Course Admission Information Set

Semester 1, 2017

GRIFFITH UNIVERSITY

Griffith University is committed to providing transparent and clear admissions advice to applicants. This guide provides a summary of the OP/selection rank profile for a course (where offers were made wholly or partly on the basis of OP/selection rank) for offers made for Semester 1, 2017 admission as well as the student profile of all students enrolled in a course as at the census date for Semester 1, 2017.

COMMON TERMINOLOGY

OVERALL POSITION (OP)

An OP is a student's position in a state wide rank order based on their overall achievement in Authority subjects. It indicates how well a student has done in comparison to all other OP-eligible students in Queensland and is used for tertiary entrance purposes only. Students are placed in 1 of 25 OP bands from OP1 (highest) to OP25 (lowest). For more information see the QTAC website.

SELECTION RANK

A selection rank is a numerical score between 1 and 99 (99 is the highest), used to compare different qualifications on the same scale for the purpose of tertiary entrance. For more information see the QTAC website.

ADJUSTMENT FACTORS

Considerations such as equity or subject 'bonus points' or lowered OP thresholds that may be taken into account to adjust the effective selection rank of an applicant. The availability and parameters of any such adjustments are determined by institutions themselves and may vary from provider to provider.

75TH PERCENTILE / THIRD QUARTILE

This represents the OP scores of the highest 25% of offers made from the lowest 75%. This means that about 75% of the offers in the data set lie below this number and about 25% lie above.

25TH PERCENTILE / FIRST QUARTILE

This represents the OP scores of the lowest 25% of offers made from the highest 75%. This means that about 25% of the offers in the data set lie below this number and about 75% lie above.

OP AND SELECTION RANK PROFILE

These tables provide the OP/selection rank (OP/rank) profile for places offered wholly or partly on the basis of OP/selection rank for semester 1, 2017 admission.

STUDENT PROFILE
