REFEREE RATINGS

The applicant has nominated you as referee to support an application for a Doctor of Philosophy (Clinical Psychology) program at Griffith University. Please complete the ratings below (✓) with reference to the typical honours graduate. An "average" rating is considered to be a good candidate. Please use the full scale in making your ratings and outline how the candidate warrants a rating of above average or excellent, where relevant.

Confidential: The University seeks this report from you in confidence; however, under the Freedom of Information Act 1992 the applicant may seek disclosure of the report under the 'personal information' provisions of the Act. An Appeal to the (external) Information Commissioner for the access to the report may result in the University being directed to release the information.
