

Instructions

- **Print numbers 1-100** from the pre-designed sheets.
- **Cut out each number**, keeping pieces as even as possible.
- **Fold all numbers** so they cannot be seen.
Count them to ensure you have the correct number.
- **Place folded numbers into a container** and mix thoroughly.
- **Randomly draw one** number without looking.
- **Match the number on the board** — the associated name is the winner!
