

# **PLANNING FOR THE FUTURE OF TRAVEL AND TOURISM IN THE GULF REGION IN ACCORDANCE TO THE UNITED NATIONS 2030 AGENDA FOR SUSTAINABLE DEVELOPMENT**

**MEGAN FRENCH**

A study to investigate the relationship between major trends shaping the future of the travel and tourism industry up until 2035, and the impact of these on tourism planning for “sustained and inclusive economic growth, social inclusion and environmental protection” in accordance to the United Nations General Assembly 2030 Agenda for Sustainable Development.

Supervisors: Professor Charles Arcodia, Dr Margarida Abrei Novais
