

Sarah:

Five state of the art campuses. Over one hundred and twenty thousand graduates, ranked in the top five percent of universities in the world. Welcome to Griffith.

Titles: Gold Coast. Brisbane: Logan, Nathan, Mount Gravatt, South Bank.

Here at Griffith there's a saying. When you know more, you can do more.

Title: Sarah Marsanich Geotechnical Engineer

And through world-class research, lecturers and facilities and by challenging convention we're living it out every day.

Title: Established 1971. World leader malaria vaccine development. World leader in migraine research. World's 1st Tourism Confucius Institute. Over 870 international partnerships.

With 38 research centres and institutes we're taking the challenges of the twenty-first century head on. And the best researchers

Gary:

attract the best students.

Title: Gary Parkin, Finance Executive

Students who understand that the world needs forward thinking and new ideas. It's why we are one of the most dynamic universities in the world.

Titles: Queensland College of Art, Griffith Asia Institute, Australian Rivers Institute, Griffith Health and Knowledge Precinct, Institute for Glycomics, The Eskitis Institute, Griffith Honours College, Queensland Conservatorium, Centre for Quantum Dynamics, National Climate Change Adaptation Research Facility, Griffith Sports College, Griffith Film School.

Sarah:

It's a success story built on a thousand success stories because whether it's around the corner or around the world Griffith graduates and researchers are shaping the future.

Gary:

And the best thing is we are continually growing, innovating, and building new facilities.

Title: \$320 million in new infrastructure. Fastest growing university precinct in Australia.

Sarah:

So how does a geo-technical engineer like me.

Gary:
Or a finance executive like me.

Sarah:
Know all this?

Gary:
Because we're Griffith graduates and proud of it.

Sarah:
Griffith University, when you know more, you can do more.
