

## Week commencing

## Campus work arrangement

10 January 2022

### Work from home

- University open, face to face services to be available (more limited hours, skeleton staffing).
- Operation as current [Amber status: Tightened Restrictions](#)

17 January 2022

### Work from home

- Extension to school holiday period
- University open, face to face services to be available as above but roster should consider needs of parents.
- Where feasible, managers should offer flexibility to staff with school-aged children such as through flexible working hours and supporting leave arrangements. However, staff should not be simultaneously responsible for care of children during their agreed working hours.
- Operation as current [Amber status: Tightened Restrictions](#)

24 January 2022

31 January 2022

6 February 2022

### Work from home

- University open, face to face services to be available (more limited hours, skeleton staffing)
- Operation as current [Amber status: Tightened Restrictions](#)

14 February 2022

### Commence return to working on campus

- Mandatory vaccination requirements come into effect
- Return to on campus working
- Operation as current [Green status: COVID-19 Normal](#)

*\*note changes may be required depending on business continuity impact and the timing of the Omicron peak*
