* Where full members are able to commit more than .33 EFTR to a Centre, an explanation of how this will be achieved for these members must be explained.

** Each category of Research Centre requires a defined number of Full Members to have an international/national profile. Applicants should enter the type of research profile for each Full Member listed as either I for international, N for national or alternatively leave blank for members who have neither. Profile of None will be put in database if not advised on this form.

*** Defining members are members whose national/international reputation is reported in order to meet the EFTR requirement of each category of Centre, must be dedicated to one Centre.

On completion of this form, please forward the original, along with a copy of your most recent CV to:

**Administrative Coordinator
Environmental Futures Centre
G24_3.18
Gold Coast campus**

Following approval by the EFC Director, a copy will be forwarded to the Dean Research for approval and then the Office for Research to update their database accordingly.
