Art 12 ICESCR

1. The States Parties to the present Covenant recognize the right of everyone to the enjoyment of the highest attainable standard of physical and mental health.

2. The steps to be taken by the States Parties to the present Covenant to achieve the full realisation of this right shall include those necessary for:

(b) the improvement of all aspects of environmental and industrial hygiene
Precautionary Principle
(from Rio Declaration on Environment and Development 1992)

Where there are threats of serious or irreversible damage, full lack of scientific certainty shall not be used as a reason for postponing cost-effective measures to prevent environmental degradation.
