Welcome

Welcome to the 2020 Griffith University International Student Guide.

As a former international student myself, I know that making the decision to study overseas is a big one. This Guide contains information to help you make the right choice about where and what to study. For nearly 50 years, Griffith has been helping students achieve academic success, and ensuring that all our graduates are well-supported and ready for their future careers. We are proud to host students from approximately 130 countries, and pride ourselves on providing a remarkable student experience. We recognise the importance of international rankings but, equally importantly, are committed to ensuring that you have the opportunity to learn from some of the best university teachers in Australia, in programs that have been designed with the future in mind.

With five campuses in South East Queensland, Griffith offers an amazing environment in which to live and study, as well as a world-class education.

Congratulations on taking this first step, and I hope that you will find what you are looking for in the pages of this Guide. Remember, too, that there is more information and detail about what Griffith has to offer at griffith.edu.au. Good luck with making your decision. Together with colleagues across the University, I hope we have the opportunity to welcome you to Griffith.

Professor Sarah Todd
Vice President (Global)
About Griffith

At Griffith, we believe in, strive for and celebrate the Remarkable. We rank among the world’s best universities and continue to improve our international standing. In the largest and most credible world university rankings, we are ranked in the top 350—placing us in the top 2% worldwide.

Ranked in the top 2% worldwide
Griffith ranks alongside some of the best universities in the world.*

Research that makes a difference
Benefit from our vibrant research culture and learn from researchers at the forefront of discovery.

- Communication and Media Studies
- Education
- Pharmacy and Pharmacology
Gold Coast

Beautiful beaches, an excellent quality of life and friendly people make the Gold Coast a popular study destination.

- Average temperature: 15°C – 25°C
- Population: More than 500,000
- 300 days of sunshine a year
- Spans nearly 60 km of coastline with some of the best beaches on the planet
- 100,000 hectares of World Heritage-listed rainforests
- Culturally diverse population: 28% of Gold Coast’s residents were born overseas

Life in Queensland

Find out about food, transport, places of worship, shopping, arts and entertainment, sport, and more at griffith.edu.au/life-at-griffith/off-campus
Brisbane

Brisbane is a vibrant, expanding city, offering world-class education, a beautiful climate and superb lifestyle. It is an ideal place to study and develop your career.

- Average temperature: 15°C – 26°C
- Population: 2.27 million
- 283 days of sunshine a year
- One of the world’s most liveable cities
- Culturally diverse population: 28% of Brisbane’s residents were born overseas
- State capital of Queensland
Our location

Our five campuses are located across the cities of Brisbane, Logan and Gold Coast. We have a growing digital campus for online study.

Logan campus
28.4km to Brisbane City
Car = 30 minutes
Bus = 1 hour

Digital campus
- study online
3rd largest and fastest growing Griffith campus
Delivered 100% online
Study anywhere, anytime

Build your career

Griffith University graduates are well equipped for the new world of work. We include real-life industry experiences in our degrees and have a great range of employability initiatives to help you be job-ready.

Work-integrated learning

Employers like to see experience from the real world on your resume. You can gain practical experience while you study, build your portfolio and develop networks through internships and industry placements. Many work-integrated learning opportunities will allow you to earn credit towards your degree.

Griffith Honours College

Griffith is the only university in Australia with an honours college. The Griffith Honours College is an extracurricular program that provides experiences to increase your employability and graduate opportunities. Many of these experiences are exclusive to Griffith Honours College students and will enable you to develop a global perspective while enhancing your leadership, communication, teamwork, research and industry skills.

griffith.edu.au/griffith-honours-college

Mentoring

Griffith’s range of mentoring programs will connect you locally and globally, allowing you to engage with students, alumni and industry professionals. Through our Industry Mentoring Program we find you a suitable mentor to support and guide your career development.

Community Internship

The Community Internship is a 10 credit point course, available to students in most degrees. Through this course you will be able to make a difference in a local community organisation while developing a range of professional and personal skills. You will spend a minimum of 50 hours in a volunteering placement and combine this with academic learning. With hundreds of internship opportunities, we can tailor the internship to match your study area or interests.

Leadership programs

Join one of our leadership programs, including the Griffith Business School Student Leadership Program, Griffith Honours College or Griffith Mates. You will receive formal recognition for participating in these programs and gain a range of experience and skills sought after by future employers.

Internships and industry placements

Gain industry experience, observe professionals and ask questions to become career ready. Griffith offers internship and industry networking opportunities in nearly all study areas.

Careers and Employment Service

Our Careers and Employment service supports you to plan your career, become job ready and find work while you study and after you graduate. Get help with resumes, cover letters, interview preparation and job search techniques to improve your employability and increase your chances of finding your dream job.

g riffith.edu.au/careers

Exchange and short-term programs

Participating in an overseas program as a part of your Griffith University degree is one of the best experiences you can have at university. You can spend as little as one week, or as long as one year in destinations around the world. We offer a trimester or year-long exchange program, as well as short-term options including global internships, volunteering, service learning, academic-led study tours, clinical placements and research practicums.

g riffith.edu.au/go-global

Find out more at griffith.edu.au/employability

‘There was so much of my Griffith degree that was directly applicable to my workplace. All the practical components of my degree, all the industry input and knowledge, all the opportunities to work directly with the industry, they are invaluable.’

Alana Scott
Bachelor of Environmental Engineering (Honours)
Did you know that you can work while you study in Australia? We have services dedicated to helping you find a part-time job while you study. See page 10 →

‘Volunteering at a nursing home has helped me develop workplace skills and has allowed me to easily connect with the seniors in the community. All these wonderful experiences couldn’t have been possible without Griffith University!’

Daniel Mak
Bachelor of Medical Science
Work while you study

In Australia you can work part-time while you study and Griffith has services to help you find a job.

Working while you study in Australia can complement your student experience.

Key facts about working in Australia:
- Student visa holders can work a maximum of 40 hours per fortnight (2 week period) during the teaching period, once classes have started.
- Student visa holders can work unlimited hours during scheduled university-wide teaching breaks.
- Australia has a high national minimum wage.
- Work rights in Australia mean you are entitled to a healthy and safe work environment, regular breaks and rest periods.

Careers and Employment Service

Our career development consultants help you to:
- understand your career options
- market yourself to prospective employers
- find suitable employment while studying.

We show you how to start professional networking and how to use social media as part of your job search. We also give the latest information on recruitment practices, including employment and career options relating to your degree. Our online support and resources will help you to write professional resumes, cover letters and LinkedIn profiles suitable for Australian employers.

You can search for job vacancies through the Griffith website at:
- Griffith’s CareerBoard
- Unitemps

You can also search for job vacancies on:
- seek.com.au
- careerone.com.au

Find out more at: griffith.edu.au/careers

‘The greatest thing about Australia is that I could work and study at the same time. A lot of countries don’t allow me to do that. In Australia they allow us to work 40 hours per fortnight.’

Dennis Kim
Bachelor of International Tourism and Hotel Management

Unitemps helps students apply for part-time work

Griffith was the first university in Australia to offer Unitemps, a service dedicated to helping you apply for paid part-time work while you study.

Unitemps is an in-house recruitment service that facilitates connections between Griffith students and employers who are offering temporary paid work opportunities. The Unitemps team is committed to helping you be the best candidate you can be, while identifying flexible, student-friendly job opportunities that can provide financial support while you study and enhance your employability upon graduation.

Find out more at: griffith.edu.au/careers-employment/unitemps
Scholarships

We provide excellent scholarship opportunities for our international students.

We offer an exciting and generous range of scholarships to support international students coming to study in our undergraduate, postgraduate, research and pathway programs. Our scholarships recognise remarkable students and their potential to make a positive contribution to Griffith and our community.

Griffith University supports outstanding international students with a range of scholarships, including:

- excellence scholarships for undergraduate and postgraduate students
- scholarships for family members of current international students and alumni
- discipline-specific scholarships for selected programs
- higher degree by research scholarships

Scholarships are also awarded to the top graduate of the Griffith English Language Institute Direct Entry Program and the top Griffith College Diploma graduate for each session.

For more information visit: griffith.edu.au/international-scholarships

Australia Awards Scholarships

At Griffith, we host and support a diverse community of Australia Awards scholars. The prestigious Australia Awards Scholarships, funded by the Australian Government’s Department of Foreign Affairs and Trade (DFAT), offer next-generation leaders from across the world an opportunity to undertake study and research in Australia. The scholarships aim to help developing countries reduce poverty, achieve sustainable development and increase access to quality education.

Endeavour Scholarships

The Endeavour Leadership Program offers outstanding opportunities to international students to undertake study, research or professional development in Australia. Griffith is proud to host Endeavour Leadership program awardees in a range of disciplines.

‘Griffith University helps me in achieving my dream. The scholarships and learning process at Griffith changed my life. I met people with different backgrounds and expertise at Griffith, and thus I learned many things from them. Studying at Griffith has been a mind-opening experience for me, as well as shaping me to be a wise researcher and academic that contributes to the better world.’

Maria Dharmesti
PhD in Marketing
Griffith University International Postgraduate Research Scholarship (GUIPRS) and Griffith University Postgraduate Research Scholarship (GUPRS) recipient

We provide excellent scholarship opportunities for our international students.

Vice President (Global), Professor Sarah Todd, and colleagues with some of our previous international student scholarship recipients.
Accommodation

Whether you would like to live on-campus or off-campus, there are a number of options you can explore to find housing to suit your needs. You can also choose homestay and live with a local Australian family while you study.

Off-campus

In Australia, share housing – where you share a house or apartment with a number of other students – is the most common form of off-campus accommodation.

When looking for suitable off-campus accommodation you will need to consider:
- the cost of rent (usually advertised weekly)
- if utilities are included in your rent (electricity, water, gas)
- if internet is included in your rent
- if the accommodation is furnished
- how close the accommodation is to your campus
- access to public transport.

g riffith.edu.au/international-accommodation

Temporary accommodation:

We recommend you organise temporary accommodation for your first few days or weeks in Queensland, as it is important that you inspect your long-term off-campus accommodation before you move in.

Temporary on-campus accommodation is available at Mt Gravatt, Nathan and South Bank campuses.

g riffith.edu.au/international-accommodation

Student One

Student One is our preferred supplier for off-campus student accommodation in Brisbane. Student One is located within the heart of the Brisbane City and provides high quality, flexible accommodation options.

st udentone.com

Homestay

Homestay accommodation gives you the option of living with an Australian family while you study. Homestay is available to students at all Griffith campuses. Homestay is a great way to develop your English language skills and experience life in Australia and offers catered and self-catered options.

g riffith.edu.au/homestay

Off-campus accommodation:

You may wish to organise your long-term off-campus accommodation after you arrive in Australia, to ensure you are choosing a suitable living and study environment.

Off-campus accommodation websites:
- realestate.com.au
- domain.com.au
- flatmates.com.au
- studentaccommodationfinder.com.au
- semesterinaustralia.com
- bedssi.com
- studybrisbane.com.au
- studygoldcoast.org.au

On-campus

On-campus accommodation is available at all campuses except South Bank. Living on campus is a fantastic way to meet new people, find out about new cultures, and develop independence. On-campus accommodation is usually fully furnished and provides access to laundry facilities, gym equipment, common rooms, internet and organised student activities.

- Self-catered: Gold Coast, Nathan, Mt Gravatt and Logan campuses
- Postgraduate self-catered: Nathan and Mt Gravatt campuses
- griffith.edu.au/accommodation/on-campus

UniCentral Griffith

UniCentral Griffith is our preferred supplier of on-campus accommodation at the Logan campus. It is located only 5 minutes’ walk from the Griffith University Logan campus.

ucg.net.au

Griffith University Village

Griffith University Village (GUV) is our preferred supplier for on-campus accommodation at the Gold Coast campus, providing a range of self-catered accommodation options.

g riffithuvv.com.au
Cost of living

South East Queensland is an affordable and friendly place to study and offers a combination of quality education and high living standards.

The cost of living in South East Queensland is considered more affordable than other major Australian cities such as Sydney and Melbourne*.

The Australian Government requires students to have access to a minimum of A$20,290 (Australian dollars) per year to meet their living costs.

*In the QS Best Student Cities 2018 rankings, Brisbane and the Gold Coast are ahead of Sydney and Melbourne in the Affordability Rank.

Calculating your total cost of study

Your total cost of studying in Australia will include:

• tuition fees
• visa application fees
• Overseas Student Health Cover (OSHC)
• flights
• cost of living
• other personal and study-related expenses.

Your student experience

Meet new people, make friends, enjoy the Australian lifestyle and, most importantly, have fun! We want you to have the best possible experience with your studies and enjoy your time at Griffith.

**Sport and fitness**

Griffith offers a variety of sporting facilities and competitions.
- Join Griffith Sport for social sport competitions.
- Enjoy discount student memberships for facilities including:
  - on-campus gyms
  - athletics track – Gold Coast
  - Mt Gravatt Tennis Centre
  - swimming pools at Mt Gravatt and Gold Coast campuses.

[griffith.edu.au/sport](http://griffith.edu.au/sport)

**Griffith volunteer community**

**Griffith Bush Care group**
*(Brisbane campuses)*

Help restore the Australian bush environment and, if you are lucky, see koalas, possums, and sugar gliders. Join us to develop your teamwork skills, learn more about the environment and meet new people.

**Griffith Beach Care group**
*(Gold Coast campus)*

Help restore and care for our beautiful coastal environments with the Griffith Beach Care group. This is a great way to give back to the environment, meet new people and enjoy the beaches of the Gold Coast.

[griffith.edu.au/mates](http://griffith.edu.au/mates)

**Orientation**

Once you are ready to enrol in your first trimester you will be sent a link to myOrientation, an online orientation that will provide you with key information to prepare you for study and life at Griffith. Orientation Week is when you get to know Griffith, connect with your key support network and have fun meeting people before you start classes.
- Find out about studying and living in Australia at the compulsory International Student Welcome and Orientation Day.
- Discover Brisbane or Gold Coast highlights on a free Twilight City Walking Tour with the Griffith Mates.
- Enjoy free food and activities at your campus.

[griffith.edu.au/orientation](http://griffith.edu.au/orientation)

**Religion**

Each Griffith campus provides access to prayer facilities as well as multi-faith chaplains.

[griffith.edu.au/chaplaincy](http://griffith.edu.au/chaplaincy)

**Clubs and societies**

Griffith has over 120 clubs in cultural, religious, political, educational, sporting, professional and special interest areas.
There are also international student clubs, societies and associations, including: Africa, Bangladesh, China, Philippines, India, Indonesia, Iraq, Japan, Korea, Latin America, Malaysia, Pakistan, Papua New Guinea, Singapore, Sri Lanka, Thailand, and Vietnam.

**International Student Buddy Program**

The International Student Buddy Program runs from Week 1 to Week 4 of trimester with two drop-in style ‘Mates Meetups’ each week at the Gold Coast and Nathan campuses. Current students (Senior Buddies) provide peer support to commencing international students (Junior Buddies) with each weekly session covering topics to help ease your transition to university life. This is a safe and comfortable environment where you can ask questions about Griffith and life in Australia, as well as practise your English. It’s also a great way to make friends!

[griffith.edu.au/international-buddy](http://griffith.edu.au/international-buddy)

**BLOG FOR GRIFFITH INTERNATIONAL!**

explore

[griffith.edu.au/explore-blog](http://griffith.edu.au/explore-blog)

Explore is the Griffith International blog – it has thousands of readers with all stories written by Griffith students. Lots of our writers are international students who share their experiences and advice. Writing for Explore gives you the chance to:
- improve your writing skills
- get feedback on your work
- have your work published
- inspire other students with your stories.
Griffith Mates

Enjoy the most memorable years of your life with the Griffith Mates. The Griffith Mates are a diverse peer-support network for international students, with members who speak over 46 languages.

Look out for the Griffith Mates at Orientation – they may even be waiting to welcome you at the airport!

Griffith Mates will help you make the most of university, develop friendships, practise your English, and:

- meet other international and Australian students
- join in volunteering opportunities, e.g. learn about the Australian environment
- visit amazing locations with the Griffith Mates on day trips around South East Queensland
- attend free on-campus events and activities from games and sports to networking events
- expand your worldview with cross-cultural leadership opportunities by becoming a Griffith Mate.

griffith.edu.au/mates
Orientation and arrival
Attend your compulsory International Student Welcome and Orientation session during Orientation Week to supplement the information provided online through myOrientation. Meet your International Student Advisors, connect with Griffith Mates and other commencing students, then join us for an International Welcome Market. The Griffith Mates will help you get to know your campus with campus tours during Orientation. Discover the beauty of Brisbane or the Gold Coast through free Twilight Walking Tours hosted by the Mates.

griffith.edu.au/orientation

International Student Advisory
If you need some extra information or support on campus, make an appointment with an International Student Advisor. International Student Advisors provide information to support you to manage your life and your studies within the conditions of your student visa. Our team of dedicated and highly experienced staff can answer any questions throughout your time on campus and help guide you towards academic success.

griffith.edu.au/international-student-advisors

Academic enrichment and learning support
EnglishHELP: If English is your second language, we provide a free English language learning service to continue developing your academic English and improve your overall academic performance. From dedicated courses to free one-on-one tutoring sessions, we offer a range of solutions that can help you achieve your goals.

griffith.edu.au/englishhelp

PASS: Peer Assisted Study Sessions (PASS) are study groups for specific courses that students often find difficult or demanding. The sessions are facilitated by student leaders who have previously completed the course and achieved excellent results.

griffith.edu.au/students/peer-assisted-study-sessions

Financial assistance
If you are having trouble with budgeting or money, the Welfare and Student Liaison Office offers budgeting advice, a textbook exchange service and other support services.

g riffith.edu.au/student-services

Accommodation
See pages 12-13 for information regarding accommodation options at Griffith.

g riffith.edu.au/accommodation

Health and wellbeing
If you need a doctor there are health and medical services located on the Gold Coast and Nathan campuses, as well as medical centres and hospitals near every campus.

If you need someone to talk to about personal issues, we offer free, confidential counselling sessions on our campuses and a range of online counselling options.

g riffith.edu.au/student-services

Disability services
At Griffith, we seek to remove barriers that students with disabilities face in higher education. Through our Disability Service, we aim to improve the participation, retention and success of students with disabilities, while ensuring easy access to learning environments.

If you would benefit from the support offered by our Disability Service, we encourage you to make contact with our friendly staff before you start, or at any time during your degree.

Prospective students requiring disability support should make contact early so we can provide advice and information about the support available.

g riffith.edu.au/student-services

Safe campuses
All members of the Griffith University community have a right to feel welcome, safe and supported. We are committed to providing safe and inclusive campus communities, free from harassment, bullying, discrimination and assault and encourage members of the Griffith community to call out, report and seek support when these behaviours occur.

griffith.edu.au/safe-campuses

‘Griffith’s support services made my transition to Australia and its culture very smooth as help was always available as soon as I needed it. I clearly remember being worried about the different education style in Australia, especially referencing, but so many resources were available to guide me through it.’

Aayush Gaur
Master of Global Public Health
With staff and students from more than 130 countries, we celebrate and support the diversity of our community. Griffith is truly an international university - almost a quarter of our students and graduates are from overseas. We provide students with first-class support during their Griffith experience, from arrival through to graduation and beyond.
Know your options

No matter what level of study you have completed, or what English level you have, we have a range of study options and pathways to help you achieve your study goals.

Study options and pathways at Griffith

Completion of secondary (high) school, comparable to Australian Year 11 (or equivalent academic achievement)

Diploma or Foundation program
(1 year)
Griffith College (see page 23)

Completion of secondary (high) school, comparable to Australian Year 12 (or equivalent academic achievement)

Masters Qualifying Program

(3–4 years)
• Bachelor
• Bachelor with Honours

Postgraduate degree
(1–2 years)
• Master (coursework)
• Graduate Diploma
• Graduate Certificate

Graduate research degree
(2–4 years)
• PhD and Master (research)

English language course
(10–50 weeks)
Griffith English Language Institute (see page 20)

Trimester teaching

At Griffith we teach across three trimesters, rather than two semesters – this gives you the flexibility to pace your study to suit your needs. Trimesters 1 and 2 are compulsory, so if you begin your degree in Trimester 3, you must complete Trimesters 1 and 2 in the following year; however, if you begin in Trimester 1 or 2, it is not compulsory to enrol in Trimester 3.

Please note: A small number of Griffith degrees require students to enrol in Trimester 3.

Online study

Our online degrees are delivered 100% online, giving you flexibility over where and when you study. Choose between full-time and part-time study options.

You can identify our online degrees throughout this Guide by the symbol above.

Please note: If you enrol in an online or external degree you are not eligible for an Australian student visa.

Study Abroad program

Our Study Abroad program allows you to complete one, two, or three trimesters of study in Australia and earn credit towards your home degree.

See our Study Abroad and Exchange Guide for more information.

griffith.edu.au/international/global-mobility/inbound
What am I eligible to study?

Read below for an overview of entry requirements for Griffith University degrees.

**Academic entry requirements**

**Undergraduate (bachelor)**

**Standard entry**

Completion of secondary school comparable to Australian Year 12 OR equivalent academic achievement. Some programs have higher entry requirements, specific prerequisites or require the submission of portfolios, medical checks or professional work experience.

**Postgraduate (master)**

**Standard entry**

A bachelor degree or higher (or equivalent) from a recognised university.

- Master (coursework)
- Graduate Diploma
- Graduate Certificate

You must meet minimum Grade Point Average (GPA) entry requirements. Griffith also recognises the knowledge gained through work experience, as well as prior study, for some degrees.

**Research**

**Standard entry**

Doctor of Philosophy (PhD)
- A bachelor degree (or equivalent) with class I honours or class IIA honours; or
- a master degree (or equivalent) incorporating a significant research component; or
- a record of research, or a qualification granted by a professional or other body which is deemed to be of a standard comparable to a bachelor degree with class IIA honours.

Master of Philosophy (MPhil)
- a bachelor degree (or equivalent) with at least class IIB honours incorporating a significant research component; OR
- a record of research, or a qualification granted by a professional or other body which is deemed to be of a standard comparable to a bachelor degree with class IIB honours.

**Pathway option(s)**

- **Study a Foundation or diploma program through Griffith College. See page 23.**
  - Gain direct entry into the relevant Griffith University bachelor degree upon completion.

**Pathway option**

- **Study the Masters Qualifying Program (MQP), delivered by Griffith College. See page 23.**
  - The MQP provides you with an opportunity to upgrade your prior study to meet direct entry requirements to a selection of Griffith masters programs.

**English language entry requirements**

**Undergraduate (bachelor), Postgraduate (master) and Research**

**Standard entry**

- **IELTS:** minimum score of 6.5, with no subscore less than 6.0; OR
- **Internet-based (iBT) TOEFL:** score of 79 (no subscore less than 19); OR
- **Pearson Test of English (Academic):** overall score of 58 with no score less than 50; OR
- **ISLPR:** no score less than 3+ in each skill of the ISLPR (conducted by ISLPR Language Services only).

**Pathway option(s)**

- **Complete the Direct Entry Program at Griffith English Language Institute. See page 20.**
  - The duration of English study required will vary depending on your current level of English.

*Visit degrees.griffith.edu.au to view the academic and English language entry requirements for your degree.*
Direct Entry Program
Join our highly popular Direct Entry Program to gain the English skills necessary to enter a Griffith University Degree or Griffith College Diploma.

You will be placed in the appropriate class based on the results from your proficiency test or the Griffith English Test. As you progress through the Direct Entry Program, you will build your English language skills in Reading, Writing, Listening and Speaking, and at the higher levels you will practise academic skills that will help you to be successful in your studies at diploma, bachelor, master or PhD level. A highlight of the pathway for Griffith University degree students includes the final 10 weeks, where you will attend lectures, participate in class tutorials, and complete essays and a research assignment to prepare you for your studies.

When you successfully complete the Direct Entry Program at the equivalent of the IELTS level needed for your degree or diploma, you can enter your program directly without needing to submit a proficiency test result.

Fees
Your tuition fees for the Direct Entry Program will vary depending on the number of weeks you are enrolled.

- Up to 25 weeks: $450 per week
- 26+ weeks: $420 per week
- Enrolment fee: $225

2020 key dates

GELI classes
Class sizes at GELI are small so you will receive personal attention from your teachers and progress quickly through your studies.

There are 25 hours of study per week: 20 hours of face-to-face learning in class and an additional 5 hours of independent learning each week using GELI’s independent learning plans.

Classes are held daily Monday to Friday from 8.15am – 12.45pm, allowing plenty of time in the afternoon for additional study or to join the Activities Program.

*Check the English language entry requirements for your degree at griffith.edu.au/international-study

**Please note:** it normally takes 10–15 weeks to progress from one level to the next. This table indicates expected course length for students requiring IELTS 6.5.
Griffith College offers a diploma pathway to the second year of nearly 50 Griffith bachelor degrees. With a flexible trimester system and supportive learning environment, Griffith College is your best pathway to fast-track your degree at Griffith University.

Griffith College diploma programs are equivalent to university-level study, and are delivered in a supportive and specialised learning environment to better prepare you for success in your bachelor degree. And because Griffith College is situated on-campus at the Gold Coast and Mt Gravatt campuses, you’ll have access to university facilities and become part of the Griffith community from day one.

Griffith College offers 11 diploma programs providing access to the second year of nearly 50 Griffith bachelor degrees across diverse study areas such as arts, business, commerce, psychology, IT, science, nursing, health sciences, hotel management, engineering, criminology and design.

For Griffith College fee information, entry requirements and credit transfer information, visit griffith.edu.au/college

### Other pathways to Griffith University

#### Foundation Program
Griffith College also offers a Foundation Program, which is a bridging course for students who need to study the equivalent of Australian Year 12. You’ll be trained in the knowledge and skills needed for successful university study and be able to acquire prerequisites for specific Griffith University degrees. Foundation Program graduates are eligible to progress to a degree or diploma-to-degree pathway, subject to conditions.

#### Masters Qualifying Program
The Griffith University Masters Qualifying Program (MQP) provides you with an opportunity to upgrade your prior study to meet the academic requirements for direct admission to a Griffith University masters program.

If you are successful in progressing to your masters degree, you may be eligible for 10 credit points of advanced standing.

*Entry into second year of bachelor degrees from a diploma is dependent on successfully completing the Griffith College program and meeting degree admission requirements. Students must complete in their second or third years of the degree any first year core courses for which credit transfer has not been granted.

"I wasn’t very confident with my English and I saw Griffith College as a great way to transition to university with smaller class sizes and amazing support systems. I feel like I am learning in a slow but safe way. I feel I’ve been prepared for each step before the next one."

Daniel Arboleda
Diploma of Science
Remarkable research

Griffith is a research-intensive university that fosters industry, community, government, national and international research collaborations. Undertake research at Griffith and be part of an elite group of researchers who are thinking globally and discovering new-world solutions.

Research centres and institutes
Home to 30+ world-class research centres and institutes, Griffith offers you the opportunity to learn from globally renowned researchers.

Above world standard
Latest analysis of Excellence in Research for Australia found 99% of our research outputs were in disciplines rated at world standard or above.

Outstanding resources
Our researchers are provided with state-of-the-art facilities, support services and research environments that best accommodate their needs.

Scholarships
We offer a number of competitive higher degree by research scholarships each year to help you with the cost of tuition and/or living expenses for the duration of your research study.

Research support
You will be supported with research training workshops and a comprehensive suite of library services ranging from research and data management tools to research communication training.

International links
Griffith staff come from all over the world and have strong research partnerships nationally and internationally.

Research with impact
Our remarkable discoveries help to shape a better world.

- **Malaria vaccine** - The Institute for Glycomics is developing and manufacturing a world-leading malaria vaccine—PlasProtecTTM—which is now at human-trial stage.
- **Shadow of an atom** - The world’s first photo of a shadow of an atom was taken by researchers at Griffith’s Centre for Quantum Dynamics.
- **‘Green’ circuit boards** - Environmentally friendly circuit boards are being developed at the Griffith School of Engineering and Built Environment.
- **Spinal cord paralysis treatment** - The Griffith Institute for Drug Discovery is leading groundbreaking stem cell research into treating spinal cord paralysis.
- **Robots to help dementia patients** - Griffith is leading research into using robots to improve the quality of life for dementia patients through the Menzies Health Institute Queensland.
- **Protecting wildlife** - Griffith experts are at the forefront of world-leading strategies to protect wildlife from the negative impacts of roads, aiming to minimise the number of motor vehicle accidents involving wildlife.
- **Wearable technology** - Griffith is working with Olympians and other elite athletes to develop wearable sports technology monitoring systems to aid in better performance and injury risk management.
- **Autism Centre of Excellence** - The Centre is engaged in the development of strategic research in evidence-based practices to achieve lifelong outcomes for learners with Autism Spectrum Disorder.
- **Advanced Design and Prototyping Technologies Institute (ADaPT)** - Multi-disciplinary expertise across Griffith University in collaboration with leading industry partners push the boundaries in advanced design, prototyping and new materials to engineer next-generation biomedical and industrial applications.

Research study options

**Doctor of Philosophy (PhD)**
The PhD is Griffith’s premier research training degree. It is awarded for a thesis, drafted under supervision, which makes an original, significant, and extensive contribution to knowledge and understanding in your field of study. A PhD is available across all schools and disciplines.

Griffith also offers:
- Doctor of Philosophy (by prior publication)
- professional Doctorates (psychology, education, musical arts and visual arts).

**Master of Philosophy**
The Master of Philosophy (MPhil) is awarded for a thesis, drafted under supervision, which presents original research and demonstrates both knowledge of a research topic and discipline. It is shorter than a PhD and is available across all schools and disciplines.

Griffith also offers:
- specialist Masters by Research (combine coursework with professional and/or artistic practice).

**Find a supervisor**
Griffith has over 2,600 researchers working across more than 30 research centres and institutes. Our world-class experts utilise state-of-the-art facilities to develop new knowledge in a range of specialist areas that will lead to novel and exciting solutions to benefit society and the environment, as well as influence governance and policy development.

Griffith is a leader in online education

Griffith University understands that everyone has different learning styles and life commitments. Our online degrees are delivered 100% online, giving you control over where and when you study. Our academic and student support team is committed to helping you succeed and reach your goals.

Griffith has been delivering online programs for nearly 20 years.

Our online degrees are highlighted on this page and throughout the Guide with the symbol above. Most of these degrees are also available on campus.

griffith.edu.au/online

At Griffith, we believe in, strive for and celebrate the Remarkable.

We believe in the potential for all people to be remarkable - to be courageous, to capture opportunity, to make a difference and change the future forever.

Our vision is to engage in remarkable scholarship and research that contributes significantly to society.

Find out more: remarkable.griffith.edu.au
Architecture, construction and planning

We are focused on global issues, including social responsibility, community engagement and sustainability, to ensure graduates are valuable to their industries world-wide.

5-Star rated

Architecture and planning at Griffith have been awarded 5-stars for Educational Experience, Teaching Quality and Skills Development by the Good Universities Guide 2018, a leading independent provider of high-quality education and career information.

Sustainable designs for the tropics and subtropics

Our architecture degrees are distinctive in their emphasis on environmental sustainability and urban design. We are focused on global issues, particularly climatic responsive and sustainable design principles for the tropics and subtropics, relevant to our region and South East Asia.

Industry connections

The Bachelor of Architectural Design has been developed in conjunction with our industry advisory board.

Unique opportunities

Including practice-led design studios and international field study electives.

Prepare for a place in the world of work

With a strong focus on applied studio teaching, you will gain the skills employers want.

Undergraduate degrees

Asian Studies

Bachelor of Asian Studies

Business

Bachelor of Business

* 3 years full-time equivalent offered over 2 years.

What you will study

Griffith’s Bachelor of Business lets you design your ideal career. You can choose a single major, which will give you specialist skills in one profession, or you can choose a second business major or additional major to give you an even broader range of skills and knowledge when you graduate. You can also choose not to complete a major, selecting from a range of courses that provide broad knowledge for a career in business management.

If you are not sure which majors to choose just yet, that is okay. Once you enrol, you can try some different courses before you choose the combination that is right for you.

A Griffith business degree will prepare you for a wide range of career opportunities, from running major events through to managing key aspects of complex organisations such as employment relations, marketing campaigns, or logistics.

Business majors

Asian Business (G,N); Employment Relations (G,N); Entrepreneurship and Self-Employment (G,N,O,S); Event Management (G,N); Human Resource Management (G,N,O); International Business (G,N); Logistics and Supply Chain Management (G,N); Management (G,N,O); Marketing (G,N); Real Estate and Property Development (G,N); Sport Management (G,N); Sustainable Enterprise (N); Tourism Management (G,N).

Additional majors

Accounting; Economics; Finance; Financial Planning; Politics and Public Policy.

Graduates find employment as: advertising account managers; brand managers; business or strategy managers; corporate social responsibility specialists; event and conference organisers; export and import operations managers; human resource managers; international negotiators; international project officers; logistics and supply network managers; market research analysts; marketing managers; policy advisors; project managers; public relations managers; purchasing managers; real estate agency managers; sales managers; entrepreneurs; sports marketers; sports tourism promoters; sustainability specialists; or tourism managers.

Double degree option(s)

Combine Business with: Arts; Asian Studies; Commerce; Communication and Journalism; Creative and Interactive Media; Data Science; Design; Engineering; Environmental Science; Exercise Science; Fine Art; Government and International Relations; Information Technology; International Business; International Tourism and Hotel Management; Laws; Photography; Psychological Science; Science; Sport Development.

Recognition/Accreditation

Program accreditation will vary depending upon your choice of major:

- The Human Resource Management major is accredited by The Australian Human Resources Institute (AHRI).
- Depending upon your choice of Business major, you may be eligible for admission to one or more of the following professional bodies:
  - Australian Human Resources Institute (AHRI)
  - Chartered Institute of Procurement and Supply (CIPS)
  - Australian Marketing Institute (AMI)
  - Australian Market and Social Research Society
  - International Live Events Association
  - Pacific Asia Travel Association
  - Sport Management Association of Australia & New Zealand.

Pathway option(s)

- Associate Degree in Commerce and Business
- Diploma of Commerce
- Diploma of Hotel Management

For more information go to griffith.edu.au/college.

Honours available

Honours is available for this degree (through an additional year of study).

Double your career opportunities by choosing two specialisations from our 18 diverse majors.

Bachelor of International Business

| Major(s): Asian Business; Chinese Language; Finance; French Language*; German Language*; Human Resource Management; Indonesian Language*; International Relations; Italian Language; Japanese Language; Korean Language*; Logistics and Supply Chain Management; Management; Marketing; Modern Greek**; Russian Language*; Spanish Language. | Double degree option(s): Business; Commerce; Government and International Relations; Laws. |  |

** Via cross-institutional study at the University of Queensland.

When I decided to go back to university to further my education in tourism management, I first searched university rankings online and found that Griffith University is in the top-class in this study area. From here, my decision was easy! It has to be Griffith University.’

**What you will study**

You will gain the technical skills and knowledge to pursue a career in accounting, financial planning, finance or economics. In your first year, you will explore the core skills and concepts of commerce including accounting, economics, business statistics, and management. In your second and third years, you will build on this knowledge with your chosen major.

You can choose a single major, which will give you specialist skills in one profession, or expand your expertise with a second commerce major, or additional major, including management, marketing, politics and public policy, and international business. If you are not sure which majors to choose just yet, that is okay. Once you enrol you can try some different courses before you choose the combination that is right for you.

**Commerce majors**

Accounting (GA); Economics (G); Finance (G); Financial Planning (G).

**Additional majors**

Asian Business; Employment Relations; Entrepreneurship and Self-Employment; Event Management; Human Resource Management; International Business; Logistics and Supply Chain Management; Management; Marketing; Politics and Public Policy; Real Estate and Property Development; Sport Management; Sustainable Tourism Management.

You can also choose to complete a Taxation Minor which is recognised by the Tax Practitioners Board.

**Graduates find employment**

as: accountants, auditors; banking and finance industry analysts or advisors; business managers; provisional financial advisors or controllers; government policy advisors; managerial accountants; market analysts; stockbrokers; taxation accountants.

### International Relations

**Bachelor of Government and International Relations**

<table>

* Via cross-institutional study at The University of Queensland.

### Tourism and Hotel Management

**Bachelor of International Tourism and Hotel Management**

What you will study

In this degree, you will gain an in-depth understanding of the tourism sector, underscored by sustainability principles. You will develop core business skills in areas such as financial management, leadership, marketing and strategic management, and enhance these with an understanding of how to manage employment relations in a culturally diverse context.

Thanks to Griffith’s close working relationship with major hotel chains and tourism operators in South East Queensland, you will have the chance to gain knowledge from guest speakers and experience via a wide range of innovative work-integrated learning activities.

You will learn industry-standard systems, graduate with the skills and knowledge employers want, and be fully aware of the culture, service and competitive aspects of international tourism and hotel corporations.

**International Tourism and Hotel Management majors**

Hospitality Management; Tourism Management.

**Additional majors**

Event Management; Human Resource Management; Marketing; Management; Real Estate and Property Development; Sport Management.

**Graduates find employment**

in: international tourism and hotel management; hotel and resort groups; accommodation sector; independent restaurants; internationally recognised chains; entertainment and leisure providers; theme parks; suppliers of goods and services to the hospitality industry; airlines; local, state and federal tourism organisations; regional planning authorities.

**Double degree option(s)**

Combine International Tourism and Hotel Management with: Business.

Criminology and law

As a criminology or law student at Griffith, you will benefit from our industry-informed learning and gain valuable experience working on real cases, with real clients, during your studies.

Practice makes perfect

Studying law you will develop real-world skills working on cases and projects throughout your studies. You will gain practical experience from your first year through moots, court visits and industry networking. With opportunities to participate in international competitions, you will graduate with valuable international experience.

One of the largest in the world

Our School of Criminology and Criminal Justice is one of the largest communities of criminology and criminal justice scholars in the world. The School is internationally renowned for ground-breaking research, innovative and flexible teaching, and close collaboration with practitioners and employers.

Ground-breaking research

One of the largest communities of criminology and criminal justice scholars in the world, working on solutions to create safe, well-governed and equitable societies.

Law ranked in the top 50 globally

according to the 2019 ARWU Ranking of Academic Subject.

Griffith University Innocence Project

Pro-bono project run by Griffith University Law School, committed to freeing innocent persons who have been wrongly convicted.

What you will study

You will learn about the causes of crime and society’s response through the justice system to address them. Criminology draws on insights from many fields of study, including psychology, law, sociology, politics and social work. In your first year, you will gain a broad understanding of these areas.

You will also learn about trends in crime in Australia and overseas, studying courses about police, courts and criminal law, forensic psychology and homicide, and you will hear from academic and professional experts about how crime can be prevented and reduced.

In your second and third years, you will have the flexibility to specialise with elective courses in areas such as policing, working with offenders and victims, youth justice, and crime analysis and prevention. You can also choose some non-criminology electives, for example in languages, journalism and international relations.

This degree also offers opportunities to study abroad and receive credit for your degree.

In your final year, you will have the option to complete a professional placement and gain practical justice-related experience.

Law

What you will study

Griffith Law School offers a professional legal curriculum that focuses on core areas of legal practice and the legal skills that lawyers must have. You will have the opportunity to choose law electives based on your interests, including clinical courses that emphasise practical legal skills, insights and experience.

You will make connections between law and ethics, legal theory, Indigenous issues, and internationalisation. You will also develop interdisciplinary understandings of law and legal work.

You will take courses that cover areas such as Crime, Contracts, Property, Corporate Law, Torts and Theories of Law.

Graduates find employment

A law degree from Griffith University is recognised as a qualifying degree for admission into the legal profession in many countries around the world.

You will be prepared for a career as a solicitor or barrister after gaining professional recognition. Your degree could also pave the way for work as a lawyer in a law firm or large Australian or international corporation, a policymaker or law reformer working in the government or community sector, a human rights defender, or for a non-legal career as a journalist, politician, investment banker or management consultant.

You could find opportunities in business and government in areas such as academia, administration, banking, finance, industrial relations, management and marketing.

Recognition/Accreditation

To be eligible for admission as a solicitor, a person must complete an approved law degree, have undertaken approved practical legal training via a practical legal training course or supervised traineeship at a law firm, and be able to satisfy the Legal Practitioners Admissions Board and the Supreme Court of their fitness to practise.

Education

When you study education at Griffith you can be sure you are choosing a rewarding and exciting future—we are producing the next generation of teachers.

Benefit from our powerful partnerships
We maintain strong relationships with schools and industry partners, including two school-based teacher education centres of excellence. You will have the opportunity to engage with experts who are moving education forward in priority areas, including teaching literacy and developing teachers as researchers.

Spanning all levels of learning
Our education degrees span all levels of learning, from early childhood, primary and middle school, right through to high school, adult and vocational education. We also offer specialist programs in high-demand areas, including special education and autism studies through our Autism Centre of Excellence.

Develop in-demand expertise
Griffith is among the best for education graduate success rates in Australia, and our School of Education and Professional Studies is ranked in the top 150 worldwide.

Inspire the next generation
Study teaching at one of the world’s leading education schools and prepare for a rewarding career.

Autism Centre of Excellence
Focused on improving the quality of life for children and adults with autism through evidence-based practice.

### Teaching

#### Bachelor of Education

- **Feb, Jul** 3.5*
  - Primary
  - Major(s): Early Childhood Education (L), Health and Physical Education (G), Special Needs Education (M)
  - Minor(s): English Education (M,G), Mathematics Education (M,G), Science Education (M,G)
- **Secondary**
  - Major(s): Junior Secondary Education (M,G), Learning Support (M)
  - **Teaching Area Content 1**: Biology (M,G), English (M,G), Geography (M,G), History (M,G), Mathematics (M,G), Visual Arts (M)
  - **Teaching Area Content 2**: Chemistry (other teaching area must be Biology or Mathematics) (M,G), Design Technology (G), Drama (M), English (M,G), Health and Physical Education (M,G), History (M,G) Physics (other teaching area must be Mathematics) (M,G), Psychology (M,G)
  - **Note**: Mt Gravatt students may be required to undertake their Content Teaching Areas at Nathan or South Bank
- **80CP Program CRICOS**
- **Annual fee**: $29,500

### Postgraduate degrees

### Education

#### Graduate Certificate in Professional Learning

- **Feb, Jul** 1*
  - Entry requirements: Any bachelor degree or higher.
  - *Part-time only.

#### Master of Education

- **Feb, Jul** 1 to 1.5
  - **Majors**
    - Children, Childhood and Identity
    - Leadership, Policy and Social Transformation
    - Youth, Digital Culture and New Learning
  - **Entry Requirements**
    - Related bachelor degree or higher OR any bachelor degree or higher and work experience.
  - **Pathway option(s)**
    - For students interested in undertaking doctoral studies, this program provides a pathway that articulates with the Master of Education and Professional Studies Research (5608) and onto the Doctor of Philosophy (PhD) or Doctor of Education (6022).
  - **Annual fee**: $29,000

#### Master of Educational Studies

- **Feb, Jul** 2
  - **Majors**
    - Autism Studies, Leadership, Policy and Social Transformation, Special Needs and Intervention Education, Teaching English as a Second Language, Training and Development
    - Young Children, Early Childhood and Identity, Youth, Digital Culture and New Learning
  - **Entry Requirements**
    - Any bachelor degree or higher.
  - **Annual fee**: $29,000

#### Graduate Certificate in Training and Development

- **Feb, Jul** 1
  - **Entry Requirements**
    - Any bachelor degree or higher OR relevant work experience.
  - **Annual fee**: $14,500

#### Master of Training and Development

- **Feb, Jul** 1 to 2
  - **Entry Requirements**
    - Any bachelor degree or higher.
  - **Annual fee**: $29,000

### Special Needs Education

#### Graduate Certificate in Autism Studies

- **Feb, Jul** 0.5
  - **Entry Requirements**
    - Any bachelor degree or higher OR relevant work experience.
  - **Annual fee**: $14,500

#### Master of Autism Studies

- **Feb, Jul** 1
  - **Entry Requirements**
    - Graduate Certificate in Autism Studies (4.5 GPA) OR Graduate Certificate in Disability Studies (or equivalent) (4.5 GPA).
  - **Annual fee**: $29,000

#### Graduate Certificate in Special Needs Education

- **Feb, Jul** 1*
  - **Entry Requirements**
    - Any bachelor degree or higher.
  - **Annual fee**: $14,500

#### Master of Special Needs and Intervention Education

- **Feb, Jul** 1
  - **Entry Requirements**
    - Graduate Certificate in Special Needs Education or equivalent (4.5 GPA).
  - **Annual fee**: $29,000

---

*I chose to study at Griffith University after talking to teachers from multiple schools in Brisbane. Every single teacher told me that the best, most employable teachers come from Griffith University.*

Josie Jones
Bachelor of Education

---

Teaching

Master of Primary Teaching

Entry requirements: Non-education bachelor degree or equivalent plus non-academic entry requirements.

Master of Secondary Teaching

Entry requirements: Non-education bachelor degree or equivalent plus non-academic entry requirements.

Research degrees

Education and Professional Studies

Entry requirements: A postgraduate qualification with a GPA of at least 5.0 in a related discipline OR a bachelor degree with at least Second Class Honours (Division B) in a related discipline.

Pathway: to the Doctor of Education or Doctor of Philosophy.

Education

Doctor of Education

Entry requirements: A recognised bachelor degree with a suitable class of research honours (not less than an upper second) or its equivalent as determined by the Dean, Griffith Graduate Research School and professional engagement pertinent to the degree over a period totalling not less than three years. To provide evidence for establishing equivalence, applicants are asked to complete a professional portfolio (using the templates provided by the School of Education and Professional Studies) which is to be submitted with the appropriate supporting documentation appended.

Higher Degrees by Research

Doctor of Philosophy

Entry requirements: Have four intakes per year.

The application schedule is available at: PhD: degrees.griffith.edu.au/Program/6001/HowToApply/International, MPhil: degrees.griffith.edu.au/Program/5001/HowToApply/International

^Refer to degrees.griffith.edu.au for detailed fee information.

Chris Eigeland

Griffith alumnus

After learning of the devastating effect the earthquake had on the education system in Haiti, Chris co-founded The Schoolbag – a not-for-profit organisation that provides a year’s worth of school supplies to children who would otherwise be unable to attend school.

For more information about the degrees listed here visit griffith.edu.au/international-study
Study engineering, IT or aviation at Griffith and learn using cutting-edge resources while gaining valuable hands-on experience through real projects.

Industry Affiliates Program (IAP)
The Industry Affiliates Program (IAP) is a work-integrated learning program designed to integrate final-year students into the workplace. Griffith’s IAP program has been running for over 20 years and has placed thousands of students into industry-based projects where they gain invaluable skills and experience.

Foundation first year
Our Bachelor of Information Technology and Bachelor of Engineering (Honours) have foundation first years, which are designed to allow you to test out different study areas. You get to choose your major specialisation before you start the second year of your studies. As well as your major, you can choose from an additional range of minor specialisations to create your own, unique skill set.

Leaders in aviation
We have 25 years of experience producing qualified graduates for the international aviation industry which is growing rapidly as the number of travellers continues to expand.

Strong industry links
Be job-ready with opportunities for industry placements and the chance to work on industry projects.

Focus on innovation
We prepare our graduates to create smarter solutions for the future, fostering professional skills and an entrepreneurial approach.

**Information Technology**

**Bachelor of Information Technology**

**What you will study**
This program will provide students with a core of IT technical knowledge and also allow a major in Information Systems, Networks and Security or Software Development. The program is flexible enough for students to gain two IT majors or expertise in other areas, including those outside the IT domain. The IT technical component of the program commences in Year 1 and addresses IT skills such as understanding the basics of computing technology, how to design and build web sites, computer programming, data management, software development and human computer interaction. This program covers skills including software technologies, information security and IT services management, and topics such as business analysis, IS architecture, business/IT alignment and project management.

The Bachelor of Information Technology addresses the knowledge and skills needed by IT graduates and also allows specialisations in Information Systems or Networks and Security or Software Development. This degree is suitable for students seeking a more generalist IT degree which will allow them to pursue a vocational career in IT with less complex abstract problem solving and programming requirements.

**Bachelor of Information Technology**

**What you will study**
This new degree brings together technical and practical skills in the fields of intelligent digital technologies. You will learn the fundamentals of ICT problem solving and high level programming skills, for application in cutting edge fields such as the Internet of Things (IoTs), robotics, app and web development, big data analysis, and virtual reality (VR) and augmented reality (AR) applications.

**Majors**
Information Systems, Networks and Security; Software Development.

**Graduates find employment**
In computer security; IT support roles; software acquisition; software integration; software enhancement; maintenance and database support; business analysis; IT management; IS architecture design and project management; network support; network design; network security support; software development.

**Double degree option(s)**
Combine Information Technology with: Business; Commerce; Criminology and Criminal Justice; Engineering (Honours); Science.

**Recognition/Accreditation**
The Bachelor of Information Technology is conditionally accredited with The Australian Computer Society (ACS).

**Postgraduate degrees**

**Graduate Certificate in Airport Management**

**Entry requirements:** Related bachelor degree or higher OR relevant work experience.

**Graduate Certificate in Aviation Management**

**Entry requirements:** Any bachelor degree or higher OR relevant work experience.

**Master of Aviation Management**

**What you will study**
You will gain the knowledge, skills and vision needed to accept and master the challenge of changing management practices in the aviation industry.

**Entry Requirements**
Related bachelor degree (5.0 GPA) or higher and relevant work experience.

**Aviation**

**Graduates find employment**
You will be able to further your career in the airline industry and provide your employer with a competitive advantage over other organisations in the region. On graduation you will also be eligible to pursue doctoral studies or conduct independent research into the aviation sector.

**You will be equipped with the skills needed for lifelong learning in the evolving aviation environment.**

**For more information about the degrees listed here visit griffith.edu.au/international-study**
**Engineering**

**Graduate Diploma of Engineering Science**

*Major(s):* Civil Engineering (G), Electronic Engineering (N), Environmental Engineering (N).

*Entry requirements:* Relevant bachelor degree or equivalent.

---

**Master of Civil Engineering**

*Entry requirements:* Bachelor degree in civil engineering or higher.

---

**Master of Civil Engineering Advanced**

*Entry requirements:* Bachelor degree in civil engineering or higher.

---

**Master of Civil Engineering/ Master of Engineering Project Management**

*Entry requirements:* Bachelor degree in civil engineering or higher.

---

**Master of Electronic and Computer Engineering**

*Entry requirements:* Bachelor degree in electronic engineering or higher.

---

**Master of Electronic and Computer Engineering/ Master of Electronic and Energy Engineering**

*Entry requirements:* Bachelor degree in electronic engineering or higher.

---

**Master of Electronic and Energy Engineering**

*Entry requirements:* Bachelor degree in electronic engineering or higher.

---

**Master of Electronic and Sport Engineering**

*Entry requirements:* Related bachelor degree or higher.

---

**Master of Engineering Project Management**

*Entry requirements:* Bachelor degree in engineering.

---

**Master of Engineering Project Management Advanced**

*Entry requirements:* Bachelor degree in engineering or higher.

---

**Master of Environmental Engineering**

*Entry requirements:* Bachelor degree in engineering or higher OR related bachelor degree or higher and relevant work experience.

---

**Master of Environmental Engineering and Pollution Control**

*Entry requirements:* Bachelor degree in engineering or higher OR related bachelor degree or higher and relevant work experience.

---

**Master of Professional Engineering**

*Major(s):* Civil Engineering (G), Electronic Engineering (N), Environmental Engineering (N).

*Entry requirements:* Bachelor degree in engineering (5.0 GPA) or higher.

---

### What you will study

These degrees provide advanced study across a range of specialisations in engineering, with courses designed to extend and deepen your knowledge and skills gained from a related undergraduate degree.

#### Civil

Ideal for professional civil engineers who aspire to develop their design skills and advance their capabilities to analyse and solve structural problems and manage projects across a wide range of civil engineering applications.

**Electronic and Computer:**

- You will develop advanced knowledge in electronics allowing you to work in the many different disciplines of electronics, focusing on the area of electronic computing and the prolific use of microprocessors and computing hardware in modern devices.
- **Electronic and Energy:**
  - You will develop advanced technical expertise in diverse areas of electronic and energy engineering, allowing you to work in the many different disciplines of electronics. You will also further your understanding of the use of both classical and the latest electronic technology to allow the generation, distribution, efficient use and storage of energy.
- **Electronic and Sport:**
  - Electronic and sport engineers work in the exciting cutting-edge area of high technology in sport. In this degree, you will gain the advanced core knowledge needed in the electronics area, specialising in sport technology.

#### Engineering Project Management

This program teaches engineering and project management to future engineering leaders, equipping them with the skills they need to compete globally. The program provides engineering graduates with the art and science of managing engineering projects. The program is ideal for professional graduate engineers who aspire to develop their managerial skills and advance their capabilities to initiate, plan, resource and execute real-world engineering projects.

#### Environmental

- You can gain an in-depth understanding of environmental engineering problems and issues, and have the opportunity to specialise in high-demand areas such as solid and hazardous waste management, water treatment, wastewater treatment, air quality monitoring and control, and renewable energy.
- **Professional:**
  - Designed for those wanting to change careers to become an engineer, obtain accredited qualifications to practise as an engineer in Australia and overseas, or move into a different field of engineering.

### Graduates find employment

- **Master of Computer Engineering**
  - in: the building, construction, infrastructure, and mining industries; projects for public and private sector clients; analysis and design services to engineering projects.
- **Master of Electronic and Computer Engineering**
  - in: large companies involved in electronic based infrastructure and smaller companies undertaking design and/or manufacture.
- **Master of Electronic and Energy Engineering**
  - in: energy industries in both technical and management, energy discipline consultation, energy efficiency, storage and renewable energy production equipment.

**Master of Electronic and Sport Engineering**

- in: senior roles in electronic engineering, sport engineering, elite sport groups or in research bodies.

**Master of Engineering Project Management and Master of Engineering Project Management Advanced**

- in: consulting, private or public sector organisations, built environment, civil infrastructure, oil and gas, mining, energy, and facility and asset management services.
  - as: project engineers; project managers; contracting managers and team leaders.

**Master of Environmental Engineering and Master of Environmental Engineering and Pollution Control**

- in: environmental engineering, infrastructure, consulting.

**Master of Professional Engineering**

The Master of Professional Engineering will provide the engineering professional practice and research skills that lead to recognition as a graduate engineer in Australia. The qualification will be recognised internationally through the Washington Accord of the International Engineering Alliance.

### Pathway option

- Masters Qualifying Program

What you will study

In this degree, you will gain a comprehensive education in the principles and practice of information technology. Through your chosen major, you will develop an in-depth understanding of the underlying technology, administration and application of specific applications of information technology and systems. You will learn about information technology planning and management, and about Internet-based services used in commerce, education, health, science, public administration, and many other disciplines. You will also learn how to apply information technology to model, support, and manage modern, flexible organisations.

Majors

Enterprise Architecture; Information Systems and Business Analysis; IT Services; Networking and Security; Software Development.

Entry Requirements

Any bachelor degree (4.5 GPA) or higher.

Graduates find employment

Enterprise Architecture as: business architects; information architects; enterprise infrastructure and security architects; or enterprise solutions architects.

Information Systems and Business Analysis as: project managers; program managers; business analysts; change managers; data analysts; quality managers; or program directors. You will find opportunities in large multinational organisations, such as in the mining industry, as well as in government.

IT Services

You will be prepared for work as a technical support officer, ICT consultant and support engineer and system analyst in industries and government agencies.

Networking and Security

as: development operations specialists; network security engineers; security network consultants; security managers; or security applications specialists.

Software Development

as: developers; test engineers; web developers; or researchers in government research centres.

Recognition/Accreditation

The Master of Information Technology is conditionally accredited with the Australian Computer Society (ACS).

Pathway option

• Masters Qualifying Program

For more information go to griffith.edu.au/college.

Information Technology at Griffith has been awarded 5-stars for Student Support by the Good Universities Guide 2018, a leading independent provider of high-quality education and career information.

‘With all the state-of-the-art resources available to students and the course offering I needed, Griffith was an easy choice. Having a good connection with lecturers and tutors helped me to network and gain more industry knowledge.’

Purav Patel
Bachelor of Information Technology
Humanities, languages and social science

Succeed in an ever-changing global environment—study humanities, languages and social science at Griffith and develop a deeper understanding of societies, cultures and people.

Create your career
Reach your professional goals—study a wide range of courses in areas including sociology, security studies, politics and international studies, literary studies, creative writing, Islam–West relations, Indigenous studies, or history, and create your own unique skill set.

Develop real-world skills and knowledge
Griffith plays a major role in education and training for government organisations, and works closely with arts, industry and community organisations to provide responses to the issues of today.

Our degrees are informed by industry and government
Be confident you will graduate with the skills employers want.

Ranked in the top 100 worldwide

**Major(s):** Chinese Language; French Language*; German Language*; Indonesian Language*; Italian Language; Japanese Language; Korean Language*; Linguistics; Modern Greek**; Russian Language*, Spanish Language.

*Via cross-institutional study at University of Queensland. **Via online cross-institutional study at Flinders University.

#### Diploma of Languages*

- **Major(s):** Chinese Language; Italian Language; Japanese Language; Spanish Language.
- **International students are only able to undertake the Diploma of Languages in conjunction with a CRICOS registered degree program providing they maintain full-time enrolment in their primary degree of study and continue to progress academically.

**Part-time only.

### Postgraduate degrees

#### Communication

**Graduate Certificate in Creative and Professional Writing**

- **Entry requirements:** Any bachelor degree or higher.
- **Part-time only.

**Graduate Certificate in Strategic Communication and Media**

- **Entry requirements:** Any bachelor degree or higher.
- **Part-time only.

#### Safety Leadership

**Graduate Certificate in Safety Leadership**

- **Entry requirements:** Any bachelor degree or higher OR relevant work experience.
- **Part-time only.

**Master of Safety Leadership**

- **Entry requirements:** Related bachelor degree or higher.
- **Part-time only.

#### Teaching of English to Speakers of Other Languages

**Graduate Certificate in Teaching of English to Speakers of Other Languages**

- **Entry requirements:** Any bachelor degree or higher.

**Master of Teaching of English to Speakers of Other Languages**

- **Entry requirements:** Any bachelor degree or higher OR a combination of alternative admission criteria such as formal, informal and non-formal learning deemed to be equivalent to a bachelor degree or higher.

*Trimester 3 (October entry) not available to students entering with advanced standing.

**Breakthrough spinal cord trauma research**

Dr Dinesh Palipana and Dr Claudio Pizzolato, Griffith University researchers

Dr Palipana and Dr Pizzolato are at the leading edge of a breakthrough in spinal cord trauma research that has garnered global interest from industry and the medical profession. ‘The potential for this kind of work to restore function in those with paralysis is huge and that’s what we’re excited about.’

Medicine, dentistry and health

Study among leaders—Griffith’s breakthrough medical research continues to provide a greater understanding of diseases like cancer, cardiovascular disease and Alzheimer’s disease.

Excellent clinical experience (and lots of it)
As a Griffith health student, you will take the steps towards a successful career through a blend of classroom learning and clinical placements in community health and hospital settings. This will be complemented by sophisticated on-campus simulated learning and experiences in world-leading virtual reality teaching environments.

Play your part in the team
The future of health lies in teamwork. Today, health professionals need to work together to deliver life-changing outcomes, and we are proud that interprofessional education is a priority at Griffith. We work to ensure our health students are exposed to situations and team learning environments that closely reflect team practice in the real world.

Ranked in the top 50 in the world
for Nursing in the QS World University Subject Rankings 2019.

$150 million Griffith Health Centre
Part of the Gold Coast Health and Knowledge Precinct with extraordinary clinical and teaching facilities in medicine, dentistry, allied health and more.

Griffith Health Clinics
Under supervision, students practise clinical skills with real patients. The Griffith Health Clinics provide more than 50,000 patient appointments on campus each year.

<th>Years</th>
<th>Campus</th>
<th>IELTS</th>
<th>Academic</th>
<th>Codes</th>
<th>Annual fee (usually 80CP)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Feb, Jul</td>
<td>3</td>
<td>G</td>
<td>240</td>
<td>6.5</td>
<td>H2</td>
<td>1094</td>
</tr>
</tbody>
</table>

**What you will study**

Biomedical science helps society through applying new scientific knowledge to medicine and healthcare. In this degree, you will gain an understanding of health and the methods for diagnosing and treating disease.

You will receive excellent training for entry into the Doctor of Medicine (5099) if that study path is of interest.

You will develop knowledge and skills in the biological sciences and clinical sciences and understand how they can be applied to medicine, biomedical research and healthcare services.

In your first year, you will be introduced to the basic sciences underpinning biomedical science. In your second and third years, you will explore more advanced aspects of the biomedical and clinical sciences, including genetics, biochemistry, cell biology, anatomy, physiology, immunology, microbiology, infectious disease, pharmacology and neuroscience. You will learn through hands-on, laboratory-based training in the biomedical sciences.

**Graduates find employment**

in: hospitals; health departments; medical research institutes; university and government research organisations; and in the pharmaceutical, diagnostic, biotechnology and other health-related industries.

As a graduate, you may also choose to pursue further study. You will be well placed to apply for our graduate entry medical degree, the Doctor of Medicine, or may choose to continue with postgraduate research or coursework study.

**Recognition/Accreditation**

The following organisations recognise graduates of this award:

- Australian and New Zealand Society for Cell and Development Biology (ANZSCDB)
- Australian Society for Biochemistry and Molecular Biology (ASBMB)
- Australasian Society for Human Biology (ASHB)
- Australian Society for Medical Research (ASMR)
- Australian Society for Microbiology (ASM)

*Pathway option(s)*

- Diploma of Health Sciences
- Diploma of Science

For more information go to griffith.edu.au/college.

Honours available

Honours is available for this degree (through an additional year of study).

Learn through hands-on, laboratory-based training in biomedical science.

---

**Bachelor of Biomedical Science (Honours)**

*4 years full-time equivalent offered over 3 years.

#### Dentistry

**Bachelor of Dental Health Science**

<table>
<thead>
<tr>
<th>Trimester entry</th>
<th>Years</th>
<th>Campus</th>
<th>IELTS</th>
<th>Academic</th>
<th>Codes</th>
<th>Annual fee (usually 80CP)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Feb</td>
<td>3</td>
<td>G</td>
<td>240</td>
<td>7.0</td>
<td>H6</td>
<td>1577</td>
</tr>
</tbody>
</table>

**What you will study**

This degree is the first step towards a career in Dentistry. You will learn from extensive hands-on training from the first year of your studies. You will enhance your skills through professional practice placements.

You will study and work alongside registered dentists and dental specialists in real-life settings including in regional areas and in our modern dental clinic and specialised laboratories in the Griffith Health Centre. You will enhance your skills through professional practice placements.

**Graduates find employment**

in: the armed services; hospitals; private practice and school dental clinics. Further study and research can lead to a career in academic teaching or specialty practice.

**Recognition/Accreditation**

Completion of this degree and Griffith University’s two-year Master of Dentistry enables you to apply for registration with the Australian Health Practitioner Regulation Agency (and equivalent New Zealand authorities) as a dentist subject to meeting any additional requirements that may be stipulated by the Dental Board of Australia. As these requirements may change from time to time, students should contact the Australian Health Practitioner Regulation Agency (AHPRA) to confirm registration requirements.

Applicants are advised that the Australian Health Practitioner Regulation Agency (AHPRA) requires dentists to demonstrate English language skills that are suitable for registration. Further information is available on the AHPRA website.

**Pathway option(s)**

- Graduate Diploma of Health Research (4161)
- Graduate Diploma of Exercise Physiology (4162)
- Bachelor of Science (Exercise Physiology) (3006)
- Bachelor of Exercise and Sport Science (3006)

Graduates of this program may be eligible to apply for Graduate Diploma of Health Research (4161) and the Master of Medical Research (5626).

#### Exercise and Sport

**Bachelor of Clinical Exercise Physiology**

<table>
<thead>
<tr>
<th>Trimester entry</th>
<th>Years</th>
<th>Campus</th>
<th>IELTS</th>
<th>Academic</th>
<th>Codes</th>
<th>Annual fee (usually 80CP)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Feb, Jul</td>
<td>4</td>
<td>G</td>
<td>320</td>
<td>6.5</td>
<td>S</td>
<td>1604</td>
</tr>
</tbody>
</table>

**What you will study**

This degree includes advanced coursework in the exercise sciences, combined with a minimum of 500 hours of professional practice. You’ll be prepared for work in a range of professional areas as a dual-accredited Exercise Scientist and Exercise Physiologist. Your deeper knowledge of the human body and how exercise affects it will enable you to assess, design and deliver exercise-based programs that improve health and performance, prevent chronic conditions, and treat or manage a range of health conditions.

**Graduates find employment**

as: exercise specialists for community or sports organisations; clinical scientists specialising in cardiac, respiratory and sleep medicine; rehabilitation, sports or recreation managers; strength and conditioning coaches; or occupational health and safety officers.

**Recognition/Accreditation**

The Bachelor of Clinical Exercise Physiology is subject to accreditation by Exercise and Sports Science Australia (ESSA) in the areas of Exercise Science and Exercise Physiology.

Upon successful completion of the Bachelor of Clinical Exercise Physiology, graduates who have completed the professional practice placement courses (3006AGS and 4606AGS) will be eligible to apply through Exercise and Sports Science Australia (ESSA) to be an Accredited Exercise Scientist and Accredited Exercise Physiologist.

Graduates have two years (following completion of their studies) to submit their application to Exercise and Sports Science Australia (ESSA) for accreditation.

**Pathway option(s)**

Graduates of this program may be eligible to apply for Graduate Diploma of Health Research (4161) and the Master of Medical Research (5626).
### Exercise and Sport

**Bachelor of Exercise Science**
- **What you will study**: You will gain the skills and knowledge in the physical, biomedical and psychological sciences that you will need to become an exercise specialist. You will learn the role of exercise in health maintenance and rehabilitation. Students undertaking the professional practice placement course will have an opportunity to put their knowledge and skills into practice.
- **Graduates find employment** as: exercise specialists for community or sports organisations; clinical specialist(s) in cardiac, respiratory and sleep medicine; rehabilitation; sports or recreation managers; strength and conditioning coaches; occupational health and safety officers.
- **Double degree option(s)**: Business.
- **Recognition/Accreditation**
  - Upon successful completion of the Bachelor of Exercise Science, graduates who have completed the professional practice placement course (3006AH65) will be eligible to apply for accreditation through Exercise and Sports Science Australia (ESSA) as an Accredited Exercise Scientist. Graduates have two years following completion of their studies to submit their application to Exercise and Sports Science Australia (ESSA) for accreditation.
  - **Accreditation**: The Bachelor of Exercise Science is accredited by Exercise and Sports Science Australia (ESSA).

**Bachelor of Sport Development**
- **Double degree option(s)**: Business.
- **Pathway option(s)**: Diploma of Health Sciences

### Health Science

**Bachelor of Health Science**
- **Major(s)**: Environmental Health; Environmental Toxicology; Information Technology.
- **Pathway option(s)**: Diploma of Social and Psychological Science

### Human Services

**Bachelor of Child and Family Studies**
- **Pathway option(s)**: Diploma of Health Sciences
- **Honours available** Honours is available for this degree (through an additional year of study).

**Bachelor of Human Services**
- **Pathway option(s)**: Diploma of Social and Psychological Science
- **Honours available** Honours is available for this degree (through an additional year of study).

### Medical Laboratory Science

**Bachelor of Medical Laboratory Science**
- **Pathway option(s)**: Diploma of Health Sciences
- **Honours available** Honours is available for this degree (through an additional year of study).

### Medicine

**Bachelor of Medical Science**
- **Pathway**: to the Doctor of Medicine for eligible graduates.
- **Doctor of Medicine**
- **The Doctor of Medicine follows a non-standard academic calendar. Check griffith.edu.au/academic-calendar for key dates.**

**Entry requirements:**
- Grad Certificate in Health Informatics: Bachelor degree OR related diploma and relevant work experience OR relevant work experience.
- Grad Certificate in Health Services Management: Any bachelor degree or higher OR related diploma and relevant work experience OR relevant work experience.
- Master of Health Services Management: Related bachelor degree or higher.
- Master of Advanced Health Services Management: Related bachelor degree or higher.

**What you will study**
You will study a wide ranging and diverse base of specialist health management courses. If you are a graduate or manager in health and aged care services and you want to develop your skills and understanding of contemporary health service management issues, these degrees will help you achieve your goals. Through flexible teaching and research options, you will learn about key areas of health sector policy, governance, operations and evidence-based practice management. You will develop skills and knowledge in current management theory and practice, develop your leadership skills and style and gain an in-depth understanding of health workforce planning. You will also learn about managing human resources, planning and implementing health programs, and managing performance and health budgets from respected industry practitioners and academics. Additionally, you will develop skills in strategic decision making and change management and an understanding of the role of technology in health management. Through a project directly relevant to your organisation’s strategic direction, you will develop research and project management skills.

**Entry Requirements**
- Grad Certificate in Health Informatics: Related bachelor degree or higher.
- Grad Certificate in Health Services Management: Related bachelor degree or higher.
- Master of Health Services Management: Related bachelor degree or higher.
- Master of Advanced Health Services Management: Related bachelor degree or higher.

**Graduates find employment**
You will find work in Australia and overseas as a manager developing improved health systems and services. In leadership; management; administrative and clinical roles in the public and private sectors of the health and aged care sectors. These programs provide for those entering the health management area as well as those seeking promotion and advancement within the health and aged care sectors.

**Recognition/Accreditation**
This degree is accredited by the Australasian College of Health Service Management (ACHSM). Students who complete this degree may be eligible for membership to the Australasian College of Health Service Management (ACHSM).

### Pharmacy

#### Master of Pharmacy

**Entry Requirements**

- Applicants with a bachelor degree from a recognised Australian university (or equivalent) in science or health science discipline are eligible for admission into the Master of Pharmacy program if they meet the following criteria:
  - Completed bachelor degree within the past 10 years;
  - IELTS score of 7.0 or equivalent and no sub-score less than 6.5;
  - Overall Grade Point Average 5.0 or greater on a 7.0 point scale;
  - Pass these subjects at a tertiary level:
    - Biochemistry: one trimester duration or equivalent.
    - Chemistry: two trimesters duration or equivalent.
    - Pharmacology: one trimester duration or equivalent.
    - Physiology: one trimester duration or equivalent.
    - Statistics or mathematics: one trimester duration or equivalent.

**Pathway Options**

If you are interested in enrolling in the Master of Pharmacy and do not meet the above entry requirements, please contact us to discuss alternative pathways.

**Recognition/accreditation**

Graduates of this program will be eligible for registration as a pharmacist, once they have completed the 48 weeks of paid internship and comply with all other statutory requirements. The Master of Pharmacy is accredited by the Australian Pharmacy Council (APC).

### Psychology

#### Master of Clinical Psychology

**Entry Requirements**

- A four year accredited degree in psychology or equivalent (as assessed by Australian Psychological Society), eligibility for provisional registration as a psychologist and satisfactory interview.

**Master of Organisational Psychology**

**Entry Requirements**

- A four year accredited degree in psychology or equivalent (as assessed by Australian Psychological Society), eligibility for provisional registration as a psychologist and satisfactory interview.

### Public Health

#### Graduate Certificate in Public Health

**Entry Requirements**

- Any bachelor degree or higher OR related diploma and relevant work experience OR relevant work experience.

#### Master of Public Health

**Entry Requirements**

- Related bachelor degree or higher.

#### Master of Global Public Health

**Entry Requirements**

- Related bachelor degree or higher.

**What you will study**

This program helps you to develop and further your career in public health practice, research and/or management. It allows you to re-orient your work interests in health to disease prevention and health promotion and is widely recognised both nationally and internationally as the public health credential for careers in public health.

The program focuses on the socio-ecological model of public health that emphasises and analyses the important interactions between the social, biological, economic and environmental determinants of health. It enables you to apply this analytical framework to plan, implement and evaluate population based interventions that protect and promote health.

The program has a strong focus on global health and provides you with the opportunity to focus your public health studies by selecting a range of electives in areas such as public health nutrition, health promotion, climate change, international health, environmental health, and health services management.

**Recognition/Accreditation**

As a graduate of the Master of Global Public Health, you will be eligible for membership of the following professional bodies:

- Public Health Association of Australia (PHAA)
- Australian Health Promotion Association (AHPA)
- International Union for Health Promotion and Education (IUHPE).

For more information about the degrees listed here visit [griffith.edu.au/international-study](http://griffith.edu.au/international-study)
## Social Work

**Master of Social Work**

| Jul, Oct | 2 | 180 | 7.0 | R | 5621 | 092427M | $27,500 |

**What you will study**

This program provides you with a postgraduate professional social work qualification that allows entry into the profession. It is specifically designed for graduates holding degrees with some social and behavioural science components. The program equips you with the knowledge, skills, values and ethical foundations for social work practice in contemporary social policy and human service contexts.

The frameworks for practice incorporated in the program are designed to ensure graduates are effective, ethical, and innovative thinkers, communicators, problem-solvers, change facilitators and leaders. A dissertation pathway and a generalist practice pathway are two options for this program.

**Entry Requirements**

Related bachelor degree (except social work) or higher.

**Graduates find employment**

This degree prepares graduates for practice in a range of social work roles including working with individuals, groups and families, community work, advocacy, research, planning and policy development, and management and administration. The frameworks for practice incorporated in the program are designed to ensure graduates are effective, ethical, and innovative thinkers, communicators, problem-solvers, change facilitators and leaders.

**Recognition/Accreditation**

Enrolled students and graduates of this program will be eligible to apply for registration with the Australian Association of Social Workers (AASW) subject to meeting any additional requirements that may be stipulated by the AASW. As these requirements may change from time to time, students should contact the AASW to confirm registration requirements.

This program is accredited by the Australian Association of Social Workers (AASW).

## Speech Pathology

**Master of Speech Pathology**

| Feb | 2 | 160 | 7.0 | A | 5706 | 076264C | $43,500 |

**Entry requirements:** Any bachelor degree (except speech pathology) or higher and interview.

**Graduates are:** eligible for membership of Speech Pathology Australia to practice as a fully accredited Speech Pathologist.

## Research degrees

### Clinical Physiology

**Graduate Diploma of Clinical Physiology**

| Feb | 1 | 80 | 6.5 | R | 4168 | 084292K | $34,500 |

**Entry requirements:** Related bachelor degree or higher and interview.

### Health Research

**Graduate Diploma of Health Research**

| Feb, Jul | 1 | 80 | 6.5 | R | 4161 | 077647B | $29,000 |

**Entry requirements:** Related bachelor degree or higher OR related masters degree or higher.

**Pathway:** to the Doctor of Philosophy or Master of Philosophy.

### Medical Research

**Master of Medical Research**

| Feb, Jul | 1 to 1.5 | 120 | 6.5 | R | 5626 | 086016C | $29,500 |

**Entry requirements:** A related bachelor degree (medical science, biological science, pharmaceutical science or a related health discipline).

**Pathway:** to doctoral research programs.

### Higher Degrees by Research

**Doctor of Philosophy**

| Feb, Apr, Jul, Oct* | 2 to 4 | 320 | 6.5 | O | 6001 | 062206F | Variable^ |

**Master of Philosophy**

| Feb, Apr, Jul, Oct* | 2 | 160 | 6.5 | O | 5001 | 005100M | Variable^ |

*Higher Degrees by Research have four intakes per year. The application schedule is available at: PhD: degrees.griffith.edu.au/Program/6001/HowToApply/International, MPhil: degrees.griffith.edu.au/Program/5001/HowToApply/International

---

‘Nursing is challenging but I love it and it’s a very good opportunity for me to grow and to make a positive difference in people’s lives.’

Brandon Wu

Bachelor of Nursing graduate

Brandon left his job in the banking industry in Hong Kong because he wanted to help people. He turned his Bachelor of Nursing into a job as a Registered Nurse in Australia.

For more information about the degrees listed here visit griffith.edu.au/international-study
At the Queensland Conservatorium, one of Australia’s leading music schools, you will learn in modern spaces with award-winning teachers.

Benefit from our global connections
Griffith has strong alliances with national institutions including the Australian National Academy of Music as well as international collaborations including London’s prestigious Guildhall School of Music and Drama, McGill University in Montreal and Sibelius Academy in Helsinki.

The best facilities make the best music
The Queensland Conservatorium at South Bank is acoustically and architecturally unparalleled in Australia. Situated in Queensland’s vibrant cultural precinct, the Queensland Conservatorium enables students to enjoy strong partnerships with local cultural institutions.

Ranked #50 in the world
in the QS World University Subject Rankings 2019.

Educators from around the world
Learn from highly-skilled and diverse local and international educators who trained in the UK, US, Europe and Australia.

Innovative research
Through a focus on cultural diversity and sustainability in the Asia–Pacific region, Queensland Conservatorium Research Centre has become a flagship centre for pioneering scholarship and creative practice.

Audition

As part of your application you will need to submit a good quality audition video recording, dated and certified as being an unedited performance by the applicant and signed by the person in charge of the recording session OR a folio of work (composition applicants).

Griffith University has a Conservatorium Auditions Program.

Honours available

Honours is available for this degree (through an additional year of study).

Learn in state-of-the-art performance facilities with award winning professors and industry experts who are focused on preparing you for life as a musician.

Music inspires me. I really have this firm belief that music can change the world.

Professor Brydie-Leigh Bartleet
Director, Queensland Conservatorium Research Centre
Australian University Teacher of the Year 2014

For more information about the degrees listed here visit: griffith.edu.au/international-study
Science and environment

We offer a range of science degrees—from chemical to forensic, physical to biomedical—and have a long tradition of excellence in environmental science.

World leading research centres

Griffith has faculty and staff in world leading research centres and institutes who are involved in teaching and mentoring students. Centres include: Griffith Institute for Drug Discovery, Centre for Quantum Dynamics, Queensland Micro- and Nanotechnology Centre, Institute for Glycomics, Australian Rivers Institute, and Environmental Futures Research Institute.

Look forward to a better future

At Griffith you will benefit from degrees that are informed by our cutting-edge scientific research and learn from teachers who are world-renowned researchers. Our Environmental Futures Research Institute works with 80 international organisations across 28 countries to deliver solutions for global environmental problems.

First School of Environment in Australia

Learn from environmental leaders with a focus on practical learning.

Strong future career prospects

You will gain hands-on experience with local and international industry partners, ensuring that you are work-ready.

Opportunities to join professional bodies

Graduates from select degrees will be eligible for membership with relevant professional bodies.

**What you will study**

You will gain knowledge and skills from across the broad environmental science spectrum, exploring environmental issues from social, physical and biological perspectives.

On completion of core science courses in your first year of study, you will choose a major that suits your interests and career plans.

The final year includes a ‘capstone’ experience where you have the option to engage with university research, undertake an extended fieldwork program in your major, or complete an industry placement.

**Majors**

Ecology and Conservation; Environmental Management; Soil and Water Science; Urban Environments.

**Graduates find employment**

Graduates may find employment in the following areas and roles:

- Ecology and Conservation: Environmental consultant; wildlife biologist; conservation ecologist.
- Environmental Management: Environment consultant; environmental scientist; environmental manager; general scientist.
- Soil and Water Science: Environmental chemist; soil scientist; catchment restoration and management officer.
- Urban Environments: Urban ecologists are the largest growing environment on earth. With a major in urban environments you will work with urban and regional councils dealing with urban specific issues such as pest animals and plants, urban storm water management or advising urban planners.

**Double degree option(s)**

Combine Environmental Science with: Data Science; Business; Engineering; Law.

**Pathway option(s)**

- Diploma of Science

**Recognition/Accreditation**

The Bachelor of Environmental Science is accredited by the Environment Institute of Australia and New Zealand (EIANZ).

Depending on your major, you will be eligible to join the following professional bodies:

- Australian Society for Limnology
- Australian Society of Plant Scientists
- Ecological Society of Australia
- River Basin Management Society
- Royal Australian Chemical Institute
- Soil Science Australia.

**Bachelor of Marine Science**

**Major(s):**

- Applied Mathematics; Biochemistry and Molecular Biology; Chemistry; Clinical Sciences; Geography; Microbiology; Physics; Wildlife Biology.

**Specialisation(s):**

- Applied Mathematics; Biosciences; Chemistry; Geography; Marine Science; Physics; Wildlife Biology.

**Data science**

Data science can be taken as part of a double degree, which will allow you to develop a specialised skill set that can be applied to your chosen major of study, and broaden your career options.

‘I love being the first person to look at data and go, there it is, there’s a new planet, or planet like system or earth like planet.’

Dr Jessie Christiansen

Griffith University alumnus and NASA research scientist

Dr Christiansen was named Griffith University’s Outstanding Young Alumnus Award winner 2018. She works at NASA where she spends her days looking for planets and other stars.

Visual and creative arts

At the Queensland College of Art and Griffith Film School, you will be inspired by amazing teachers, classmates and collaborative spaces.

Ignite your imagination
Wherever your creativity lies, you will develop it further at the Queensland College of Art. Choose from design, fine art, photography, digital media, and more. At Griffith Film School, the largest film school in Australia, you can study film and screen media production, animation, or games design.

Push boundaries
Learn from and be inspired by people who are already pushing the boundaries in visual and creative arts. Develop the skills and confidence to practise your craft anywhere in the world.

Practical experience
Build your portfolio and develop critical networks while working on projects for real clients in our four commercial studios—LiveWorm, Livelmage, LiveSpace and LiveLab.

Australia’s largest film school
Griffith Film School students learn from acclaimed industry figures, and have access to an exciting calendar of guest lectures and master classes.

Learn from practising artists
Our lecturers are practitioners, holding exhibitions locally and overseas, and are representatives on industry boards.

<td>This program prepares graduates for practical engagement with contemporary digital media. The program focuses on developing the creative and technical skills required to engage constructively with digital culture as it shapes our lives and reinvents the future. Students develop a unique set of skills in design methods, electronic media, computation, and critical thinking. They combine these skills to produce imaginative concepts, functioning prototypes, digital audio-visual artefacts, and technically mediated interaction designs for everyday life. The program responds to shifts from the world's leading design and technology companies and arts institutions that are now seeking practitioners with high-level creative and digital technology skills.</td>

What you will study
The Master of Design is suited to designers and non-designers who wish to complement their existing skills with the frameworks, strategies, technologies and tools to solve complex problems and integrate design-led strategies into existing practice in business, government and communities. It will offer students the opportunity to advance their skills and knowledge on emerging practice (2D, 3D 4D), experience design (UX and Service), design thinking, storytelling and advanced design technologies (3D printing, Augmented/Virtual Reality and Internet of Things), offering routes for practice-oriented work and/or design strategy and leadership.

Entry Requirements
Any bachelor degree or higher OR a combination of alternative admission criteria such as formal, informal and non-formal learning deemed to be equivalent to a bachelor degree or higher.

Graduates find employment
With a graduate portfolio demonstrating your innovative knowledge and skills, the Master of Design prepares you for future jobs in a wide range of global industries and careers in experience design; user experience; service design; graphic communication design; digital visual design; product and 3D design; design management; design strategy; creative technologies; design research; user research.

Pathway option
- Masters Qualifying Program

Gain the creative and technical skills and insights to rise to future design challenges.

# Undergraduate academic entry requirements

This table outlines the requirements accepted by Griffith University as meeting academic entry qualifications for the listed undergraduate degrees. Students with qualifications not listed are encouraged to apply, as equivalent results from other countries can be assessed. This schedule should be read in conjunction with the Undergraduate Programs Admission Policy. Prerequisites and any other degree specific admission requirements are available at [degrees.griffith.edu.au](http://degrees.griffith.edu.au)

For more information about the degrees listed here visit [griffith.edu.au/international-study](http://griffith.edu.au/international-study)
1. **GCE A Levels**: Aggregate of the best 3 A-Level or combination of A and AS Level subjects (A=5, B=4, C=3, D=2, E=1) (A's and A* are equivalent to half points, e.g. A=2.5).

2. **Bangladesh**: Bangladeshi Higher Secondary or Intermediate Certificate (since 2003). Grade average in the final year results are calculated from the results in Mathematics, Mathematics and Foreign Language (English). Results in other components are not considered.

3. **China Guokao**: Successful completion of the National College Entrance Examination (Gaokao) with a minimum % of the overall maximum score.

4. **Hong Kong**: Hong Kong Diploma of Secondary Education (HKDSE). Score based on the best 5 subjects across Core and Category A or C electives, where (except Mathematics); S* and S=6, S=5, 4+4, 3+3, 2+2 and 1+1, Compulsory Mathematics counted as S* and S=5, S=4, 3, 2 and 1, respectively.

5. **India**: All India Senior School Certificate (AISSC) or comparable qualification (awarded by CBSE or CISCE). An overall grade average is the best 4 subjects.

7. **Korea, Republic of**: Korean Republic: College Scholastic Ability Test (CSAT). A minimum overall grade. The overall grade is calculated from the results in Korean Language, Mathematics and Foreign Language (English). Results in other components are not considered.

8. **Korea, Republic of**: Specialised High School Diploma. Grade average in the final year results (where A=5, B=4, C=3, D=2 and E=1).

12. **Singapore**: Singapore-Cambridge General Certificate of Education (Advanced Level) (Level H1-H5 Level; Level H2-A Level). For H2 subjects, A=5, B=4, C=3, D=2, E=1. For H1 subjects, the notional value is half of that assigned to H2 subjects.

14. **USA SAT**: Composite SAT I score (from March 2016). Students must also have completed a High School Diploma.

15. **USA ACT**: Complete ACT with minimum composite score. Students must also have completed a High School Diploma.

17. **Australia**: The OP, ranks and ATARs listed are correct as at March 2019. These are subject to change and should be used as a guide only.

18. **ATAR**: ATAR only applies to the Gold Coast and Logan campuses when applying via UAC.

For more information about the degrees listed here visit griffith.edu.au/international-study
How to apply

Applying to study at Griffith is easy. With applications open all year round, you can quickly complete your application in 6 simple steps.
Visit: griffith.edu.au/apply/international

**Step 1**  
Choose the degree you want to study.  
Find the degree which meets your career and study goals at griffith.edu.au/international-study

**Step 2**  
Check if you meet entry requirements.  
Consider a pathway option if you don’t meet direct entry requirements (see page 18).

**Step 3**  
Check if you are eligible for credit.  
If you have existing formal qualifications or relevant work experience, you may be eligible to receive credit, which will reduce the duration of your study. griffith.edu.au/credit

**Step 4**  
Prepare supporting documentation.  
Include certified copies of your academic and English test results (translated into English if applicable) plus a portfolio or audition if relevant to your degree.

**Step 5**  
Apply online.  
Apply online or via a registered recruitment representative. griffith.edu.au/apply/international  
If you are currently studying at an Australian high school you may apply through QTAC or UAC.

**Step 6**  
Accept your offer.  
You must return evidence of meeting any outstanding conditions in your Letter of Offer, formally accept your offer and pay your total deposit fee.

**Application dates**
We recommend that you apply by:
- 31 January (to start in Trimester 1)
- 3 June (to start in Trimester 2)
- 30 September (to start in Trimester 3)

You must allow enough time for your visa application to be processed to enable you to arrive in time for Orientation. Some degrees have different application closing dates.  
Check if this applies to your degree at degrees.griffith.edu.au

**After you accept your offer**
Once you have accepted your offer you will receive an electronic Confirmation of Enrolment (eCOE) which you will need when you apply for a student visa. Visit griffith.edu.au/international/plan-your-move-to-australia for useful information about life in Australia including:
- Accommodation
- Griffith support services
- Orientation
- Public transport
- Moving to Australia with a family.
How to use this guide

The following information will help you understand how to read this Guide.

### Campus symbols

<table>
<thead>
<tr>
<th>Symbol</th>
<th>Location</th>
</tr>
</thead>
<tbody>
<tr>
<td>N</td>
<td>Nathan</td>
</tr>
<tr>
<td>M</td>
<td>Mt Gravatt</td>
</tr>
<tr>
<td>S</td>
<td>South Bank</td>
</tr>
<tr>
<td>L</td>
<td>Logan</td>
</tr>
</tbody>
</table>

If you enrol in an online or external degree you are not eligible for an Australian student visa. Online and external degrees can be studied part-time.

### Credit points

Credit Point (CP) refers to the value of a course. Generally, one course is worth 10 credit points.

This may differ depending on your area of study. This Guide contains the total number of credit points each degree is worth.

### Duration

Unless stated otherwise, all degree durations (years) are for full-time study. For most programs, full-time study is 80 CP per year (or 40 CP per trimester).

You must study full-time on campus to be eligible for a student visa.

### Tuition fees

2020 indicative full-time fees are calculated on the basis of 80 CP of study (2 trimesters full-time).

Tuition fees are in Australian dollars and increase annually. For more information see page 13.

### English language entry requirements

All Griffith degrees have English language entry requirements. You can check the minimum overall IELTS score for your degree in the program pages of this Guide.

Below is a list of other tests we accept, and the corresponding results, based on our most common IELTS score:

- A minimum overall band score of 6.5 on IELTS (Academic) (no sub-score less than 6.0) OR
- A minimum overall band score of 5.75 on TOEFL OR
- An internet-based (iBT) TOEFL score of 79 (no sub-score less than 19) OR
- No score less than 3+ in each skill of the ISLPR (conducted by ISLPR Language Services only) OR
- A minimum grade of C on the Cambridge Certificate in Advanced English (CAE) OR
- A minimum grade of C on the Cambridge Certificate of Proficiency in English (CPE) OR
- An overall score of 58 in the Pearson Test of English (Academic) with no score less than 50.

Griffith University does not accept English language test results that are more than two years old.

Some degrees have higher English language requirements. Visit degrees.griffith.edu.au

### Grade Point Average (GPA)

Your Grade Point Average (GPA) is the measure used for academic achievement at Griffith University.

Your GPA is calculated using your academic grades and the credit point value of the courses you have completed.

You can calculate your GPA using the method shown in the Calculation of Grade Point Average policy.

giffith.edu.au/students/assessment-exams-grades

### Undergraduate academic entry scale

<table>
<thead>
<tr>
<th>Scale</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Standard - S</td>
<td></td>
</tr>
<tr>
<td>Higher - H1, H2, H3, H4, H5, H6</td>
<td></td>
</tr>
</tbody>
</table>

(H1 = lowest, H6 = highest)

A list of undergraduate entry requirements by country, for a selection of countries, are listed on page 66.

It is also available in the ‘How to Apply’ tab for each degree on degrees.griffith.edu.au

### Honours

Degrees with this symbol have one optional year of honours research.

Students can apply for an honours year upon completion of their bachelor degree.

### Postgraduate academic entry scale

A - any bachelor degree (or equivalent) from a recognised university.

R - a related bachelor degree (or equivalent) from a recognised university.

O - a combination of other academic entry requirements.

Some degrees have additional academic entry requirements, including specific GPAs and work experience. Please check the academic entry requirements for your degree at degrees.griffith.edu.au

### Pathways

Degrees with this symbol have a Griffith College academic pathway. Find out more on page 22.
