					Economics and Business	Geography	Science

CEO9: Managing our coastline & Coastal processes (Incursion & Excursion).

Foundation Years	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
					ACHEK002 Types of resources (natural, human, capital) and the ways societies use them in order to satisfy the needs and wants of present and future generations	**ACHES015** Apply economics and b usiness knowledge and skills in familiar situations
					ACHES007 Apply economics and b usiness knowledge and skills in familiar situations	**ACHGS043** Represent the location and features of places and different types of geographical information by constructing large-scale and small-scale maps that conform to cartographic conventions including border, source, scale, legend, title and north point, using spatial technologies as appropriate
					ACHGK028 The influence of the environment on the human characteristics of a place	**ACSHE100** Scientific understandings, discoveries and inventions are used to solve problems that directly affect peoples' lives

					ACHGS036	ACSHE220
					Represent the location and features of places and different types of geographical information by constructing large-scale and small-scale maps that conform to cartographic conventions, including border, source, scale, legend, title and north point, using spatial technologies as appropriate	Scientific knowledge is used to inform personal and community decisions
					ACHGS037	ACSIS105
					Interpret geographical data and other information, using digital and spatial technologies as appropriate, and identify spatial distributions, patterns and trends, and infer relationships to draw conclusions	Use equipment and materials safely, identifying potential risks
					ACSHE083	ACSIS107
					Scientific understandings, discoveries and inventions are used to solve problems that directly affect peoples' lives	Construct and use a range of representations, including tables and graphs, to represent and describe observations, patterns or relationships in data using digital technologies as appropriate
					ACSHE217	ACSIS110
					Scientific knowledge is used to inform personal and community decisions	Communicate ideas, explanations and processes in a variety of ways, including multi-modal texts

					ACSIS086 With guidance, plan appropriate investigation methods to answer questions or solve problems	
					ACSIS088 Use equipment and materials safely, identifying potential risks	
					ACSIS090 Construct and use a range of representations, including tables and graphs, to represent and describe observations, patterns or relationships in data using digital technologies as appropriate	
					ACSIS093 Communicate ideas, explanations and processes in a variety of ways, including multi-modal texts
