Rehabilitation Unit – 2 weeks Carrara Community Health Centre	Semester 2, 20XX

Recent clinical placement report comment:

“It has been a pleasure to work with Anna, she uses initiative and is receptive to new ideas and advice. Anna is always willing to attempt new tasks; it has been great to see her gain confidence and put her knowledge to use. Anna has shown initiative and is acting like an RN while still working within her scope. Her quest for knowledge is refreshing and Anna is always seeking evidence to ensure her practice is ‘best practice’ nursing. Well done! You’re going to make a fantastic nurse.”

- Alexis Fullerton, Clinical Facilitator, ED, GCUH. March, 20XX.

Future Clinical Placements

Royal Darwin Hospital (4 weeks)	Semester 2, 20XX
<ul style="list-style-type: none">• Rapid Admission and Planning Unit (RAPU)<ul style="list-style-type: none">○ Commencing 6th July, 20XX until 31st July, 20XX○ Self-initiated in anticipation of relocating back to Darwin in the near future	
Final Placement (4 weeks)	Semester 2, 20XX
<ul style="list-style-type: none">• Warwick Hospital originally requested to experience a rural placement however, this conflicted with my pre-arranged Darwin placement• Logan Hospital or Robina Hospital has since been requested to experience workplace diversity	

Key Clinical Experiences

- Developed clinical skills inclusive of nursing technique, medication administration, documentation and handover
- Identified the importance of interdisciplinary collaboration, through observance and participation, during clinical placement
- Increased competency in critical analysis of patient situation and requirements, particularly during the Emergency Department placement
- Actively assisted with wound care including VAC Dressings, medical procedures such as an ascites tap and a bone marrow aspirate, and patient diabetes education
- Participated in all available staff education which included pressure injury education and a full-day wound care course

Extracurricular

- Accepted into Griffith Honours' College at the completion of first year (2014-2015)
- Appointed as Assistant Peer Mentor Coordinator of Griffith School of Nursing and Midwifery (20XX)
- Selected by Griffith Honours' College to travel to Vietnam as part of their volunteering abroad project (20XX)
- Peer Mentor, Griffith School of Nursing and Midwifery (20XX-20XX)
- Attended Student Leadership Conference, Griffith University Nathan Campus (20XX) and registered to attend in September 20XX
