

In-service Development Training Program in Interfaith Understanding and Dialogue
Proudly funded by the Queensland Government through Multicultural Affairs Queensland

cordially invite you to an introductory session on

Christianity

Core Beliefs and Practices and Role in the Contemporary World

This session is in a series of introductory sessions on various faith, religious and spirituality traditions, under this MAQ-funded program. It will provide a concise introduction of the core beliefs, values, principles, teachings and practices (personal, institutional) of Christianity. It will also be helpful in understanding doctrinal and institutional differences among various sects and denominations within Christianity, and in clarifying the perspective of Christianity on contemporary world issues such as violence and non-violence, human rights, gender, ecological sustainability, and others.

Thu 31st July 2008, 12.00-2.00 PM *(light lunch included)*

Multi-Faith Centre, Griffith University, Nathan campus

Speaker

The Rev'd Canon Dr Peter Catt
The Sub-Dean, St John's Cathedral Community
Anglican Diocese of Brisbane

The Rev'd Canon Dr Peter Catt holds degrees in Theology and Biology. Peter has been involved in Christian formation in three Anglican Diocese over the past 20 years. He is particularly interested in dialogue between science and religion and conversations between religious traditions. He understands that to be a dialogue partner one has to understand one's own tradition well. He is therefore a regular exponent of the Anglican tradition of Christianity. He is also a member of the Faith formation task group for the Anglican Diocese of Brisbane. This groups seeks to enable members of faith traditions to relate faith to life.
