

Translating Documents

Any document in a language other than English must be accompanied by a certified English translation. You can provide translated documents from:

- A Nurse, Doctor or Medical Academic
- [Free Translating Service](#)
- [The Department of Immigration and Border Protection](#)
- [National Accreditation Authority for Translators and Interpreters](#)
- [Gold Coast Translation Service](#)

Documents certified by a Nurse, Doctor or Academic must have their full name and Qualification/Registration number. Documents cannot be translated by a family member.
