Getting to Nathan Campus

By Car

From the City:

1. Leave the City via the South-East Freeway and proceed approximately 8 kilometres south.
2. Exit the freeway at Exit 11 - KlumppRoad/Mains Road (Note: do not exit the freeway at the Marshall Road exit - the Griffith University sign here relates to the Mt Gravatt campus).
3. On exiting the freeway, bear to the right (down the hill towards Mains Road, rather than bearing left to Klumpp Road), and get into the right hand lane.
4. Turn right under the freeway at the first set of lights into University Road then move into the left lane.
5. Proceed straight through the intersection and then straight through to the first roundabout into Griffith University.
6. Turn left at the next roundabout and you are now on the Ring Road.
7. The first car parks on your left (K & L) are located at the rear of the EcoCentre. If you continue on and enter the East car park, car park F is located at the front of the EcoCentre. These are the closest car parks for visiting the EcoCentre.
From the Gold Coast:

1. Take the Gaza Road exit from the South-East Freeway (heading towards the City).
2. Proceed in the right lane to the first set of traffic lights and turn right into Gaza Road.
3. Go under the freeway to the next set of lights (about 100 metres) and turn right back on to the South-East Freeway (now heading south).
4. Take the Klumpp Road/Mains Road exit (Exit 11).
5. On exiting the freeway, bear to the right (down the hill towards Mains Road, rather than bearing left to Klumpp Road), and get into the right hand lane.
6. Turn right under the freeway at the first set of lights into University Road then move into the left lane.
7. Proceed straight through the intersection and then straight through to the first roundabout into Griffith University.
8. Turn left at the next roundabout and you are now on the Ring Road.
9. The first car parks on your left (K & L) are located at the rear of the EcoCentre. If you continue on and enter the East car park, car park F is located at the front of the EcoCentre. These are the closest car parks for visiting the EcoCentre.

From East/West along Kessels Road:

1. Proceed along Kessels Road and turn into Griffith University at the Kessels Road/Troughton Road intersection. This will be a right turn if coming from the East (from Garden City) or a left turn if coming from the West (from Coopers Plains/Salisbury).
2. Drive up Griffith Road and turn right at the roundabout onto the Ring Road.
3. Continue along the Ring Road and go straight through the next roundabout.
4. At the third roundabout, perform a U-turn and continue back along the Ring Road.
5. The first car parks on your left (K & L) are located at the rear of the EcoCentre. If you continue on and enter the East car park, car park F is located at the front of the EcoCentre. These are the closest car parks for visiting the EcoCentre.

From the Sunshine Coast:

1. Heading south along the Gateway Motorway, take the Mt Gravatt-Capalaba Road exit, approximately 12 km south of the Gateway Bridge.
2. Turn right on to Mt Gravatt-Capalaba Road and continue straight on. Upon crossing Logan Road, the road becomes Kessels Road.
3. Proceed along Kessels Road and turn right into Griffith University at the Kessels Road/Troughton Road intersection.
4. Drive up Griffith Road and turn right at the roundabout onto the Ring Road.
5. Continue along the Ring Road and go straight through the next roundabout.
6. At the third roundabout, perform a U-turn and continue back along the Ring Road.
7. The first car parks on your left (K & L) are located at the rear of the EcoCentre. If you continue on and enter the East car park, car park F is located at the front of the EcoCentre. These are the closest car parks for visiting the EcoCentre.
