# A joint RBA and RBNZ presentation: Monetary policy frameworks in Australia and New Zealand

Tuesday 30 April

10:00am-11:30am (AEST)

**Online (link to follow)**

## Topics covered:

- What do we know about the formation of inflation expectations? And, What does this mean for the conduct of monetary policy? **RBA**
- Lessons from a recent review of New Zealand's monetary policy framework **RBNZ**

## Presenters:

**RBA:** Anthony Brassil is Acting Deputy Head of the Economic Research Department, leading the Frameworks and Macroeconomics workstream.

**RBNZ:** Lewis Kerr is a Senior Economic Adviser in the Reserve Bank's Economics Directorate
