

Accessing your Records and Vaccination Schedules

Australian Immunisation Handbook

Griffith Health recommends students are vaccinated in accordance with the recommendations of the current edition of the [Australian Immunisation Handbook](#). Various placements may have different immunisation requirements. Ensure that you are aware of what is required for your specific placement and refer to the handbook for more information about what each immunisation is for.

How to Demonstrate Compliance

You are responsible for all costs associated with meeting the immunisation and health requirements. The [Griffith University Health Service](#) medical centre provides vaccine and serology at a discounted cost.

Recommended Vaccination Schedule

Nurse Consultation	First Doctor Consult	4 weeks	16 weeks	20 weeks
Evidence of Hep B Vaccines & serology $\geq 10\text{IU/L}$	No.1 Hep B vaccine \$20	No.2 Hep B vaccine \$20	No.3 Hep B vaccine \$20	Hep B serology \$15.65
Evidence of Varicella Vaccines or positive serology	No.1 Varicella vaccine \$55	No.2 Varicella vaccine \$55	OR	Varicella serology \$15.65
Evidence of dTpa Vaccine within 10yrs	1 x dTpa vaccine \$35			
Evidence of 2 x MMR Vaccines or positive serology	No.1 MMR vaccine Free	No.2 MMR vaccine Free	OR	MMR serology \$42.35
Exposure Prone Procedure Form HIV & Hep C serology	Serology If Required HIV \$25.00 Hep C \$15.65			

You will need to provide the vaccine batch numbers. However if you have been vaccinated in the past and batch numbers were not recorded, a copy of a baby/immunisation booklet or letter from the GP outlining the dates of vaccination may be sufficient. The exception is:

- dTpa (adult diphtheria, tetanus and pertussis), for which serology result is not accepted (i.e. only evidence of dTpa vaccination is accepted).

Accessing Vaccination Records

If you have been vaccinated in the past (for example in school) but do not have records, you may be able to access records through:

My Gov

- Create your own Medicare online account via [myGov](#)

Australian Immunisation Register

- If born after January 1996, contact AIR on 1800 653 809

Express Plus Medicare Mobile Application

- [Express Plus mobile apps](#)

Other

- Baby Book
- Vaccine history from GP

Public Health Units

Queensland

- [Gold Coast Health Immunisation Records website](#)
- [School Vaccination History Request Form](#)
