I STRIVE FOR

progress,

NOT PERFECTION

I can.
I will.

Recharge Week #WHATSONATGRIFFITH

The image features several thick, expressive black brushstrokes of varying lengths and curves scattered across a white background. The strokes have a textured, fibrous appearance, suggesting they were made with a dry brush or a similar tool. In the center of the composition, the words "Inhale, exhale." are written in a fluid, cursive script. The overall aesthetic is minimalist and evocative, likely intended for a wellness or meditation-themed project.

Inhale, exhale.
