

## Excellence | Integrity | Innovation | Reciprocity | Inclusion

### Streamline access to knowledge

- Support students with Open Educational Resources and 100% online readings.
- Ensure respectful access to Indigenous materials, languages, and knowledge.
- Embed inclusive design to ensure equitable access, usability, and participation for all.

### Empower learners and researchers

- Strengthen student academic integrity, digital literacy, and artificial intelligence confidence and capability.
- Champion researchers with Read and Publish Agreements and Open Access.
- Deliver high impact workshops and consultations to strengthen student learning.

### Enhance library experiences

- Provide safe and welcoming Library physical and digital spaces.
- Contribute high quality support and self-service through our online resources and in-person services.
- Build connections with peer-led learning through centralised study support services.

### Connect ideas to impact

- Enhance research discoverability and impact through GRO and Creative Works and expanding Griffith Archive to preserve the University's history.
- Develop a new Griffith Library space and service within the Brisbane City (CBD) campus.
- Commit to supporting inclusive, equitable and quality education through the Sustainable Development Goals.

### Collaborate with purpose

- Partner with Griffith students, staff and community to support research, learning and teaching, in Griffith Pathway Programs and Online Strategy.
- Invigorate Library culture and professional development.
- Participate actively in professional networks and organisations.
