Notes

>> Student Numbers refers to a count of students based on their primary program of enrolment.

>> Figures are based on data from 1 January to 31 December.

>> Figures shown are by Host Group of Program.

>> Cross-institutional students are excluded.

>> In 2005, DEEWR altered the definition of a commencing student such that, "a student is a commencing student if she/he has enrolled in the course for the first time at the higher education provider or an antecedent higher education provider between 1 January of the Collection Year and 31 December of the Collection Year", where "course" is referred to as program at Griffith University.
