

2019: Trimester 1 Pre-Approved Course List

Please note: Courses are subject to availability and can change before the start of any given trimester or during the first two weeks of trimester. Having approval does **NOT** guarantee your place in a course: courses may be cancelled prior to or after your arrival and/or courses may have a strict quota. During the first two weeks of classes you may be able to add and drop courses depending on availability. Please refer to the [Degree and Career Finder website](#) for further information and to ensure you have met course **pre-requisites and/or assumed knowledge**.

The listed undergraduate courses have pre-approval. If your course is **NOT** on this list, please nominate your course approval requests to inboundmobility@griffith.edu.au

Whilst these courses are pre-approved the **onus is on the student to ensure they meet the pre-requisites** and have the required background knowledge as listed online. For any course queries please email inboundmobility@griffith.edu.au
