

# Delivering integrated nature and climate action in the Global Stocktake and beyond

A tropical forest scene at sunset. The sky is a mix of blue, orange, and pink. Numerous birds are flying in the sky, some in small groups and others individually. A large, leafy tree is prominent in the foreground on the right side. The overall atmosphere is serene and natural.

**Sunday December 10th 15:00-16:30**

**Blue Zone B6 building 78  
Side Event room 2**

**The GST presents a critical opportunity to integrate climate and biodiversity action across the UNFCCC and the Convention on Biological Diversity.**

**Presenters: BirdLife International, Griffith University, the Royal Society for the Protection of Birds, Stand.earth**
