

IMeRSe

January 2019 Update

THE INDIGENOUS MEDICATION REVIEW SERVICE

STAFF UPDATE

Dear IMeRSe Community,

Happy New Year and welcome to 2019! I hope that you were able to have a relaxing Christmas and New Year period, and that 2019 is off to a good start for you.

We have had some changes in personnel in the IMeRSe Team over the Christmas period with myself and Kylie Middleton, Business Support Officer, taking up other positions within Griffith University. We have both enjoyed working on the IMeRSe project and seeing the great work being undertaken by our participating Aboriginal Health Services and Community Pharmacies, and look forward to watching the progress over the next 12 months of the project. I am pleased to introduce the new personnel who will be your key contacts for IMeRSe throughout the remainder of the project:

Ms Anni Bohn, Operations Manager, Ph: (07) 3735 8056

Mr Robert Jones, Business Support Officer, Ph: (07) 3735 8038

Anni and Robert are both contactable via the imerse@griffith.edu.au email address.

The following two staff will also soon join the IMeRSe Team to provide research support:

- Dr Jie Hu, Research Fellow, Ph: (07) 3735 4868
- Dr Liz Kiata-Holland, Research Fellow, Ph: (07) 3735 8039

Best wishes for the coming year and thank you for your ongoing support of the IMeRSe study.

Regards,

Danielle Clarke
