GriffithBUSINESS School Outreach Program

The GriffithBUSINESS School Outreach Program offers a unique opportunity for students interested in business to experience life at university and commence their journey towards post-secondary school education.

This important partnership between high schools and Griffith Business School aims to assist secondary school educators and enhance student learning.

Year 12 Program

Students currently studying a business subject, or with an interest in business as a career have the opportunity to experience university first-hand through our program designed for Year 12 students.

On-campus workshops

Complete two out of three workshops offered throughout the year on each campus

Online employability module

Using Griffith's online learning and teaching environment 'Learning@Griffith'

Completion certificate

Formally presented at a graduation ceremony on each campus

No cost to complete the program

Lunch provided

At each of the on-campus workshops

\$2,500 bursary

Available to select students to support commencement of a business degree

Find out more

For more information about program eligibility, 2019 workshops and the Transition Bursary, visit griffith.edu.au/business-outreach

Year 10 and 11 Ambassadors Program

On campus lectures and interactive workshop activities offer an insight into the world of business and business as a career.

Schools are invited to register students, who are eager to know more about business, to experience their first look at life as a university student.

A wide range of topics, across a number of disciplines, will be offered throughout the year. Participation certificates are presented to students at each workshop, attendance is free and lunch is provided.

Teacher Professional Development

To assist and acknowledge the valued work and commitment of secondary school educators, included in the 2019 program will be a series of professional development seminars and engagement opportunities offered both online and face to face.

GriffithBUSINESS Transition Bursary

All schools participating in the GriffithBUSINESS Year 12 Program are offered the opportunity to nominate one student to receive a \$2,500 bursary to support commencement of a Griffith Business School undergraduate degree.

In 2018 we were pleased to award over \$80,000 in bursaries to students who chose to pursue their business studies at Griffith.

Campus and school visits

Griffith Business School academic and professional staff are available to support secondary school staff and students, offering a range of presentations and interactive activities either on campus or in-school.

Careers in Commerce Experience Day

Year 10, 11 and 12 students are invited to attend the annual Griffith Business School Careers in Commerce Experience Day. Hands on sessions and panels offer students insight into the exciting career choices available to commerce graduates, featuring speakers who have forged successful careers in the diverse areas of accounting, business law, economics, finance and financial planning. There is no cost to attend and lunch is provided.
