FIND OUT HOW YOU CAN FUTURE-PROOF YOUR CAREER

'A STEM education, is essential for our young people to ensure they can take advantage of the new jobs and business opportunities arising from the rapid growth of this knowledge economy.'

Professor Paul Bertsch, Queensland Chief Scientist

The Griffith STEM Roadshow is for students, parents and teachers interested in learning more about the exciting career and study opportunities in science, technology, engineering and mathematics (STEM).

Hear from Griffith STEM researchers and lecturers about the range of STEM degrees and experiences offered at our Brisbane and Gold Coast campuses and receive advice on how to best position yourself in the future job market.
