

Making the most of your preferences

Bachelor of Animation

To make the most of your preferences it is important to include pathways or related programs as options.

If you are interested in a career in Animation the most direct route is via the Bachelor of Animation, however competition for limited places means that talented applicants miss out every year.

By studying another program for one year and achieving a high GPA, you may increase your selection rank to be competitive for an offer into the Bachelor of Animation. This can be achieved through another program from any discipline, however recommended options include the Bachelor of Creative and Interactive Media, Bachelor of Games Design, and Bachelor of Fine Art.

Once you have completed a year of study in the alternate program, if you still wish to study the Bachelor of Animation, you can apply for an internal transfer.

Pathways to the Bachelor of Animation:

- ▶ Bachelor of Creative and Interactive Media
- ▶ Bachelor of Games Design
- ▶ Bachelor of Fine Art
- ▶ Another undergraduate program.

Admission via these programs is subject to meeting eligibility criteria.
