

旅游孔子学院应邀参加 Somerset College 亚洲文化日活动

2019年9月13日，格里菲斯大学旅游孔子学院（TCI）应邀赴 Somerset College 参加该校举办的亚洲文化日活动。文化活动在多个教室内同时举行，TCI 老师张文奕和武志琳教授了吹墨画，该校六年级的百余名学生共同体验了这一独特的中国画技巧。

当天上午，TCI 老师武志琳给同学们讲解了中国绘画的种类和历史，并向学生们示范了如何利用吹墨技法作画。流动的墨汁在纸上扩散开来，就像是树的枝干一般向四周延伸，肆意生长。枝干完成后，即可蘸取自己喜欢的颜色，在树枝间点缀上花瓣，一幅吹墨图就呈现在眼前。

学生们分为几个小组一同进行，TCI 老师张文奕在小组内指导学生作画。

小学生总是充满了想象力，他们的作品让老师们十分惊喜。大多数学生都是第一次接触吹墨画，连随班的老师也都兴致勃勃地参与其中。一时间，大家都沉浸在墨汁的世界中，纷纷卯足了劲地用吸管吹墨。其他年级的小学生在老师的带领下进班参观，墨色的枝干和鲜艳欲滴的花朵都让大家感到十分新奇和美好。

下午1点，亚洲文化日活动圆满结束，学生们用中文向老师们道谢，并将自己的作品陈列在教室前，一幅幅充满想象力的作品为美好的一天增添了许多乐趣。

Asian Culture Day at Somerset College

The Tourism Confucius Institute (TCI) at Griffith University was invited to participate an Asian Culture Day at Somerset College on 13 September 2019.

Cultural activities were held simultaneously in several classrooms. TCI teachers Wenyi Zhang and Zhilin Wu introduced blowing ink painting to students. More than 100 Year Six students experienced this unique Chinese painting technique. Zhilin Wu introduced the history of Chinese painting and different painting styles before demonstrating how to use a straw to blow ink. The flowing ink spread on the paper, just like the branches of a tree. The students were divided into several groups with Wenyi Zhang guiding the students in making their own paintings.

Children are always full of imagination and their art can be surprising. Most of the students experienced the ink painting for the first time, and even their teachers were attracted by this interesting activity. Students from other grades also came by to have a look at the paintings.

The Asian Culture Day ended at 1.00 pm with the students expressing their thanks in Chinese and displaying their work in front of the classroom.
