

Introduction

Experience@Griffith is an online system used to collect student feedback, which enables staff to improve course design and teaching practices. Course convenors can add up to three (3) additional questions to their Student Evaluation of Course (SEC) survey. Access the Experience@Griffith system via griffith.edu.au/experience or via the link received in emails.

Adding additional questions (SEC)

- 1 Under the 'Initiated surveys' tab, locate or search for your survey. Ensure all search filters except for course code are on 'any'. Click the edit icon.

5 Once you have added a question, it will appear under the SEC questions.

If you have added the wrong question or change your mind, you can delete it. You can add up to 3 additional 5-point questions to your SEC.

The screenshot shows the 'SEC Survey Questions' interface. At the top, there is a header 'SEC Survey Questions' with a minus sign. Below it, a table lists '5 points questions'. The table has columns for question number, question text, and five Likert scale options (SD, D, N, A, SA). To the right of each question is a 'Delete' button with a trash icon. The question 'I learned from collaborating with other students on assessment tasks (such as debate, discussion or review of draft papers)' is highlighted with a red circle, and its 'Delete' button is also circled in red. A red arrow points from the text above to this 'Delete' button. Below the table is a button labeled 'ADD 5 POINTS QUESTION' with a plus sign.

6 When you have added your questions, press save, enter a reason for saving and **press save again**.

The screenshot shows the save dialog box and the course settings page. In the save dialog, the 'Save' button with a green checkmark is circled in red, with a red arrow pointing to it from the text above. Below the dialog, the course settings page is shown. The page header includes the Griffith University logo. The course information is: Course CN/ID: [blank], Year: 2022, Term: 3221, Trimester 1 2022, Campus: GC, OU: [blank], Instr. mode: P - IN PERSON. The 'Settings' section shows: Classes: 3, Students: 21, Init templates: COR-7 + OU-0. The 'Open date' is 30-05-2022 and the 'Close date' is 15-06-2022.
