

PART 1	APPLICANT DETAILS	APPLICANT TO COMPLETE
---------------	--------------------------	------------------------------

Applicant, please complete this section

_____ (Title) _____ (Surname/Family Name) _____ (Given Names)

Element of intended enrolment (If known) _____ Campus (If known) _____

PART 2	INSTRUCTIONS FOR REFEREE	REFEREE
---------------	---------------------------------	----------------

The following information is about the standard for the degree to assist referees in providing their assessment of the applicant's ability.

Standard for the Degree of PhD by Prior Publication

The degree will be awarded to an applicant who, through published work of which the applicant is either the author or joint author, has made an original scholarly contribution to knowledge and demonstrated a capacity for independent research as judged by independent experts applying appropriate international standards. The standard for the degree will be the same as that required for the degree of PhD at Griffith University. That standard requires that the submission submitted for examination

"makes an original, significant and extensive contribution to knowledge and understanding in the relevant field of study, as judged by independent experts applying accepted contemporary international standards."

- The University seeks this report from you in confidence.
- You should type or clearly print your report. Please return your report and/or any attachments directly to the Griffith Graduate Research School
- If you require further information relating to the research higher degree sought by the applicant please visit the Higher Degree Research website <http://www.griffith.edu.au/higher-degrees-research>

PART 3	PRIVACY STATEMENT	REFEREE
---------------	--------------------------	----------------

Griffith University is collecting the information on this form – from you as an academic referee – only for the purposes of administering admissions, enrolments and education for the applicant. If you choose not to provide the requested personal information, the applicant may be required to select an alternate referee.

The personal information collected about you is confidential and will not be disclosed to third parties without your consent, except to meet government, legal or other regulatory authority requirements.

For more information about how Griffith University handles your personal information read our [Privacy Plan](#).
