy,  
Environmental Futures Centre

*Theoretical explanation of some experimental  
observations in preparation and application of  
Ti-O based materials*

.....

**Friday 9 September 2011**

**3:00pm - 4:00pm**

**Gold Coast campus**

**Clinical Sciences 2 Building, G16\_1.14**
