

Make your event bigger with Diabetes Australia bunting

What you'll need:

- Scissors
- Hole punch
- Glue or tape
- Ribbon or string

Instructions:

1. Print this page (A4 or A3).
2. Cut out your triangles.
3. Punch one hole in the corners at the base of your triangles.
4. Thread your string through the holes in the triangles, joining them together.
5. Continue these steps to make your bunting as short or long as needed.
6. Decorate your tables, walls and event to really make an impact.
