

Social Work

Social workers can assist when a person's health is impacted by social, emotional, family and environmental factors.

We offer a supportive information provision and case management service available to assist a person with:

- Practical support
- Provision of information and referral pathways
- Adapting to social changes
- Housing needs
- Adjustment to diagnosis, disability, chronic pain and illness
- Barriers to health and recovery
- Social isolation
- Family and carer issues
- Mental health related issues
- Grief and loss

We can provide practical support and help ease some of the stress that a person may be experiencing in the following areas:

- Advocacy in housing and income support needs
- Coordination in service provision
- Help with accessing transport options
- Assistance with completing complex paperwork
- Letter of support

Individual clinic appointments

The Social Work service is provided at no charge to the user.

Telehealth appointments are available.

Book an appointment

We're open Monday to Friday between 8am and 5pm, and other times by special appointment.

Getting to the clinics

Centrally located on the Gold coast, the Griffith Health clinics are conveniently located with free parking onsite or catch the G:link to Griffith University Hospital Stop.

From the tram station, walk up the steps and head towards the health building (G40), where our clinic is located on level 4. They are accessible by escalators and lifts.

If driving, you'll find limited free on-site parking at the end of Health Drive. Alternatively, there is a multistorey carpark close to the hospital, where parking fees apply.
