Welcome to this International Student Guide. Making the decision to study overseas, and choosing the right university, is a big decision. Since its beginnings in the 1970s, Griffith has had a strong focus on internationalisation and is privileged to host students from over 130 different countries. Both Brisbane and the Gold Coast, home to five diverse Griffith University campuses, offer students a great introduction to the renowned Australian lifestyle. In addition, the Gold Coast is hosting the Commonwealth Games in 2018, and our Gold Coast campus is right in the heart of all the action, with the Games Village across the road. That makes it a particularly exciting time to look at studying with us, with lots of events planned alongside the Games themselves. With a move to trimesters in 2017, and a renewed focus on graduate employability throughout all our academic programs and a number of extra curricula opportunities as well, there has never been a better time to study at Griffith. Choosing to study in another country is a big decision, and I hope that this Guide provides you with the information you need, as well as a taste of all the support available to you once you get here. Having been an international student myself, I am well aware of the life changing impact that studying overseas can have. Good luck with making your choice, and I hope that we have the chance to welcome you to Griffith University.

Professor Sarah Todd
Vice President (Global)
At Griffith, we celebrate, believe in and strive for the remarkable. We rank among the world’s best universities and continue to improve our international standing. In the largest and most credible world university rankings, we are ranked in the top 350 - placing us in the top 3% worldwide.

Remarkable Griffith

Build your career

Griffith University graduates are well equipped for the new world of work. With a 5 star employability rating*, we include real-life industry experiences in our degrees and have a great range of employability initiatives to help you be job-ready.

*2017 QS Stars University Ratings.

Work-integrated learning
Employers like to see experience from the real world on your resume. You can gain practical experience while you study, build your portfolio and develop networks through internships and industry placements. Many work-integrated learning opportunities will allow you to earn credit towards your degree.

Griffith Honours College
Griffith is the only university in Australia with an honours college. The Griffith Honours College is an extracurricular program that provides experiences to increase your employability and graduate opportunities. Many of these experiences will be exclusive to Griffith Honours College students and will enable you to develop a global perspective while enhancing your leadership, communication, teamwork, research and industry skills.

Community Internship
The Community Internship is a 10 credit point course, available to students in most degrees. Through this course you will be able to make a difference in a local community organisation while developing a range of professional and personal skills. You will spend a minimum of 50 hours in a volunteering placement and combine this with academic learning. With hundreds of internship opportunities we can tailor the internship to match your study area or interests.

Leadership programs
Join one of our leadership programs, including the Griffith Business School Student Leadership Program, Griffith Honours College or Griffith Mates. You will receive formal recognition for participating in these programs and gain a range of experiences and skills sought after by future employers.

Internships and industry placements
Gain industry experience, observe professionals and ask questions to become career ready. Griffith offers internship and industry networking opportunities in nearly all study areas.

Careers and Employment Service
Our Careers and Employment service supports you to plan your career, become job ready and find work while you study and after you graduate. Get help with resumes, cover letters, interview preparation and job search techniques to improve your employability and increase your chances of finding your dream job.

griffith.edu.au/careers

Exchange and short-term programs
Participating in an overseas program as a part of your Griffith University degree is one of the best experiences you can have at university. You can spend as little as one week, or as long as one year in destinations around the world. We offer a trimester or year-long exchange program, as well as short-term options including global internships, volunteering, service learning, academic-led study tours, clinical placements and research practicums. There is also a variety of funding options available to support your overseas program.

griffith.edu.au/go-global

Did you know that you can work while you study in Australia?
We have services dedicated to helping you find a part-time job while you study. SEE PAGE 10
“There was so much of my Griffith degree that was directly applicable to my workplace. All the practical components of my degree, all the industry input and knowledge, all the opportunities to work directly with the industry, they are invaluable.”

Alana Scott
Bachelor of Environmental Engineering (Honours)
Work while you study

In Australia you can work part-time while you study and Griffith has services to help you find a job.

Working while you study in Australia can complement your student experience.

Key facts about working in Australia:
- Student visa holders can work a maximum of 40 hours per fortnight (2 week period) during the teaching period, once classes have started.
- Student visa holders can work unlimited hours during scheduled University-wide teaching breaks.
- Australia has a high national minimum wage.
- Work rights in Australia mean you are entitled to a healthy and safe work environment, regular breaks and rest periods.

Careers and Employment Service

The Careers and Employment Service can help you find part-time work while you are studying through Unitemps (see below) and provide you with advice on how to get your first graduate job.

You will learn about the importance of professional networking and using social media in your job search, as well as the latest information on job vacancies, recruitment trends and career options related to your degree. This service will also help you with your resume, cover letters and interview preparation techniques.

You can search for job vacancies on:
- Griffith’s Careerboard job portal
- seek.com.au
- careerone.com.au

Find out more at: griffith.edu.au/careers

Graduate employment

GradConnection is the largest graduate job website in the Asia Pacific region. Griffith University has joined GradConnection to provide international graduates with access to non-advertised graduate employment opportunities in Australia, your home country and around the world.

griffith.edu.au/careers

Dennis Kim
Bachelor of International Tourism and Hotel Management

Unitemps helps students apply for part-time work

Griffith is the first university in Australia to offer Unitemps, a service dedicated to helping you apply for paid part-time work while you study.

Unitemps is an in-house recruitment service that facilitates connections between Griffith students and employers who are offering temporary paid work opportunities. The Unitemps team is committed to helping you be the best candidate you can be, while identifying flexible, student-friendly job opportunities that can provide financial support while you study and enhance your employability upon graduation.

Find out more at: griffith.edu.au/careers-employment/unitemps
Scholarships

We provide excellent scholarship opportunities for our international students.

We offer an exciting and generous range of scholarships to support international students coming to study in our undergraduate, postgraduate, research and pathway programs. Our scholarships recognise remarkable students with outstanding academic achievements and the potential to make a positive contribution to Griffith and our community.

Griffith University supports outstanding international students with a range of scholarships, including:

- excellence scholarships for undergraduate and postgraduate students
- scholarships for family members of current international students and alumni
- discipline-specific scholarships for selected programs
- higher degree by research scholarships
- Gold Coast 2018 Commonwealth Games scholarships.

Scholarships are also awarded to the top graduate of the Griffith English Language Institute Direct Entry Program and the top Griffith College Diploma graduate for each session.

For more information visit: griffith.edu.au/international-scholarships

Australia Awards Scholarships

At Griffith, we host and support a diverse community of Australia Awards scholars. The prestigious Australia Awards Scholarships, funded by the Australian Government’s Department of Foreign Affairs and Trade (DFAT), offer next-generation leaders from across the world an opportunity to undertake study and research in Australia. The scholarships aim to help developing countries reduce poverty, achieve sustainable development and increase access to quality education.

Endeavour Scholarships

The Australia Awards Endeavour Scholarships offer outstanding opportunities to international students to undertake study, research or professional development in Australia. Griffith is proud to host Endeavour Scholarship awardees in a range of disciplines.

Narasimhan, India

Griffith University and Gold Coast 2018 Commonwealth Games Scholarship recipient

“To be studying my dream program with the support of the Commonwealth Games Scholarship is really amazing. Griffith has given me an amazing opportunity to be part of a major international sporting event; an experience that will echo through my future career.”
Accommodation

Whether you would like to live on-campus or off-campus, there are a number of options you can explore to find housing to suit your needs. You can also choose homestay and live with a local Australian family while you study.

Off-campus
In Australia, share housing – where you share a house or apartment with a number of other students – is the most common form of off-campus accommodation.

When looking for suitable off-campus accommodation you will need to consider:

- the cost of rent (usually advertised weekly)
- if utilities are included in your rent (electricity, water, gas)
- if internet is included in your rent
- if the accommodation is furnished
- how close the accommodation is to your campus
- access to public transport.

griffith.edu.au/international-accommodation

Temporary accommodation:
We recommend you organise temporary accommodation for your first few days or weeks in Queensland, as it is important that you inspect your long-term off-campus accommodation before you move in.

Temporary accommodation websites:
airbnb.com
lastminute.com
wotif.com

Off-campus accommodation:
You may wish to organise your long-term off-campus accommodation after you arrive in Australia, to ensure you are choosing a suitable living and study environment.

Off-campus accommodation websites:
realestate.com.au
domain.com.au
flatmates.com.au
studentaccommodationfinder.com.au
semesterinaustralia.com
bedss.com
studybrisbane.com.au
studygoldcoast.org.au

Student One
Student One is our preferred supplier for off-campus student accommodation in Brisbane. Student One is located within the heart of the Brisbane City and provides high quality, flexible accommodation options.

studentone.com

Homestay
Homestay accommodation gives you the option of living with an Australian family while you study. Homestay is available to students at all Griffith campuses. Homestay is a great way to develop your English language skills and experience life in Australia and offers catered and self-catered options.

griffith.edu.au/homestay

On-campus
On-campus accommodation is available at all campuses except South Bank. Living on campus is a fantastic way to meet new people, find out about new cultures, and develop independence. On-campus accommodation is usually fully furnished and provides access to laundry facilities, gym equipment, common rooms, internet and organised student activities.

Dormitory-style: Nathan campus
Self-catered: Mt Gravatt campus
Postgraduate self-catered: Nathan and Mt Gravatt campuses.

griffith.edu.au/accommodation/on-campus

Griffith University Village
Griffith University Village (GUV) is our preferred supplier for on-campus accommodation at the Gold Coast campus, providing affordable, self-catered accommodation options.

griffithuv.com.au
Cost of living

Australia is an affordable and friendly place to study and offers a combination of quality education and high living standards.

The cost of living in South East Queensland, where our five Griffith University campuses are located, is considered more affordable than other major Australian cities such as Sydney and Melbourne.

The Australian Government requires students to have access to a minimum of AUD 19,830 (Australian dollars) per year to meet their living costs.

Tuition fee guarantee

Tuition fees are reviewed annually and are subject to change. If you are a degree student commencing in 2018, we guarantee that your fees will not increase by more than 2.5% per year for the normal duration of your program. This means that you are provided with certainty and confidence regarding the total cost of your degree at Griffith. Detailed information on the fees relevant for your degree, including the fees applicable in your commencing trimester, is available at degrees.griffith.edu.au

Calculating your total cost of study

Your total cost of studying in Australia will include:
- tuition fees
- visa application fees
- Overseas Student Health Cover (OSHC)
- flights
- cost of living
- other personal and study-related expenses.

Find out more at griffith.edu.au/international-costs

The information above is based on 2017 costs. Please be advised it is an estimate only and individual differences mean prices will vary.
Your student experience

Meet new people, make friends, enjoy the Australian lifestyle and, most importantly, have fun! We want you to have the best possible experience with your studies and enjoy your time at Griffith.

Sport and fitness
Griffith offers a variety of sporting facilities and competitions.
- Join Griffith Sport for social sport competitions.
- Enjoy discount student memberships for facilities including:
  - on-campus gyms
  - Mt Gravatt Tennis Centre
  - swimming pools at Mt Gravatt and Gold Coast campuses.
griffith.edu.au/sport

Orientation
Orientation is when you get to know Griffith and have fun meeting people before you start classes.
- Find out about studying and living in Australia at the compulsory International Student Welcome and Orientation Day.
- Play beach volleyball, discover Brisbane and the Gold Coast with the Twilight Walking Tours, and play barefoot bowls.
- Enjoy free food and activities on your campus.
griffith.edu.au/orientation

Griffith volunteer community

Griffith Bush Care group
(Brisbane campuses)
Help restore the Australian bush environment and, if you are lucky, see koalas, possums, and sugar gliders. Join us to develop your teamwork skills, learn more about the environment and meet new people.

Griffith Beach Care group
(Gold Coast campus)
Help restore and care for our beautiful coastal environments with the Griffith Beach Care group. This is a great way to give back to the environment, meet new people and see the beaches of the Gold Coast.
griffith.edu.au/mates

Religion
Each Griffith campus provides access to prayer facilities as well as multi-faith chaplains.
griffith.edu.au/chaplaincy

Clubs and societies
Griffith has over 120 clubs in cultural, religious, political, educational, sporting, professional and special interest areas.

There are also international student societies from the following countries: Africa, Bangladesh, China, Europe, Philippines, India, Indonesia, Iran, Japan, Korea, Latin America, Pakistan, Papua New Guinea, Sri Lanka and Vietnam.
griffith.edu.au/clubs

International Student Buddy Program
We match current students with first year international students for a weekly coffee and a chat. This program offers a safe and comfortable environment in which you can ask questions about Griffith and Australia, as well as practise your English. It is a great way to make friends!
griffith.edu.au/international-buddy

Blog for Griffith International!

Explore is the Griffith International blog – it has thousands of readers with all stories written by Griffith students. Lots of our writers are international students who share their experiences and advice. Writing for Explore gives you the chance to:
- improve your writing skills
- get feedback on your work
- have your work published
- inspire other students with your story.
griffith.edu.au/explore-blog
Griffith Mates

Enjoy the most memorable years of your life with the Griffith Mates. The Mates are a diverse peer-support network for international students, with members who speak over 30 languages.

Look out for the Mates at orientation – they may even be waiting to welcome you at the airport!

Griffith Mates will help you make the most of university, develop friendships, practise your English, and:

- meet other international and Australian students
- join in volunteering opportunities – learn about the Australian environment
- visit amazing locations with the Mates on day trips around Queensland
- attend free on-campus events and activities – from games and sports to networking events
- expand your worldview with cross-cultural leadership opportunities by becoming a Mate.

griffith.edu.au/mates
Student support

You will have access to Griffith University’s diverse range of student support initiatives, including programs and staff dedicated specifically to helping international students.

Orientation and arrival
Attend your compulsory International Student Welcome and Orientation session during Orientation, and then join us for an International Welcome Market.

Become acquainted with the library - we have six libraries with a range of resources for study, including computers, quiet study areas and group-work spaces.

The Griffith Mates will help you get to know your campus with campus tours during Orientation. Discover the beauty of Brisbane or the Gold Coast through free Twilight Walking Tours hosted by the Mates.

Find out more: griffith.edu.au/mates

International Student Advisory
If you need some extra personal support, make an appointment with an International Student Advisor. Our team of dedicated staff provides advice and information on issues that can affect your life in Australia and your studies at Griffith.

Find out more: griffith.edu.au/international-student-advisors

Academic enrichment and learning support
EnglishHELP: If English is your second language, we provide a free English language learning service to develop your academic English and improve your overall academic performance. From dedicated courses to free one-on-one tutoring sessions, we offer a range of solutions that can help you achieve your goals.

Find out more: griffith.edu.au/englishhelp

PASS: Peer Assisted Study Sessions (PASS) are study groups for specific courses that students often find difficult or demanding. The sessions are facilitated by student leaders who have previously completed the course and achieved excellent results.

Find out more: griffith.edu.au/student-services/international

Financial assistance
If you are having trouble with budgeting or money, the Welfare and Student Liaison Office offers budgeting advice, a textbook exchange service and other support services.

Find out more: griffith.edu.au/student-services

Disability services
At Griffith, we seek to remove barriers that students with disabilities face in higher education. Through our Disability Service, we aim to improve the participation, retention and success of students with disabilities, while ensuring easy access to learning environments.

If you would benefit from the support offered by our Disability Service, we encourage you to make contact with our friendly staff before you start, or at any time during your degree.

Find out more: griffith.edu.au/student-services

Career support
Our Careers and Employment service assists with career planning, part-time work opportunities and mentoring. More information is available on page 10.

Find out more: griffith.edu.au/careers-employment

Accommodation
See pages 12–13 for information regarding accommodation options at Griffith.

Find out more: griffith.edu.au/accommodation

Free airport pickup service
Have a friendly face to meet you at the airport when you arrive in Australia! International students commencing at Griffith University can apply for free airport pickup, which takes you from the airport directly to your pre-arranged accommodation. The service is free for eligible international students arriving into the Brisbane or Gold Coast airports.

Find out more: griffith.edu.au/airport-reception

Health and wellbeing
If you need a doctor there are health and medical services located on the Gold Coast and Nathan campuses, as well as medical centres and hospitals near each campus.

If you need someone to talk to about personal issues, we offer free, confidential student counselling on all our campuses.

Find out more: griffith.edu.au/student-services

‘Coming to Australia was very thrilling and scary, but as soon as I landed, coming to Griffith University was very smooth. I started with intermediate English skills, so the service offered by Griffith University called EnglishHELP really helped me to improve. I could book this service every week and they were qualified staff who are really supportive to international students.’

Jeawon Kim
Psychological Science/Business graduate

Find out more: griffith.edu.au/student-services/international
With staff and students from more than 130 countries, we celebrate and support the diversity of our community. Griffith is truly an international university - almost a quarter of our students and graduates are from overseas. We provide students with first-class support during their Griffith experience, from arrival through to graduation and beyond.
Know your options

No matter what level of study you have completed, or what English level you have, we have a range of study options and pathways to help you achieve your study goals.

Study options and pathways at Griffith

Completion of secondary (high) school, comparable to Australian Year 11 (or equivalent academic achievement)

Diploma or Foundation program (1 year)
Griffith College (see page 21)

Completion of secondary (high) school, comparable to Australian Year 12 (or equivalent academic achievement)

English language course (10–50 weeks)
Griffith English Language Institute (see page 20)

Undergraduate degree (3–4 years)
- Bachelor
- Bachelor with Honours

Postgraduate degree (1–2 years)
- Master (coursework)
- Graduate Certificate
- Graduate Diploma

Research degree (2–4 years)
- Doctor of Philosophy (PhD)
- Master of Philosophy
- Master (research)

Trimester teaching
At Griffith we teach across three trimesters, rather than two semesters – this gives you the flexibility to pace your study to suit your needs.

Trimesters 1 and 2 are compulsory, so if you begin your degree in Trimester 3, you must complete Trimesters 1 and 2 in the following year; however, if you begin in Trimester 1 or 2, it is not compulsory to enrol in Trimester 3.

Please note: A small number of Griffith degrees may require students to enrol in Trimester 3.

Online study
Our online degrees are delivered 100% online, giving you flexibility over where and when you study. Choose between full-time and part-time study options.

You can identify our online degrees throughout this Guide by the symbol above.

Please note: If you enrol in an online or external degree you are not eligible for an Australian student visa.

Study Abroad program

Our Study Abroad program allows you to complete one, two, or three trimesters of study in Australia and earn credit towards your home degree.

See our Study Abroad and Exchange Guide for more information.
What am I eligible to study?

Read below for an overview of entry requirements for Griffith University degrees.

This information should be used as a guide only. Please ensure you understand the academic and English language entry requirements for your degree.

Academic entry requirements

Undergraduate (bachelor)

**Standard entry**
 Completion of secondary school comparable to Australian Year 12 OR equivalent academic achievement. Some programs have higher entry requirements, specific prerequisites or require the submission of portfolios, medical checks or professional work experience.

Pathway option(s)
Study a Foundation or diploma program through Griffith College. See page 21. Gain direct entry into the relevant Griffith University bachelor degree upon completion.

Postgraduate (master)

**Standard entry**
A bachelor degree or higher (or equivalent) from a recognised university. You must meet minimum Grade Point Average (GPA) entry requirements. Griffith also recognises the knowledge gained through work experience, as well as prior study, for some degrees.

Research

**Standard entry**
- **Doctor of Philosophy (PhD)**
  - A bachelor degree (or equivalent) with class I honours or class IIA honours; OR
  - a master degree (or equivalent) incorporating a significant research component; OR
  - a record of research, or a qualification granted by a professional or other body which is deemed to be of a standard comparable to a bachelor degree with class IIA honours.
- **Master of Philosophy (MPhil)**
  - a bachelor degree (or equivalent) with at least class IIB honours incorporating a significant research component; OR
  - a record of research, or a qualification granted by a professional or other body which is deemed to be of a standard comparable to a bachelor degree with class IIB honours.

Pathway option(s)
Graduate Diploma of Research Studies Griffith offers graduate diplomas in specific disciplines.

English language entry requirements

Undergraduate (bachelor), Postgraduate (master) and Research

**Standard entry**
- **IELTS**: minimum score of 6.5, with no subscore less than 6.0; OR
- **Internet-based (iBT) TOEFL**: score of 79 (no subscore less than 19); OR
- **Pearson Test of English (Academic)**: overall score of 58 with no score less than 50; OR
- **ISLPR**: no score less than 3+ in each skill of the ISLPR (conducted by ISLPR Language Services only).

Pathway option(s)
Complete the Direct Entry Program at Griffith English Language Institute. See page 20. The duration of English study required will vary depending on your current level of English.

*Visit degrees.griffith.edu.au to view the academic and English language entry requirements for your degree.
Griffith English Language Institute (GELI)

For over twenty-five years, Griffith English Language Institute (GELI), Griffith University’s official English language provider, has been delivering award-winning English language programs to international students.

Direct Entry Program

The highly popular Direct Entry Program is for students wanting to gain entry to a Griffith University degree or Griffith College diploma. When you successfully complete the Direct Entry Program at the equivalent of the IELTS level needed for your degree or diploma, you can enter your program directly without needing to submit a proficiency test result.

As you progress through the Direct Entry Program, you will build your English language skills in Reading, Writing, Listening and Speaking, and at the higher levels you will practise academic skills that will help you to be successful in your studies at diploma, bachelor, master or PhD level. A highlight of the pathway for Griffith University degree students includes the final 10 weeks, where you will attend lectures, participate in class tutorials, and complete essays and a research assignment to prepare you for your studies.

You will be placed in the Direct Entry Program according to your English level, which will be determined by your recognised proficiency test results or a placement test on arrival. Some degrees and diplomas require a higher score, so please check the English language entry requirements for your program.

Fees

Your tuition fees for the Direct Entry Program will vary depending on the number of weeks you are enrolled. All students will also be required to pay an enrolment fee of $225.

Up to 25 weeks: $440 per week
26+ weeks: $410 per week

High School Preparation (HSP)

High School Preparation (HSP) is a specialised program for international students aged between 13 and 18 years entering an Australian secondary school. The program combines English language studies with school subject studies to improve your English as well as general knowledge, academic skills and cultural information. Upon successful completion of the program, you will have achieved the English language proficiency level to enter an Australian high school.

You will be placed in the HSP program according to your English level, which will be determined by your recognised proficiency test results or a placement test on arrival. Students are generally required to study in the HSP program for a minimum of 20 weeks.

Remarkable research

Griffith is a research-intensive university that fosters industry, community, government, national and international research collaborations. Undertake research at Griffith and be part of an elite group of researchers who are thinking globally and discovering new-world solutions.

Research centres and institutes
Explore multidisciplinary collaborations with researchers across our 30+ research centres and institutes, exploring extensive and varied discipline areas.

Above world standard
Analysis of Excellence in Research for Australia 2015 found 98% of our research outputs were in disciplines rated at world standard or above.

Research support
You will be supported with research training workshops and a comprehensive suite of library services ranging from research and data management tools to extensive borrowing privileges.

Outstanding resources
Our researchers are provided with state-of-the-art facilities, support services and research environments that best accommodate their needs.

Scholarships
We offer a number of higher degree research scholarships each year to help you with the cost of tuition and/or living expenses for the duration of your research study.

International links
Griffith researchers are well connected and collaborative, with over 5,000 national partners and over 200 international research agreements.

Research with impact

Our remarkable discoveries help to shape a better world.

Malaria vaccine – The Institute for Glycomics is developing and manufacturing a world-leading malaria vaccine—PlasProtecTTM— which is now at human-trial stage.

Shadow of an atom – The world’s first photo of a shadow of an atom was taken by researchers at Griffith’s Centre for Quantum Dynamics.

Protecting wildlife – Griffith experts are at the forefront of world-leading strategies to protect wildlife from the negative impacts of roads, aiming to minimise the number of motor vehicle accidents involving wildlife.

Spinal cord paralysis treatment – The Griffith Institute for Drug Discovery is leading groundbreaking stem cell research into treating spinal cord paralysis.

‘Green’ circuit boards – Environmentally friendly circuit boards are being developed at the Griffith School of Engineering.

Robots to help dementia patients – Griffith is leading research into using robots to improve the quality of life for dementia patients through the Menzies Health Institute Queensland.

Wearable technology – Griffith is working with Olympians and other elite athletes to develop wearable sports technology monitoring systems to aid in better performance and injury risk management.

Autism Centre of Excellence – The Autism Centre of Excellence is engaged in the development of strategic research in evidence-based practices to achieve lifelong outcomes for learners with Autism Spectrum Disorder.

Research study options

Doctor of Philosophy (PhD)
The PhD is Griffith’s premier research training degree. It is awarded for a thesis (or a series of published papers), drafted under supervision, which makes an original, significant, and extensive contribution to knowledge and understanding in your field of study.

Griffith also offers:
- Doctor of Philosophy (by prior publication)
- professional Doctorates (psychology, education, musical arts and visual arts).

Master of Philosophy
The Master of Philosophy (MPhil) is awarded for a thesis, drafted under supervision, which presents original research and demonstrates both knowledge of a research topic and discipline. It is shorter than a PhD and offered across all schools.

Griffith also offers:
- specialist Masters by Research (combine coursework with professional and/or artistic practice).

Griffith experts
Griffith has over 2,600 researchers working across more than 30 research centres and institutes. Our world-class experts utilise state-of-the-art facilities to develop new knowledge in a range of specialist areas that will lead to novel and exciting solutions to benefit society and the environment, as well as influence governance and policy development.

### Griffith is a leader in online education

Griffith University understands everyone has different learning styles and life commitments. Our online degrees are delivered 100% online, giving you control over where and when you study. Our academic and student support team is committed to helping you succeed and reach your goals.

Griffith has been delivering online programs for over 18 years, and we have over 50 online degrees available.

Our online degrees are highlighted on this page and throughout the guide with the 📚 symbol above.

griffith.edu.au/online
At Griffith, we celebrate, believe in and strive for the remarkable.

We believe in the potential for all people to be remarkable - to be courageous, to capture opportunity, to make a difference and change the future forever.

Our vision is to engage in remarkable scholarship and research that contributes significantly to society.

remarkablegriffith.com.au
Business and government

When you study business and government at Griffith, you can build your own unique qualification with our wide variety of degrees, majors and electives.

 Ranked #1 in Australia and #9 in the world for Hospitality and Leisure Management in the QS World University Subject Rankings 2017.

 Griffith's MBA earned a 5-Star rating Graduate Management Association of Australia's (GMAA) 2016 MBA Star Rating.

 $38 million Business School facilities Setting the standard for business education, research, and industry collaboration in Australia.

Learn from leaders
When you study business at Griffith, you are studying among the world’s best. Griffith Business School is accredited by the Association to Advance Collegiate Schools of Business (AASCB) - International, meaning your degree is recognised globally as a high-quality program.

Build the foundation of your future
Be ready for the workplace through industry placements and work-integrated learning. Develop skills in demand by employers and gain experiences which complement your classroom studies. You will also learn from industry guest lecturers and discover how business theory applies in the work environment.

“Griffith graduates have a unique opportunity in terms of where they’re placed because of the University being a leader in the Asia-Pacific region.”

Abhijit Kharkar
Master of Accounting graduate. Abhijit became a CFO by age 28, and is now party treasurer for a major Queensland political party.

What you will study
Griffith’s Bachelor of Business lets you design your ideal course. You choose one major, a double major, or no major. You have the option to try different courses before you choose the combination that is right for you.

A Griffith business degree will prepare you for a wide range of career opportunities - from running major events, to starting your own business, to managing key aspects of complex organisations such as employment relations, marketing campaigns and logistics.

Majors
Asian Business (G,N), Employment Relations (G,N), Entrepreneurship and Self Employment (G,N), Event Management (G,N), Human Resource Management (G,N), International Business (G,N), Logistics and Supply Chain Management (G,N), Management (G,N), Marketing (G,N), Real Estate and Property Development (G,N), Sport Management (G,N), Sustainable Enterprise (N), Tourism Management (G,N).

Additional majors
Accounting (G,N), Economics (G,N), Finance (G,N), Financial Planning (G,N), Politics and Public Policy (G,N).

Graduates find employment
as: an advertising account manager; brand manager; business or strategy manager; corporate social responsibility specialist; event and conference organiser; export and import operations manager; human resource manager; international negotiator; international project officer; logistics and supply network manager; market research analyst; marketing manager; policy advisor; project manager; public relations manager; purchasing manager; real estate agency manager; sales manager; self-employed; sports market; sport tourism promoter; sustainability specialist; or tourism manager.

Double degree option(s)
Combine Business with: Arts; Asian Studies; Commerce; Creative and Interactive Media; Design; Engineering (Honours); Environmental Science; Exercise Science; Fine Art; Government and International Relations; Information Technology; International Business; Information Technology; International Tourism and Hotel Management; Journalism; Laws; Pharmacology and Toxicology; Photography; Psychological Science; Public Relations and Communication; Science.

Recognition/Accreditation
Program accreditation will vary depending upon your choice of award major.

Based on your choice of Business major, you may be eligible for admission to one or more of the following professional bodies:
- Australian Human Resources Institute (AHRI)
- Chartered Institute of Procurement and Supply (CIPS)
- Australian Institute of Management (AIM)
- Australian Institute of Management (AMI)
- Australian Market and Social Research Society
- Australian Society of Sport Administrators
- International Special Events Society, Queensland Chapter
- Pacific Asia Travel Association
- Sports Management Association of Australia and New Zealand.

Pathway option(s)
- Diploma of Commerce
- Diploma of Hotel Management

Honours available
Honours is available through one additional year of study.

Double your career opportunities by choosing two specialisations from our 17 diverse majors.

Bachelor of International Business

What you will study
You will gain critical business skills and knowledge with an international perspective, and develop an understanding of the social, cultural and political dimensions of global business. You will learn from our award-winning teachers and benefit from their knowledge, experience and connections. You will be encouraged to get out of the lecture theatre and into the field, with opportunities for overseas study exchanges and internships.

You will also have the option to learn a language or supplement your studies with a major in another area of interest.

Majors
Asian Business (G,N), Chinese Language (G,N), Finance (G,N), French Language** (N), German Language** (N), Human Resource Management (G,N), Indonesian Language**, International Relations (G,N), Italian Studies (G,N), Japanese Language (G,N), Korean Language**, Logistics and Supply Chain Management (G,N), Management (G,N), Marketing (G,N), Modern Greek** (G), Russian Language** (N), Spanish Studies (G,N).

Offered online via cross-institutional study at Flinders University** Via cross-institutional study at The University of Queensland.

Double degree option(s)
Combine International Business with: Business; Commerce; Government and International Relations; Laws.

Graduates find employment
as: internationally oriented trade; investment organisations; management; strategic planning; research; corporate–government relations; global operations; and public relations.

Pathway option(s)
- Diploma of Commerce
- Diploma of Hotel Management

Honours available
Honours is available through one additional year of study.

Griffith is a pioneer in international business with over 40 leading experts teaching and researching in this field.

Griffith Business School is accredited by the Association to Advance Collegiate Schools of Business (AACSB) – International. AACSB Accreditation is known, worldwide, as the longest standing, most recognised form of professional accreditation an institution and its business programs can earn. We are one of only 15 Australian business schools to be recognised in this way.
Undergraduate degrees

Commerce

Bachelor of Commerce

What you will study
You will gain the technical skills and knowledge to pursue a career in accounting, financial planning, finance or economics. In your first year, you will explore the core skills and concepts of commerce including accounting, economics, business statistics, and management. In your second and third years, you will build on this knowledge with your chosen major/s.

Majors
- Accounting (G,N), Economics (G,N), Finance (G,N), Financial Planning (G,N)
- Additional majors
  - Asian Business (G,N), Employment Relations (G,N), Entrepreneurship and Self Employment (G,N,S), Event Management (G,N), Human Resource Management (G,N), International Business (G,N), Logistics and Supply Chain Management (G,N), Management (G,N), Marketing (G,N), Politics, and Public Policy (G,N), Real Estate and Property Development (G,N), Sport Management (G,N), Sustainable Enterprise (N), Taxation (minor only) (G,N), Tourism Management (G,N)
- Double degree option(s)

Recognition/Accreditation
Depending on the courses you complete you can graduate with a degree accredited by:
- Chartered Accountants Australia and New Zealand (CA ANZ)
- CPA Australia
- Financial Planning Education Council

Accounting major: Students completing the accounting accreditation requirements will be exempt from the ACCA Foundation Level Exams F1 - F9.

Financial Planning major: Students will be eligible for admission to the Financial Planning Association (FPA) of Australia’s CERTIFIED FINANCIAL PLANNER® Certification Program.

Finance major: The Bachelor of Commerce with a Finance major has been accepted into the CFA Institute University Recognition Program. This status is granted to institutions whose degree program incorporates at least 70% of the CFA Program Candidate Body of Knowledge (CBOK), which provides students with a solid grounding in the CBOK and positions them well to sit for the CFA exams.

Taxation minor: Students will meet the education requirements for registration as a Tax Agent with the Tax Practitioners Board.

Pathway option(s)
- Diploma of Commerce
- Diploma of Hotel Management
- Associate Degree in Commerce and Business

Honours available
Honours is available through one additional year of study.

International Relations

Bachelor of Government and International Relations

What you will study
This degree will provide you with a deep understanding of policy, politics and power in the modern world, and the forces that shape these dynamics at the global and domestic levels. You will learn about political institutions and processes, business-government relations, and foreign policy and globalisation. You will finish your studies with either a parliamentary internship or a work placement.

Majors
- International Relations, Politics and Public Policy.

Second Majors
- Asian Business (G,N), Chinese Language (G,N), Economics (G,N), French Language (N)*, German Language (N)*, Indonesian Language (N)*, International Business (G,N), Islam-West Relations (G,N), Italian Language (G,N), Japanese Language (G,N), Korean Language (N)*, Russian Language (N)*, Spanish Language (G,N)
- Via cross-institutional study at The University of Queensland

Double degree option(s)

Pathway option(s)
- Diploma of Commerce
- Diploma of Hotel Management

Honours available
Honours is available through one additional year of study.

Tourism and Hotel Management

Bachelor of International Tourism and Hotel Management

What you will study
In this degree, you will gain an in-depth understanding of the tourism sector, underscored by sustainability principles. You will develop core business skills in areas such as financial management, leadership, management, marketing and strategic management, and enhance these with an understanding of how to manage employment relations in a culturally diverse context.

Majors
- Hospitality Management, Tourism Management.

Second Majors

Double degree option(s)
Combine International Tourism and Hotel Management with: Business.

Graduates find employment
in: airlines, banquet and catering management; clubs and casinos; conference centres, cruise ships, destination marketing; entertainment; facilities management; food and beverage management; government, hotels, resorts and motels; human resources, product and equipment suppliers; restaurant management; special events and festivals; theme parks and tourist attractions; tour guiding; tourism authorities (national and regional); training and development; travel marketing, travel retailing, visitor centres.

Pathway option(s)
- Diploma of Commerce
- Diploma of Hotel Management
- Associate Degree in Commerce and Business

Honours available
Honours is available through one additional year of study.

Access the exciting world of the stock-market with our on-campus financial trading rooms, equipped with the Bloomberg Professional service.

Third year students have the opportunity to undertake a Parliamentary Project where they complete a work placement in a political organisation or gain experience with the Queensland Parliament.

Our close working relationship with major hotel chains means you will have the opportunity to learn from industry guest lecturers and gain practical experience.

Feb, Jul 0.5 C 40 6.5 A 3306 082402C $14,750

Master of Business

Master of Business Advanced
What you will study
Master of Business
You will gain sound business management knowledge and skills to meet the challenges facing professionals working in tourism, hospitality, sport and event management. You have the option to choose a specialisation from the following three options: event management, international tourism and hospitality management, or sport management.
Master of Business Advanced
Building on the courses from the Master of Business, you can choose to complete this degree through a standard coursework or dissertation pathway. You have the option to choose a specialisation from the following three options: event management, international tourism and hospitality management, or sport management.
Master of International Tourism and Hospitality Management
As a graduate of this degree, you will emerge as a confident leader, sensitive to the complex issues and challenges within the global tourism and hotel industry. You will develop skills essential for management roles including advanced business acumen, strategic insight and specialised industry knowledge, underscored by sustainability principles and an understanding of how to manage in a culturally diverse context.
Entry requirements
Master of Business
Related bachelor degree or higher.

Feb, Jul 2 G S 160 6.5 A 5709 094982A $29,500

Griffith is home to the world-leading Griffith Institute for Tourism (GIFT) and the world’s only Tourism Confucius Institute.
Finance and Financial Planning

Graduate Diploma of Finance

Entry requirements: Any bachelor degree or higher OR relevant work experience.

Feb, Jul 1

80 6.5 A 4166 082403B $29,500

Master of Finance

What you will study
In the Master of Finance you will gain technical competencies and analytical skills and learn how to apply financial theory and quantitative techniques to make effective financial and investment decisions. You will build a solid foundation in finance and gain an in-depth understanding of investment principles with a strong appreciation of ethical and professional standards focusing on the curriculum of CFA Level I and II examinations. You will develop the skills to critically analyse issues in the investment profession relating to stock markets, fixed-income instruments, derivatives, and portfolio or wealth management, preparing you to take on new challenges in the increasingly globalised and competitive financial sector.

Entry requirements
Any bachelor degree or higher.

Feb, Jul 2

160 6.5 A 5592 081667G $29,500

Recognition/Accreditation
This program has been accepted into the CFA Institute University Recognition Program.

Graduates find employment
in: corporate finance, financial consultancy firms; insurance; international trade; investment firms; regulatory authorities; retail and merchant banks; risk management; securities; stockbroking; taxation; and treasury operations.
as: a business analyst; business banking manager; consultant; credit manager; credit risk analyst; finance officer; financial controller; or funds manager.

---

**Thessy and Yiota Kouzoukas**

Founders of Sabo Skirt, Griffith alumni
As a criminology or law student at Griffith, you will benefit from our industry-informed learning and gain valuable experience working on real cases, with real clients, during your studies.

Oldest criminology school in Australia
One of the largest communities of criminology and criminal justice scholars in the world.

Law and legal studies ranked in the top 100 globally
According to the 2017 QS World University Rankings by Subject.

Griffith University Innocence Project
Pro-bono project run by Griffith University, committed to freeing innocent persons who have been wrongly convicted.

Practice makes perfect
Studying law you will develop real-world skills working on cases and projects throughout your studies. You will gain practical experience from your first year through moots, court visits and industry networking. With opportunities to participate in international competitions, you will graduate with valuable international experience.

One of the largest in the world
Our School of Criminology and Criminal Justice is one of the largest and fastest growing communities of criminology and criminal justice scholars in the world. The School is internationally renowned for ground-breaking research, innovative and flexible teaching, and close collaboration with practitioners and employers.

“The great thing about Griffith is that it’s giving students experiences and opportunities they wouldn’t necessarily get elsewhere.”

Jermaine Rusike
Bachelor of Laws student
## Undergraduate degrees

### Criminology and Criminal Justice

| Bachelor of Criminology and Criminal Justice | Feb, Jul | 3 | 240 | 6.5 | H2 | 1484 | 061466E | $28,000 |
| Double degree option(s) | Combine Criminology and Criminal Justice with: Forensic Science, Information Technology, Psychological Science, Laws. |

### Law

| Bachelor of Laws | Feb, Jul | 4 | 320 | 7.0 | H2 | 1484 | 083394A | $28,000 |
| Bachelor of Laws (Graduate Entry) | Feb, Jul | 3 | 240 | 7.0 | A | 1455 | 083393B | $28,000 |

### Postgraduate degrees

| Criminology and Criminal Justice | Feb, Jul | 1* | 40 | 7.0 | A | 3152 | $13,500 |
| Master of Criminology and Criminal Justice | Feb, Jul | 1.5 | 120 | 7.0 | R | 5606 | $27,000 |

NOW OVER 15,000 KIDS HAVE EASIER ACCESS TO AN EDUCATION

remarkablegriffith.com.au

Chris Eigeland
Griffith alumnus and co-founder of The Schoolbag, a not-for-profit organisation.
If you study education at Griffith, you can be sure you are choosing a rewarding and exciting future – we are producing the next generation of teachers and education solutions.

**Ranked in the top 100 in the world**
for Education in the QS World University Subject Rankings 2017.

**Inspire the next generation**
Study teaching at one of the world’s leading education schools.

**Autism Centre of Excellence**
Focused on improving the quality of life for children and adults with autism.

**Benefit from our powerful partnerships**
We maintain strong relationships with schools and industry partners, including two school-based teacher education centres of excellence. You will have the opportunity to engage with experts who are moving education forward in priority areas, including teaching literacy and developing teachers as researchers.

**Enjoy flexibility and choice**
We offer a unique and extensive suite of qualifications and specialisations that will lead you to exciting new opportunities. If you already have a degree, you can qualify to teach in just 18 months, or accelerate your teaching career with a qualification in a high-demand specialist area.

“**At Griffith University I was inspired to contribute beyond Australian settings, extending my skills and knowledge to empower kids in India by founding We-Belong.”**

**Saurubh Malviya, PhD Education student**
Founder of We-Belong, a not-for-profit organisation in India, providing a sense of belonging to children in need, through play.

*2 years full-time equivalent offered over 1.5 years.
^IELTS sub-score of at least 8.0 for Listening and Speaking and a score of at least 7.0 for Reading and Writing.

#### What you will study
These postgraduate pre-service teacher education degrees are offered in intensive mode to enable completion in one and a half years. These degrees provide professional preparation for teaching and are designed for graduates from non-education backgrounds.

**Master of Primary Teaching**
This degree provides professional preparation for teaching in primary school (Prep to Year 6) settings. The degree covers the theory and practice of teaching concentrating on the characteristics of learners; the social and educational contexts of education; curriculum studies; and professional experience in relevant settings.

**Master of Secondary Teaching**
This degree includes education studies, curriculum studies in two nominated teaching areas, and professional experience in secondary school settings. You will need to be able to choose two of the following teaching areas: biology; business and economics; chemistry; drama*; English; geography*; health and physical education; history; integrated science; languages other than English (LOTE)*; mathematics; music*; physics; technologies; visual arts**.

**Available at the Mt Gravatt campus only.**

#### Entry requirements
Non-related bachelor degree or higher.

#### Recognition/Accreditation

**Primary:** Graduates will be eligible to apply for registration with the Queensland College of Teachers. This qualification is recognised nationally.

**Secondary:** Professional accreditation is currently being sought with the Queensland College of Teachers.

Graduates find employment
Graduates of the **Master of Primary Teaching** will be eligible to apply for provisional teacher registration and able to teach in primary settings anywhere in Australia. Graduates of the **Master of Secondary Teaching** will be qualified to teach students in public and private secondary schools anywhere in Australia, as well as at equivalent levels overseas.

#### Link theory and practice through placements in local schools.

Engineering and IT

Study engineering or IT at Griffith and learn using cutting-edge resources while gaining valuable hands-on experience through real projects.

State-of-the-art laboratories
Including hydraulic and geotechnical laboratories, and 3D printing facilities.

Strong industry links
Be job-ready with opportunities for industry placements and the chance to work on industry projects.

Focus on innovation
We prepare our graduates to create smarter solutions for the future.

Industry Affiliates Program (IAP)
The Industry Affiliates Program (IAP) is a work-integrated learning program designed to integrate final-year students into the workplace. Griffith’s IAP program has been running for over 20 years and has placed thousands of students into industry-based projects where they gain invaluable skills and experience.

Foundation first year
Our Bachelor of Information Technology and Bachelor of Engineering (Honours) now have a foundation first year, which is designed to allow you to test out different study areas. You get to choose your major specialisation when you are ready, before you start the second year of your studies. As well as your major, you can choose from an additional range of minor specialisations to create your own, unique skill set.

“IT is one of the most powerful tools the world has ever seen. IT has the power to help the developing world.”

Chirag Choudry
Bachelor of Information Technology student

**What you will study**

In this program you will learn the fundamental principles underlying computer science and learn practical software technology development skills for many different platforms and applications. You will have the choice of studying many exciting topics, you can choose between one of two majors and also select from a range of elective courses. In the last year of your studies, you will complete a practical project, providing first-hand experience of the knowledge, skills and attributes required to succeed in full-time employment.

**Majors**

Data Science and Artificial Intelligence, Software Development.

**Double degree option(s)**

Combine Computer Science with: Engineering (Honours).

### Engineering

**Bachelor of Engineering (Honours)**

</table>

**What you will study**

As part of your core first year, you will develop a strong foundation in basic science and engineering principles, practice and management. You will study a range of engineering areas, to help you decide what area of engineering you want to focus on. From your second year you will study your preferred major and focus more on your selected area of interest. In your final year you will take these skills and work with our industry partners here or overseas to undertake a trimester-long project through your capstone Industry Affiliates Program.

**Majors**

Civil Engineering (G), Civil and Architectural Engineering (G), Electrical Engineering (G), Electronic and Energy Engineering (N), Electronic and Unmanned Aerial Vehicles Engineering (N), Environmental Engineering (N), Mechanical Engineering (G), Software Engineering (N).

**Recognition/Accreditation**

In Australia, professional accreditation of entry to practice engineering programs is the responsibility of Engineers Australia.

The Washington Accord, the Sydney Accord and the Dublin Accord recognize Engineers Australia-accredited programs across international boundaries at the Professional Engineer, Engineering Technologist and Engineering Associate levels respectively. Please refer to the International Engineering Alliance (IEA) website for more details: ieagreements.org

**Graduates find employment**

in: commerce, corporate IT, government, or private consulting;

as: a software developer, computer programmer, web and mobile applications developer, data scientist; software engineer; systems analyst; computer games programmer; software systems architect; computer scientist; computer systems engineer.

**Double degree option(s)**

Combine Engineering (Honours) with: Aviation; Business; Computer Science; Environmental Science; Industrial Design; Information Technology; Science.

### Industrial Design

**Bachelor of Industrial Design**

</table>

**What you will study**

In this degree, you will combine a creative engineering approach with industrial design innovation. You will graduate with a unique ability for innovation and creativity in industrial design whilst working within the principles of engineering.

You will learn about design process, material characteristics, mechanics and electronics, as well as 3D computer modelling, creative thinking and digital media. This degree also incorporates an international focus on digital and advanced technology manufacturing, giving you the chance to develop an understanding of how a product is created, from design to delivery, in a global context now and in the emerging advanced manufacturing environment.

**Double degree option(s)**

Combine Industrial Design with: Engineering (Honours).

**Graduates find employment**

as: a creative designer-maker; designer for medical applications; entrepreneur; in automotive or digital fashion; industrial designer; innovator, or product designer.

**Pathway option(s)**

Diploma of Engineering

For more information see page 21.

Griffith’s School of Information and Communication Technology is ranked #1 in Australia for overall student satisfaction (Course Experience Questionnaire 2015).

Participate in a full semester placement in industry, working on real engineering projects in your final year.

Build your network and ensure you are work-ready by completing a major project for an industry client or participating in an industry placement.
Information Technology

Bachelor of Information Technology

What you will study
Information technologists analyse or find ways to store, send, and find information using technology like computers and telecommunications systems. Study database management, information systems, business analysis, networks, security, and systems administration. Develop organisational skills in communication, leadership, creativity and ethical practice. Choose a major or select a range of courses. Engage in a team project for an industry client to provide the first-hand experience necessary to succeed in full-time employment.

Recognition/Accreditation
Graduates are eligible to apply to join the Australian Computer Society as full members. It is expected that the Bachelor of Information Technology will meet the accreditation requirements for graduates to become a Member of the Australian Computer Society (ACS) at the professional level.

Graduates find employment in commerce, corporate IT, government, private consulting, business analysis, IT management, IS architecture design, and project management.

Pathway option(s)
• Diploma of Information Technology
For more information see page 21.

Bachelor of Creative and Interactive Media

What you will study
Combining Information Technology with Business, Criminology and Criminal Justice, Engineering (Honours), Science.

Postgraduate degrees

Engineering

Master of Civil Engineering
Entry requirements: Bachelor degree in Civil Engineering or higher.

Entry requirements: Bachelor degree in Civil Engineering or higher.

Entry requirements: Bachelor degree in Civil Engineering or higher.

Entry requirements: Bachelor degree in Civil Engineering or higher.

Entry requirements: Bachelor degree in Civil Engineering or higher.

Entry requirements: Bachelor degree in Civil Engineering or higher.

Entry requirements: Bachelor degree in Civil Engineering or higher.

Entry requirements: Bachelor degree in Engineering (4.0 GPA) or higher.
Engineering (continued)

Master of Engineering Project Management Advanced
Entry requirements: Bachelor degree in Engineering or higher.
Feb, Jul, Oct 2 C 160 6.5 R 5693 088912K $32,500

Master of Environmental Engineering
Entry requirements: Bachelor degree in Engineering or higher OR related bachelor degree or higher and relevant work experience.
Feb, Jul 1 to 1.5 N O 120 6.5 R 5593 083738D $32,500

Master of Environmental Engineering and Pollution Control
Entry requirements: Bachelor degree in Engineering or higher OR related bachelor degree or higher and relevant work experience.
Feb, Jul 1.5 to 2 N O 160 6.5 R 5648 083659C $32,500

Master of Professional Engineering
Entry requirements: Bachelor degree in Science or Environmental Science or Engineering (5.0 GPA) or higher OR bachelor honours degree in Engineering in a discipline other than environmental engineering (5.0 GPA).
Feb, Jul 3 N 240 6.5 R 5704 094817C $32,500

Information Technology

Master of Information Systems and Information Technology Management
Entry requirements: Any bachelor degree (4.5 GPA) or higher.
Feb, Jul 2 N 160 6.5 A 5658 084294G $29,500

Master of Information Technology
Entry requirements: Any bachelor degree (4.5 GPA) or higher.
Feb, Jul, Oct 1.5 to 2 C N 160 6.5 A 5613 083391D $29,500
Feb, Jul, Oct 1.5 to 2 N N 160 6.5 A 5612 083391D $29,500

Gain a comprehensive education in the principles and practice of information technology. You will develop an in-depth understanding of the underlying technology and administration of specific applications of information technology and systems.

You will learn about information technology planning and management, and about Internet-based services used in commerce, education, health, science, public administration, and many other disciplines. You will also learn how to apply information technology to model, support, and manage modern, flexible organisations.

Specialisations
Data Management (G, N), Enterprise Architecture (N), Information Systems and Business Analysis (N), Networking and Security (G), Software Development (G, N).

Entry requirements
Any bachelor degree (4.5 GPA) or higher.

What you will study

Recognition/Accreditation
The Master of Information Technology is accredited by the Australian Computer Society.

Graduates find employment

Data Management: as a data analyst or database administrator.
Enterprise Architecture: as a business architect; information architect; enterprise infrastructure and security architect; or enterprise solutions architect.
Information Systems and Business Analysis: as a project manager; program manager; business analyst; change manager; data analyst; quality manager; or program director.
Networking and Security: as a development operations specialist; network security engineer; security network consultant; security manager; or security applications specialist.
Software Development: as a developer; test engineer; web developer; or researcher in government research centres.

Master of Interactive Media
Feb, Jul 1 to 2 C 160 6.5 A 5653 085196B $30,000

Research degrees

Engineering
Graduate Diploma of Research Studies in Engineering
Entry requirements: Related bachelor degree (5.0 GPA) or higher.
Pathway: to the Doctor of Philosophy or Master of Philosophy.
Feb, Jul 1 C N 80 6.5 R 4176 085199K $16,250

Information Technology
Graduate Diploma of Research Studies in Information Technology
Entry requirements: Related bachelor degree (4.5 GPA) or higher.
Pathway: to the Doctor of Philosophy or Master of Philosophy.
Feb, Jul 1 C N 80 6.5 R 4174 085200M $14,750

Higher Degrees by Research

Doctor of Philosophy
Feb, Apr, Jul, Oct* 2 to 4 All 320 6.5 O 6001 062206F Variable^ $18,750

Master of Philosophy

*Higher Degrees by Research have four intakes per year. The application schedule is available at PhD: degrees.griffith.edu.au/Program/6001/HowToApply/International, MPhil: degrees.griffith.edu.au/Program/5001/HowToApply/International
*Refer to degrees.griffith.edu.au for detailed fee information.

Griffith ranks in the top 3 in Australia for student satisfaction and teaching quality for IT.
Environment, planning and architecture

Griffith has always had sustainability and the environment at its core, and with an emphasis on practical fieldwork, our graduates are multi-disciplinary problem solvers.

Ranked in the top 100 worldwide
for Architecture/Built Environment in the QS World University Subject Rankings 2017.

Leader in the field of sustainability
We have with close links with prestigious research centres.

First School of Environment in Australia
Learn from environmental leaders with a focus on practical learning.

World class facilities
Our architecture studios occupy over 1,000 square meters, including an exhibition space and we have dedicated laser cutters and 3D printer rooms.

Look forward to a better future
At Griffith you will benefit from degrees that are informed by our cutting-edge scientific research and learn from teachers who are world-renowned researchers. Our Environmental Futures Research Institute works with 80 international organisations across 28 countries to deliver solutions for global environmental problems.

“The lecturers were well aligned with what I wanted to do...and are professionals in their field.”

Sharon Rodriguez Robles
Bachelor Environmental Science graduate
Undergraduate degrees

Architecture

Bachelor of Architectural Design

What you will study
You will combine classroom studies, fieldwork and practical experience to learn about designing buildings, urban systems, public places, transport nodes, and recreation and conservation areas. You will also develop your design and creative problem-solving skills, and learn how to create designs that meet aesthetic, functional and user needs - now and in the future. A focus on sustainable design in tropical and subtropical climates will prepare you for work in Australia and the Asia-Pacific. In your third year, you will complete a supervised industry-based design project.

Graduates find employment
As assistant to architects and other built environment professionals in the design, documentation and procurement of buildings, in government agencies, statutory bodies, design practices and studios (urban design, architecture, interior design, virtual environments, graphic design and the film and games industries), commercial development companies, building product manufacturing and distribution companies, and research organisations.

The Bachelor of Architectural Design will set you on the path to a career as an architect, as it provides a pathway to Griffith’s Master of Architecture degree.

Master of Architecture

Entry requirements:
Recognised bachelor degree in architectural design (5.0 GPA) OR Griffith Bachelor of Architectural Design (4.5 GPA).

Graduates are:
able to be recognised by the Architects Accreditation Council of Australia, the Board of Architects of Queensland, the Australian Institute of Architects and the Commonwealth Association of Architects.

Environment

Bachelor of Environmental Science

What you will study
You will gain knowledge and skills from across the broad environmental science spectrum, exploring environmental issues from social, physical and biological perspectives. On completion of core science courses in your first year of study, you will choose a major that suits your interests and career plans. The final year includes a "capstone" experience where you have the option to undertake a research project or participate in industry internships to gain employment-relevant experience.

Majors
Ecology and conservation; Environmental management; Soil and water science; Urban environments.

Double degree option(s)
Combine Environmental Science with: Business; Engineering (Honours); Laws.

Recognition/Accreditation
Depending on your major, you will be eligible to join the following professional bodies:
- Australian Society for Limnology
- Australian Society of Plant Scientists
- Ecological Society of Australia
- River Basin Management Society
- Royal Australian Chemical Institute
- Soil Science Australia.

Graduates find employment
As an environment consultant, environmental scientist.
in research organisations, local, state and federal government agencies involved in environmental management, engineering and environmental consultancies, and other areas of industry and business.

Urban and Environmental Planning

Bachelor of Urban and Environmental Planning

Double degree option(s):
Science.

Postgraduate degrees

Architecture

Master of Architecture

Entry requirements:
Recognised bachelor degree in architectural design (5.0 GPA) OR Griffith’s Bachelor of Architectural Design (4.5 GPA).

Graduates are:
able to be recognised by the Architects Accreditation Council of Australia, the Board of Architects of Queensland, the Australian Institute of Architects and the Commonwealth Association of Architects.

The Bachelor of Architectural Design is recognised by the Australian Institute of Architects/Architects Accreditation Council of Australia (AACA)/Board of Architects of Queensland as an approved pathway program for the professionally accredited Master of Architecture.

**What you will study**
This degree provides training for people who wish to help make society more sustainable. It also provides opportunities for those who want to move into more senior management positions. You will develop the ability to work in multidisciplinary teams, to contribute to policymaking processes and to run environmental management systems.

**Specialisations**

**Entry requirements**
Any bachelor degree (4.5 GPA) or higher.

**Recognition/Accreditation**
Graduates of this program are eligible for membership of the Environment Institute of Australia and New Zealand and may subsequently apply for registration as a Certified Environmental Practitioner (CENP).

**Graduates find employment**
- an environmental assessment officer
- project manager
- project officer
- policy advisor
- environmental or management consultant
- sustainability researcher
- community education officer
- environmental education teacher
- and program developer

- in business and industry groups
- community organisations
- tourism complexes
- transport networks
- shopping centres and other commercial projects
- private consulting firms
- building and construction industries
- financial institutions
- local councils and government departments.

**Be part of multidisciplinary teams and learn to solve and manage current and future environmental challenges.**

### Urban and Environmental Planning

Humanities and languages

Succeed in an ever-changing global environment – study humanities, languages and social science at Griffith and develop a deeper understanding of societies, cultures and people.

Our degrees are informed by industry and government
Be confident you will graduate with the skills employers want.

Ranked in the top 100 worldwide

Access to internships and practical experiences
Enhance your skills and potential, and develop the confidence to lead.

Create your career
Reach your professional goals – study a wide range of courses in areas including sociology, security studies, politics and international studies, literary studies, creative writing, Islam–West relations, Indigenous studies or history, and create your own unique skill set.

Develop real-world skills and knowledge
Griffith plays a major role in education and training for government organisations, and works closely with arts, industry and community organisations to provide responses to the issues of today.

“We are producing graduates who are going to go out and make a difference.”

Associate Professor Halim Rane
School of Humanities, Languages and Social Science, Australian University Teacher of the Year 2015

Medicine, dentistry & health

Study among leaders – Griffith’s breakthrough medical research continues to provide a greater understanding of diseases like cancer, cardiovascular disease, Alzheimer’s disease and chronic fatigue syndrome.

Ranked #34 in the world and #1 in Queensland for Nursing & Midwifery in the QS World University Subject Rankings 2017.

$150 million Griffith Health Centre Part of the Gold Coast Health and Knowledge Precinct.

Griffith Health Clinics Under supervision, students practise clinical skills with real patients.

Excellent clinical experience (and lots of it)

As a Griffith health student, you will take the first steps towards a successful career through a blend of classroom learning and clinical placements in community health and hospital settings. This will be complemented by sophisticated on-campus simulated learning and experiences in world-leading virtual reality teaching environments.

Play your part in the team

The future of health lies in teamwork. Today, health professionals need to work together to deliver life-changing outcomes, and we are proud that interdisciplinary education is a priority at Griffith. We work to ensure our health students are exposed to situations and team learning environments that closely reflect team practice in the real world.

“Nursing is challenging but I love it and it’s a very good opportunity for me to grow and to make a positive difference in people’s lives.”

Brandon Wu
Bachelor of Nursing graduate

Brandon left his job in the banking industry in Hong Kong because he wanted to help people. He turned his Bachelor of Nursing into a job as a Registered Nurse in Australia.

### What you will study

**Biomedical Science**

- **What you will study**
- This degree is the first step towards a career in dentistry. You will learn from extensive hands-on training from the first year of your studies.

**Dentistry**

- **What you will study**
- This degree is the first step towards a career in dentistry. You will learn from extensive hands-on training from the first year of your studies.

**Health Science**

- **Major(s):** Environmental Health, Environmental Toxicology

**Human Services**

- **Major(s):** Criminology and Criminal Justice

**Medical Laboratory Science**

**Medicine**

- **Pathway:** to the Doctor of Medicine for eligible graduates.

**Nutrition and Dietetics**

- **Graduates are:** eligible to become members of the Dieticians Association of Australia (DAA) and can apply to join the Accredited Practising Dietitian (APD) program.
Undergraduate degrees

Occupational Therapy

Bachelor of Occupational Therapy
Feb 4 320 7.0 H3 1400 079926A $31,500

Graduates are: eligible to apply for registration as an occupational therapist with Occupational Therapy Australia (subject to meeting any additional requirements).

Paramedicine

Bachelor of Paramedicine
Feb 2.5 to 3 240 7.0 H4 1533 094591E $30,000

Pharmacy

Bachelor of Pharmacology and Toxicology
Feb, Jul 3 240 6.5 S 1528 087743G $30,000

Double degree option(s): Business; Laws.

Bachelor of Pharmacy
Feb, Jul 4 320 7.0 H2 1395 077649M $31,000

What you will study
This degree will put you on the path to a career in the pharmaceutical, biotechnology or nutraceutical industries. You will learn through hands-on experience in state-of-the-art facilities (formulation, pharmacology and analytical laboratories) and during professional practice placements at the new Gold Coast University Hospital and in other clinical settings.

You will take specialist courses in areas such as pharmacy management, complementary and alternative medicine, and pharmacology.

Recognition/Accreditation
To seek registration as a pharmacist, graduates from the Bachelor of Pharmacy degree will be required to complete 48 weeks of intern training and comply with all other statutory requirements.

Graduates find employment in: biotechnology; business development; community and hospital pharmacy in medication management; management; marketing; nutraceutical industries; pharmaceutical industries; sales; and local and national government agencies related to medicine use and regulation.

Pathway option(s)
- Diploma of Health Sciences

Strong partnerships with hospitals and community pharmacies across Queensland provide unrivaled placement opportunities in a clinical setting.

Physiotherapy and Exercise Science

Bachelor of Exercise Science
Feb, Jul 3 240 6.5 S 1171 017687B $29,500

Double degree option(s): Business; Psychological Science.

Bachelor of Physiotherapy
Feb 4 320 7.0 H5 1579 094396G $40,000

Graduates are: eligible to apply for accreditation through Exercise and Sports Science Australia (ESSA) as an Accredited Exercise Scientist.

Psychology and Counselling

Bachelor of Counselling
Feb, Jul, Oct 3 240 6.5 H1 1548 090581F $25,500

Bachelor of Psychological Science
Feb, Jul, Oct 3 240 6.5 S 1012 058555G $25,500

Double degree option(s): Criminology and Criminal Justice; Exercise Science; Laws.

Bachelor of Psychology (Honours)
Feb, Jul, Oct 4 320 6.5 H2 1014 033967E $25,500

Graduates are: eligible for general registration as a psychologist in Queensland (subject to meeting any additional requirements). Full registration requires a further two years of approved postgraduate study or supervised on-the-job training with a registered psychologist.

Public Health

Bachelor of Public Health
Feb 3 240 6.5 S 1440 094401E $25,500

Social Work

Bachelor of Social Work
Feb, Jul 4 320 6.5 S 1372 056919A $25,500

Graduates are: eligible to apply for registration with the Australian Association of Social Workers (subject to meeting any additional requirements).

Sport

Bachelor of Sport Development
Feb 3 240 6.5 S 1493 086147C $29,500

## Clinical Leadership

### Graduate Certificate in Clinical Leadership
- **Entry requirements:** Related bachelor degree or higher or relevant work experience.
- **Feb, Jul 0.5**
- **Credit pts.:** 40
- **IELTS:** 6.5
- **Academic Codes:** R
- **Program CRICOS:** 083392C
- **Annual fee:** $13,250

## Dentistry

### Bachelor of Dental Health Science
- **Feb 3**
- **Credit pts.:** 240
- **IELTS:** 6.5
- **R 1577 094385M $48,500**

### Master of Dentistry
- **Feb 2**
- **Credit pts.:** 160
- **IELTS:** 7.0
- **R 5703 094389G $74,000**

### Master of Clinical Dentistry
- **Feb 1**
- **Credit pts.:** 80
- **IELTS:** 7.0
- **R 5702 094390C $56,000**

### Doctor of Clinical Dentistry
- **Feb 3**
- **Credit pts.:** 240
- **IELTS:** 7.0
- **R 5699 094402D $56,000**

## Health Services Management

### Graduate Certificate in Health Informatics
- **Feb, Jul 1**
- **Credit pts.:** 40
- **IELTS:** 6.5
- **A 3336 $13,250**

### Graduate Certificate in Health Services Management
- **Feb, Jul 0.5**
- **Credit pts.:** 40
- **IELTS:** 6.5
- **A 3082 032140A $13,250**

### Master of Health Services Management
- **Feb, Jul 1 to 1.5**
- **Credit pts.:** 120
- **IELTS:** 6.5
- **R 5586 080408B $26,500**

### Master of Advanced Health Services Management
- **Feb, Jul 1.5 to 2**
- **Credit pts.:** 160
- **IELTS:** 6.5
- **R 5627 082409G $26,500**

### What you will study
- You will study a wide ranging and diverse base of specialist health management courses. If you are a graduate or manager in health and aged care services and you want to develop your skills and understanding of contemporary health service management issues, these degrees will help you achieve your goals. Through flexible teaching and research options, you will learn about key areas of health sector policy, governance, operations and evidence-based practice management.
- Through a project directly relevant to your organisation’s strategic direction, you will develop research and project management skills.

### Entry requirements
- Related bachelor degree or higher.

## Human Services

### Graduate Certificate in Human Services
- **Feb, Jul, Oct 0.5**
- **Credit pts.:** 40
- **IELTS:** 6.5
- **A 3272 $13,250**

### Master of Human Services
- **Feb, Jul, Oct 1 to 1.5**
- **Credit pts.:** 120
- **IELTS:** 6.5
- **R 5604 $26,500**

## Infection Prevention and Control

### Graduate Certificate in Infection Prevention and Control
- **Feb, Jul 0.5**
- **Credit pts.:** 40
- **IELTS:** 6.5
- **R 3293 $13,500**

### Master of Infection Prevention and Control
- **Feb, Jul 1 to 1.5**
- **Credit pts.:** 120
- **IELTS:** 6.5
- **R 5600 $27,000**

## Recognition/Accreditation
- Students who complete these degrees may be eligible for membership of the Australasian College of Health Service Management (ACHSM). Students will be eligible for recognition by the Royal Australian College of Medical Administrators (RACMA) in respect of that College’s entry and membership criteria.

## Graduates find employment
- in leadership, management, administrative and clinical roles in the public and private sectors of the health and aged care sectors. These programs provide for those entering the health management area as well as those seeking promotion and advancement within the health and aged care sectors.

## Remarkable Griffith
- IT’S MY HONOUR TO BE AUSTRALIAN OF THE YEAR

You will take part in extensive clinical placements in healthcare facilities ranging from rural settings through to the new Gold Coast University Hospital.

**Entry requirements**
Any bachelor degree or higher (5.0 GPA) and MCAT (123 in each section) or GAMSAT (minimum score of 50 in each section) and interview.

**Recognition/Accreditation**
The Medical Board of Australia recognises graduates of this award. This program is also accredited by the Australian Medical Council.

**Graduates find employment as:**
doctors and other medical professionals;
in medical administration; medical education; medical research; primary care medicine; rural medical practice; and specialist clinical practice.

**Master of Rural Medicine**
- Jul 1.5 O E 120 7.0 O 5681 $28,000

Entry requirements: Professional registration and current relevant employment or professional placement.

#### Mental Health

**Graduate Certificate in Suicide Prevention Studies**
- Feb 1* C 40 6.5 A 3110 $13,250

*Part-time only.

**Entry requirements:** Any bachelor degree or higher OR related Certificate IV and relevant work experience OR relevant work experience.

**Master of Suicidology**
- Feb 2 to 3* C 120 6.5 R 5666 $26,500

*Part-time only.

**Entry requirements:** Related bachelor degree or higher OR any bachelor honours degree or higher.

#### Midwifery

**Graduate Certificate in Primary Maternity Care**
- Feb, Jul 1* C 40 7.0 R 3310 $13,250

*Part-time only.

**Entry requirements:** Related bachelor degree or higher and professional registration OR professional registration and relevant work experience.

**Master of Primary Maternity Care**
- Feb, Jul 1 to 1.5 C 120 7.0 R 5655 $26,500

**Entry requirements:** Related bachelor degree (5.0 GPA) or higher and professional registration.

**Note:** These midwifery degrees do not lead to registration as a midwife.

#### Nursing

**Graduate Certificate in Acute Care Nursing**
- Feb, Jul 0.5 N E 40 7.0 R 3289 $13,500

**Entry requirements:** Bachelor degree in nursing and professional registration OR professional registration and relevant work experience.

**Master of Acute Care Nursing**
- Feb, Jul 1 to 1.5 N E 120 7.0 R 5596 $27,000

**Entry requirements:** Bachelor degree in nursing (5.0 GPA) or higher and professional registration.

#### Pharmacy

**Master of Pharmacy**
- Feb 1.5 C 120 7.0 R 5369 054090B $31,500

*For Bachelor of Pharmaceutical Science (1242) graduates only.

**Entry requirements:** Bachelor of Pharmaceutical Science (1242) from Griffith University only.

**Graduates are:** eligible for registration with the Pharmacy Board of Australia (subject to meeting any additional requirements).

**Master of Pharmacy**
- Feb 2* C 240 7.0 R 5661 085641G $31,500

*3 years full-time equivalent offered over 2 years.

**Entry requirements:** Related bachelor degree or higher (5.0 GPA) and specific subject pre-requisites.

**Graduates are:** eligible for registration with the Pharmacy Board of Australia (subject to meeting any additional requirements).

#### Physiotherapy and Exercise Science

**Graduate Diploma of Exercise Science**
- Feb 1 C 80 6.5 R 4157 075029M $28,500

**Entry requirements:** Related bachelor degree or higher and professional membership.

**Graduates are:** eligible for accreditation through Exercise and Sports Science Australia (ESSA) as an Accredited Exercise Physiologist.

**Master of Physiotherapy**
- Jan 2 C 170 7.0 R 5320 037500G $41,500

**Entry requirements:** Bachelor of Exercise Science (5.0 GPA) (guaranteed entry) OR related bachelor degree.

**Graduates are:** eligible for registration with the Physiotherapy Board of Australia (subject to meeting any additional requirements).

#### Psychology

**Master of Clinical Psychology**
- Feb 2 C M 160 7.0 R 5070 0194911 $26,500

**Entry requirements:** Related and accredited bachelor degree or higher and professional registration and interview and provisional or full registration as a psychologist with the Psychology Board of Australia.

**Graduates are:** eligible for registration as a psychologist with the Psychology Board of Australia (subject to meeting any additional requirements).

**Master of Organisational Psychology**
- Feb 2 M 160 7.0 O 5280 026050J $26,500

**Entry requirements:** Related and accredited bachelor honours degree (IIA) or higher and professional registration and interview and provisional or full registration as a psychologist with the Psychology Board of Australia.

**Graduates are:** eligible for registration as a psychologist with the Psychology Board of Australia (subject to meeting any additional requirements).
### Public Health

**Graduate Certificate in Public Health**
- **Trimester entry**: Feb, Jul
- **Years**: 0.5
- **Credit points**: 40
- **IELTS Academic**: 6.5
- **CRICOS**: 046442E
- **Annual fee**: $14,000

**Entry requirements**: Any bachelor degree or higher OR related diploma and relevant work experience OR relevant work experience.

**Master of Public Health**
- **Trimester entry**: Feb, Jul
- **Years**: 1 to 1.5
- **Credit points**: 120
- **IELTS Academic**: 6.5
- **CRICOS**: 002408D
- **Annual fee**: $28,000

**Entry requirements**: Related bachelor degree or higher.

### Master of International Public Health

**Entry requirements**: Related bachelor degree or higher.

**Graduates find employment**
- in a variety of career opportunities with state and federal health departments, in public health units/teams, community health, local government, and in academia.
- Public health graduates are also highly sought after by non-government organisation health agencies and international aid agencies.

**What you will study**
You will build knowledge and skills in the theory and practice of public health with a particular emphasis on international issues, settings and practice. The program utilises a socio-ecological model of public health that emphasises and analyses the important interactions between the social, biological, economic and environmental determinants of health.

As part of this program you will focus your studies by selecting from a range of electives in areas such as public health nutrition, health promotion, environmental health, international health and health services management. The program incorporates opportunities for field experience or placement with international public health organisations.

### Social Work

**Master of Social Work**
- **Trimester entry**: Jul, Nov
- **Years**: 2.5
- **Credit points**: 180
- **IELTS Academic**: 6.5
- **CRICOS**: 092427M
- **Annual fee**: $26,500

**Entry requirements**: Related bachelor degree (except social work) or higher.

**Pathway**:
- eligible to apply for registration with the Australian Association of Social Workers (subject to meeting any additional requirements).

### Speech Pathology

**Master of Speech Pathology**
- **Trimester entry**: Feb
- **Years**: 2
- **Credit points**: 160
- **IELTS Academic**: 7.0
- **CRICOS**: 076264C
- **Annual fee**: $39,500

**Entry requirements**: Any bachelor degree (except speech pathology) (5.0 GPA) or higher and interview.

**Graduates are**: eligible for membership of Speech Pathology Australia to practice as a fully accredited Speech Pathologist.

### Research degrees

**Health Research**

**Graduate Diploma of Health Research**
- **Trimester entry**: Feb, Jun
- **Years**: 1
- **Credit points**: 80
- **IELTS Academic**: 6.5
- **CRICOS**: 077647B
- **Annual fee**: $26,500

**Entry requirements**: Related Bachelor degree (5.0 GPA) or higher OR related masters degree or higher.

**Pathway**: to the Doctor of Philosophy or Master of Philosophy.

**Master of Medical Research**
- **Trimester entry**: Feb, Jul
- **Years**: 1 to 1.5
- **Credit points**: 120
- **IELTS Academic**: 6.5
- **CRICOS**: 086016C
- **Annual fee**: $27,500

**Entry requirements**: a related bachelor degree (medical science, biological science, pharmaceutical science or a related health discipline) (5.0 GPA).

**Pathway**: to doctoral research programs.

**Psychology**

**Doctor of Philosophy in Clinical Psychology**
- **Trimester entry**: Feb
- **Years**: 4
- **Credit points**: 340
- **IELTS Academic**: 7.0
- **CRICOS**: 0946351
- **Annual fee**: $29,000

**Graduates are**: eligible to qualify for membership of the Australian Psychological Society (APS) and for associate membership of the College of Clinical Psychologists of the Australian Psychological Society (APS).

**Doctor of Philosophy in Organisational Psychology**
- **Trimester entry**: Feb
- **Years**: 4
- **Credit points**: 340
- **IELTS Academic**: 7.0
- **CRICOS**: 094636G
- **Annual fee**: $29,000

**Graduates are**: eligible for registration as a psychologist with the Psychology Board of Australia (subject to meeting any additional requirements).

### Higher Degrees by Research

**Doctor of Philosophy**
- **Trimester entry**: Feb, Apr, Jul, Oct
- **Years**: 2 to 4
- **Credit points**: 320
- **IELTS Academic**: 6.5
- **CRICOS**: 062208F
- **Annual fee**: Variable

**Master of Philosophy**
- **Trimester entry**: Feb, Apr, Jul, Oct
- **Years**: 2
- **Credit points**: 160
- **IELTS Academic**: 6.5
- **CRICOS**: 005100M
- **Annual fee**: Variable

*Higher Degrees by Research have four intakes per year*

*The application schedule is available at: PhD degrees.griffith.edu.au/Program/6001/HowToApply/International, MPhil degrees.griffith.edu.au/Program/5001/HowToApply/International*

*Refer to degrees.griffith.edu.au for detailed fee information.*
Music

At the Queensland Conservatorium, one of Australia’s leading music schools, you will learn in modern spaces from award-winning teachers.

Ranked #46 in the world
for Performing Arts in the QS World University Subject Rankings 2017.

Educators from around the world
Learn from music educators and international specialists who trained in Moscow, Brussels and Paris.

Innovative research in music
Over 20 staff are involved in more than 30 projects with 90 research students.

Benefit from our global connections
Griffith has strong alliances with national institutions including the Australian National Academy of Music as well as international collaborations with London’s prestigious Guildhall School of Music and Drama, McGill University in Montreal and Sibelius Academy in Helsinki.

The best facilities make the best music
The Queensland Conservatorium at South Bank is acoustically and architecturally outstanding. At the Gold Coast campus, where the Popular Music program is taught, there are six recording studios, four control rooms, a MIDI laboratory, and audio-visual post-production studios.

“Music inspires me. I really have this firm belief that music can change the world.”

Associate Professor Brydie-Leigh Bartleet
Director, Queensland Conservatorium Research Centre
Australian University Teacher of the Year 2014

#### Music

**Bachelor of Music**

**What you will study**
As a Bachelor of Music graduate, you will be highly skilled, musically adaptable and equipped to enter professional life as a creative and flexible 21st century musician. Your educational experience will include exposure to diverse musical styles and idioms including classical, contemporary and world music. You will also learn the broadly accepted musical skills of aural awareness training, music theory, music literature and ensemble work appropriate to your field of study.

**Audition**
As part of your application you will need to submit a good quality audition recording on DVD, dated and certified as being an unedited performance by the applicant and signed by the person in charge of the recording session OR a folio of work (composition applicants).

**Majors**
Classical Music; Composition; Instrumental Music; Jazz; Music Studies; Music Teaching and Education; Opera and Voice; Pedagogy; Performance (brass, classical voice, guitar, jazz, keyboard, percussion, strings, woodwind).

**Grades find employment**
as an instrumentalist, composer or vocalist. Graduates have a clear understanding of what is required by instrumental and vocal ensembles and companies, orchestras, theatre, media, the entertainment industry and community arts.

**Bachelor of Music Technology**

**Audition requirements**: a folio of work. griffith.edu.au/music-audition

**Bachelor of Popular Music**

**Audition requirements**: folio of work on CD and an instrumental or vocal performance on DVD. griffith.edu.au/music-audition

**Major(s)**: Music industry, Music sound and vision, Performance.

#### Performing Arts

**Bachelor of Musical Theatre**

**Audition requirements**: Curriculum Vitae (CV) including recent practical examinations; current singing, dance, or acting teachers, previous tertiary study, school reports for the last three semesters, personal statement AND photo. Successful applicants must attend a live audition.

---

Learn in state-of-the-art performance facilities from award winning professors and industry experts who are focused on preparing you for life as a musician.
Science and aviation

We offer a range of science degrees – from chemical to forensic, physical to biomedical – as well as our highly recognised aviation program.

Opportunities to join professional bodies
Graduates from select degrees will be eligible for membership with professional bodies.

Strong future career prospects
You will gain hands-on experience with local and international industry partners.

Leaders in aviation
We have 20 years of experience producing qualified graduates for the international aviation industry.

World leading research centres
Griffith has faculty and staff from incredible centres that are involved in teaching and mentoring students including: Griffith Institute for Drug Discovery, Centre for Quantum Dynamics, Queensland Micro- and Nanotechnology Centre, Institute for Glycomics, Australian Rivers Institute, and Environmental Futures Research Institute.

Aviation qualifications for a diverse career
With our innovative approach to aviation education, we have gained an international reputation for producing qualified graduates in demand by the aviation industry. Aviation graduates work in many different roles for air transport operators, airlines, airports and air transport regulators around the world.

“The students we train are doing research that has global impact. That training will allow them to go anywhere in the world.”

Professor Mark von Itzstein
Executive Director, Institute for Glycomics

#### Aviation

**Bachelor of Aviation**
- 4 years full-time equivalent offered over 2 years.
- **Double degree option(s):** Engineering (Honours).
- **Graduate are:** able to work in the aviation industry as a commercial pilot if this degree is combined with self-funded flight training to obtain a commercial pilot licence.

**Bachelor of Aviation Management**
- 5 years full-time equivalent offered over 2 years or 1.5 years full-time (professional entry).

**What will you study**
- This degree will help you start your career in aviation management and thrive in the constantly changing aviation environment.
- You will study courses that directly relate to job functions in the aviation industry. In your final year, you will have the opportunity to undertake a short research project, which allows you to make a valuable contribution to an area in the aviation industry that interests you and can be sponsored by an organisation or individual within the aviation industry.

**Graduates find employment**
- As a graduate, you will be prepared for employment in aviation management. You will also be able to apply your management skills to many areas of the aviation industry, including airlines, air traffic service providers, maintenance and repair organisations, and government organisations, such as the Australian Defence Force and the Civil Aviation Safety Authority (CASA).

**Our graduates have been successful in gaining a range of positions with organisations such as Cathay Pacific, Emirates, Etihad, Jetstar, Qantas and Regional Express as well as Airservices Australia and CASA.**

#### Science

**Bachelor of Biomedical Science**
- 4 years full-time, equivalent offered over 3 years.

**Bachelor of Biomedical Science (Honours)**
- 4 years full-time equivalent offered over 3 years.

**What you will study**
- In this degree, you will explore science in real life and receive training in handling criminal casework in forensic biology and biochemistry.
- You will develop in-depth knowledge of new forensic analysis methods and innovations, and gain valuable experience from real casework. You will practice presenting expert evidence in moot courts. You will learn from academic staff who have been called to work on projects such as the forensic identification of victims of the Asian tsunami and the Bali bombings, and who provide expert evidence in Australian courts.

**Majors**
- Forensic Chemistry, Forensic Molecular Biology.

**Double degree option(s)**
- Combine Forensic Science with: Bachelor of Criminology and Criminal Justice.

**Graduates find employment**
- As a DNA expert, a forensic molecular biologist, forensic chemist or forensic toxicologist and as an acknowledged expert in these or a variety of other roles within the criminal justice system.
- in areas such as molecular biology, analytical chemistry and biomedical science.

**Our forensic science programs are the only ones of their type offered in Queensland.**

**Bachelor of Science**
- 3 years full-time equivalent offered over 2 years.

**What you will study**
- You will gain specialised skills and practical knowledge for a professional career in the biological, clinical, chemical, physical and mathematical sciences.
- In your first year, you will study core science courses. From your second year onwards, you will choose a major that suits your interests and career plans. You can undertake laboratory work in state-of-the-art facilities or fieldwork, depending on the major you choose. In your final year, you can participate in industry internships to gain employment-relevant experience.
- You will have access to experts from renowned research centres such as the Griffith Institute for Drug Discovery (GRID), the Centre for Quantum Dynamics, Queensland Micro- and Nanotechnology Centre, the Institute for Glycomics, the Australian Rivers Institute and the Environmental Futures Research Institute.

**Majors**
- Applied Mathematics (G, N), Biochemistry and Molecular Biology (G, N), Chemistry (G, N), Clinical Sciences (N), Geography (G, N), Marine Biology (G, N), Microbiology (Nathan), Physics (G, N), Wildlife Biology (G, N).

**Double degree option(s)**

**Graduates find employment**
- in biological, chemical and clinical sciences as a biochemist; biotechnologist; chemist; microbiologist and pharmaceutical scientist; marine or wildlife biologist; in physics and maths as a mathematician; or physicist. Further study can lead to positions as a science journalist or science teacher.

**Our unique approach to technical training means that no matter which major you choose, you will graduate with superior practical skills and complete a capstone experience in your final year.**

**Bachelor of Science Advanced (Honours)**
- 4 years full-time, equivalent offered over 3 years.

**Professor Michael Good**

Institute for Glycomics, Principal Research Leader

remarkablegriffith.com.au
Visual and creative arts

At the Queensland College of Art and Griffith Film School, you will be inspired by amazing teachers, classmates and collaborative spaces.

 Ranked in the top 100 in the world
 for Art and Design in the QS World University Subject Rankings 2017.

 Australia’s largest film school
 Learn in world-class facilities.

 Learn from practising artists
 Our lecturers regularly hold exhibitions and are representatives on industry boards.

Ignite your imagination
Wherever your creativity lies, you will develop it further at the Queensland College of Art. Choose from design, fine art, photography, digital media, and more. At Griffith Film School, the largest film school in Australia, you can study film and screen media production, animation and games design.

Push boundaries
Learn from and be inspired by people who are already pushing the boundaries in visual and creative arts. Develop the skills and confidence to practise your craft anywhere in the world.

“Coming to university here has definitely helped me network with people from around the world, which I think is a great advantage.”

Søren Hornum
Bachelor of Design (Honours) graduate
## Undergraduate degrees

### Animation

**Bachelor of Animation**  
Portfolio requirements: Creative work from the previous two years and a short animated film project proposal.  
**Major(s):** Animating, Art direction, Technical direction.  
**Trimester entry:** Feb, Jul  
**Years:** 3  
**Credits:** 240  
**EFTS:** 6.5  
**Annual fee:** $28,000  
**CRICOS Code:** 011449J

### Design

**Bachelor of Design**  
What you will study  
This program prepares graduates for diverse professional practice as designers through practical and theoretical learning. The first year focuses on the development of manual and technological skills, design thinking, problem-defining and solving. Students will gain an understanding of the changing role of design and how they can become leaders in the industry. In the following years, students work on industry-related research projects and specialise in selected studio areas.  
**Majors**  
Interior Design and Environments; Graphic and Communication Design; Product and 3D Design; Visualisation Design  
**Double degree option(s)**  
Combine Design with: Business, Recognition/Accreditation  
The Bachelor of Design is recognised by the Design Institute of Australia.  
**Graduates find employment**  
in: graphic design, interior design, product design, digital web design, design management, design education, film and television, theatre, furniture design, and digital media.  
**Pathway option(s)**  
- Diploma of Design  
  • For more information see page 21.

### Film and Screen

**Film and Screen Media Production**  
Portfolio requirements: Creative work from the previous two years, a description of your role in creative works, description of a film project you would like to undertake while studying (100 words) and any film societies, groups or organisations you belong to.  
**Trimester entry:** Feb, Jul  
**Years:** 3  
**Credits:** 240  
**EFTS:** 6.5  
**Annual fee:** $28,000  
**CRICOS Code:** 058710B

### Fine Art

**Bachelor of Fine Art**  
**Major(s):** Expanded Practice, Photographic Art Practice, Studio Art.  
**Double degree option(s):** Business.  
**Pathway option(s):** a portfolio of up to 15 images, including full details of work (title, date, medium, brief explanation).  
**Trimester entry:** Feb  
**Years:** 3  
**Credits:** 240  
**EFTS:** 6.5  
**Annual fee:** $28,000  
**CRICOS Code:** 062847F

### Games Design

**Bachelor of Games Design**  
**Major(s):** Animating, Art Direction, Computer Generated Imagery, Game Audio, Player Experience.  
**Double degree option(s):** Business.  
**Pathway option(s):** a portfolio of up to 15 images, including full details of work (title, date, medium, brief explanation).  
**Trimester entry:** Feb  
**Years:** 3  
**Credits:** 240  
**EFTS:** 6.5  
**Annual fee:** $28,000  
**CRICOS Code:** 061452M

### Interactive Media

**Bachelor of Creative and Interactive Media**  
What you will study  
This program prepares graduates for practical engagement with contemporary digital media, responding to shifts from the world’s leading design and technology companies and arts institutions that are now seeking practitioners with high-level creative and digital technology skills. Students develop a unique set of skills in design methods, electronic media, computation, and critical thinking. They combine these skills to produce imaginative concepts, functioning prototypes, digital audio-visual artefacts, and technically mediated interaction designs for everyday life.  
**Majors**  
Digital arts and design; Media applications.  
**Double degree option(s)**  
Combine Creative and Interactive Media with: Business.  
**Graduates find employment**  
in: small to large commercial enterprises, the games sector, government, and independent start-ups.  
**Pathway option(s)**  
- Diploma of Design  
  • For more information see page 21.

### Photography

**Bachelor of Photography**  
**Major(s):** Documentary Photography, Photographic Art Practice, Photography, Fashion and Commerce.  
**Double degree option(s):** Business.  
**Trimester entry:** Feb  
**Years:** 3  
**Credits:** 240  
**EFTS:** 6.5  
**Annual fee:** $28,000  
**CRICOS Code:** 011454A

## Postgraduate degrees

### Design

**Graduate Certificate of Design Futures**  
**Entry requirements:** Any bachelor degree or higher OR relevant work experience.  
**Trimester entry:** Feb  
**Years:** 0.5  
**Credits:** 40  
**EFTS:** 6.5  
**Annual fee:** $15,000  
**CRICOS Code:** 062632K

**Master of Design Futures**  
**Entry requirements:** Any bachelor degree or higher.  
**Trimester entry:** Feb, Jul  
**Years:** 1 to 2  
**Credits:** 160  
**EFTS:** 6.5  
**Annual fee:** $30,000  
**CRICOS Code:** 083106C
Postgraduate degrees

**Film and Screen**
Graduate Certificate in Screen Production
Entry requirements: Non-related bachelor degree or higher and portfolio or portfolio.
Portfolio requirements: A compilation of 1 or more films, videos, animations, or games on which you have worked, including a statement of your involvement if you are submitting group work.

Master of Screen Production
Entry requirements: Related bachelor degree or higher and portfolio.
Portfolio requirements: A compilation of 1 or more films, videos, animations, or games on which you have worked, including a statement of your involvement if you are submitting group work.

**Interactive Media**
Graduate Certificate in Interactive Media
Entry requirements: Any bachelor degree or higher OR relevant work experience.

Master of Interactive Media
Entry requirements: Any bachelor degree or higher.

**Visual Arts**
Graduate Certificate in Visual Arts
Entry requirements: Any bachelor degree or higher or relevant work experience.

Master of Arts in Visual Arts
Entry requirements: Any bachelor degree or higher.
Portfolio requirements: Creative portfolio of up to 20 images, including titles and descriptions of work and a project proposal.

**Research degrees**
Research Studies
Graduate Diploma of Visual Arts Research Studies
Entry requirements: Related bachelor degree or higher (5.0 GPA).
Pathway: to the Doctor of Philosophy or Master of Philosophy.

Master of Arts in Visual Arts
Entry requirements: Any bachelor degree or higher.

Doctor of Visual Arts
Entry requirements: Any bachelor degree or higher.

**Higher Degrees by Research**
Doctor of Philosophy
Entry requirements: Any bachelor degree or higher.

Master of Philosophy
Entry requirements: Any bachelor degree or higher.

*Higher Degrees by Research have four intakes per year.*

The application schedule is available at: PhD: degrees.griffith.edu.au/Program/6001/HowToApply/International, MPhil: degrees.griffith.edu.au/Program/5001/HowToApply/International

*Refer to degrees.griffith.edu.au for detailed fee information.*

**Troy Baverstock**
Design student, Bachelor of Digital Media

**FUNCTIONALITY DOESN’T HAVE TO BE BORING**
remarkablegriffith.com.au
OR successful completion of a recognised pre-tertiary or foundation program OR successful completion of one year study at a recognised tertiary or higher education institution is required in addition to the completion of High School studies.
OR successful completion of a recognised pre-tertiary or foundation program OR successful completion of one year study at a recognised tertiary or higher education institution is required in addition to the completion of High School studies.
How to apply

Applying to study at Griffith is easy. With applications open all year round, you can quickly complete your application in 6 simple steps.

Visit: griffith.edu.au/apply/international

Step 1
Choose the degree you want to study.
Find the degree which meets your career and study goals at griffith.edu.au/international-study

Step 2
Check you meet entry requirements.
Consider a pathway option if you don't meet direct entry requirements (see page 18).

Step 3
Check if you are eligible for credit.
If you have existing formal qualifications or relevant work experience, you may be eligible to receive credit, which will reduce the duration of your study. griffith.edu.au/credit

Step 4
Prepare supporting documentation.
Include certified copies of your academic and English test results (translated into English if applicable) plus a portfolio or audition if relevant to your degree.

Step 5
Apply online.
Apply online or via a registered recruitment representative. griffith.edu.au/apply/international
If you are currently studying at an Australian high school you may apply through QTAC or UAC.

Step 6
Accept your offer.
You must return evidence of meeting any outstanding conditions in your Letter of Offer, formally accept your offer and pay your total deposit fee.

Application dates

We recommend that you apply by:
• 31 January (to start in Trimester 1)
• 3 June (to start in Trimester 2)
• 30 September (to start in Trimester 3).
You must allow enough time for your visa application to be processed to enable you to arrive in time for Orientation. Some degrees have different application closing dates. Check if this applies to your degree at degrees.griffith.edu.au

After you accept your offer

Once you have accepted your offer you will receive an electronic Confirmation of Enrolment (eCOE) which you will need when you apply for a student visa. Visit griffith.edu.au/international/prepare-for-university for useful information about life in Australia including:
• Accommodation
• Griffith support services
• Orientation
• Public transport
• Moving to Australia with a family.
How to use this guide

The following information will help you understand how to read this Guide.

### Campus symbols

- **N** Nathan
- **G** Gold Coast
- **M** Mt Gravatt
- **O** Online
- **S** South Bank
- **E** External

If you enrol in an online or external degree, you are not eligible for an Australian student visa. Online and external degrees can be studied part-time.

### Credit points

Credit Point (CP) refers to the value of a course. Generally, one course is worth 10 credit points.

This may differ depending on your area of study. This Guide contains the total number of credit points each degree is worth.

### Duration

Unless stated otherwise, all degree durations (years) are for full-time study. For most programs, full-time study is 80 CP per year (or 40 CP per trimester).

You must study full-time on campus to be eligible for a student visa.

### Pathways

Degrees with this symbol have a Griffith College diploma as an academic pathway. Find out more on page 21.

### Honours

Degrees with this symbol have one optional year of honours research.

Students can apply for an honours year upon completion of their bachelor degree.

### Tuition fees

2018 indicative full-time fees are calculated on the basis of 80 CP of study (2 trimesters full-time).

Tuition fees are in Australian dollars and increase annually. For more information see page 13.

### Grade Point Average (GPA)

Your grade point average (GPA) is the measure used for academic achievement at Griffith University.

Your GPA is calculated using your academic grades and the credit point value of the courses you have completed.

You can calculate your GPA using the method shown in the Calculation of Grade Point Average policy.

[griffith.edu.au/students/exams-assessment](griffith.edu.au/students/exams-assessment)

### Undergraduate academic entry scale

- **Standard – S**
  - Higher - H1, H2, H3, H4, H5, H6
  - (H1 = lowest, H6 = highest)

A list of many country’s equivalent qualifications can be found on pages 62–63. It is also available in the ‘How to Apply’ tab for each degree on [degrees.griffith.edu.au](degrees.griffith.edu.au).

### Postgraduate academic entry scale

- **A** – any bachelor degree (or equivalent) from a recognised university.
- **R** – a related bachelor degree (or equivalent) from a recognised university.
- **O** – a combination of other academic entry requirements.

Some degrees have additional academic entry requirements, including specific GPAs and work experience. Please check the academic entry requirements for your degree at [degrees.griffith.edu.au](degrees.griffith.edu.au)

### English language entry requirements

All Griffith degrees have English language entry requirements. You can check the minimum overall IELTS score for your degree in the program pages of the Guide.

Below is a list of other tests we accept, and the corresponding results, based on our most common IELTS score:

- A minimum overall band score of 6.5 on IELTS (Academic) (no sub-score less than 6.0) **OR**
- A minimum score of 575 on TOEFL **OR**
- An internet-based (IBT) TOEFL score of 79 (no sub-score less than 19) **OR**
- No score less than 3+ in each skill of the ISLPR (conducted by ISLPR Language Services only) **OR**
- A minimum grade of C on the Cambridge Certificate in Advanced English (CAE) **OR**
- A minimum grade of C on the Cambridge Certificate of Proficiency in English (CPE) **OR**
- An overall score of 58 in the Pearson Test of English (Academic) with no score less than 50.

Griffith University does not accept English language test results that are more than two years old.

Some degrees have higher English language requirements. Visit [degrees.griffith.edu.au](degrees.griffith.edu.au)
