Hong Kong Polytechnic University

Hong Kong is the city where East meets West. It is the gateway to China, close to other Southeast Asian countries, and one of the safest urban cities in the world.

About
Hong Kong Polytechnic (PolyU) was established in 1937 as the Government Trade School and assumed full university status in 1994. The student population at PolyU is the largest among all publicly funded universities in Hong Kong. For more information visit the Hong Kong Polytechnic University website.

Location
PolyU is located close to the city centre, putting you in the perfect position to experience everything Hong Kong has to offer, while enjoying a vibrant and active student life. From inspiring talks by distinguished speakers, to hikes in the Hong Kong hills, cultural excursions, workshops and exploring the city’s vibrant nightlife, there’s always something to see and do.

Accommodation
Exchange students are guaranteed accommodation at the PolyU Student Halls of Residence. There are nine Student Halls of Residence to choose from and each provide abundant opportunities for interaction with students of diverse backgrounds, offering a perfect ground for enhancing your social and communication skills. All halls offer twin-sharing rooms, there are no single rooms available.

Academics
The minimum study at PolyU is 9 to 18 credits, most courses are 3 credits each, which is generally equivalent to 10CP at Griffith University. English is the language of instruction (except language specific programs) and courses are offered via six faculties and two schools:

- Faculty of Applied Science and Textiles
- Faculty of Business
- Faculty of Construction and Environment
- Faculty of Engineering
- Faculty of Health and Social Sciences
- Faculty of Humanities

University of Manitoba, Canada

Founded in 1877, the University of Manitoba is western Canada’s oldest university. Due to its central geographic position, it’s an ideal location to explore Canada.

About
The University of Manitoba provides the largest selection of academic offerings (including professional and graduate programs) of any university in the province of Manitoba. The University of Manitoba is also home to a wide range of research centres and institutes, as well as Smartpark Research and Technology Park, a community of innovators that forges collaborations between university and industry.

For more information visit the University of Manitoba website.

Location
Located at the geographical centre of North America, Winnipeg is one of the most affordable cities in Canada and is full of opportunities. As the 2010 Culture Capital of Canada, Winnipeg is a city where people can experience a wide array of world-class arts and culture on every corner. It is an ethnically and linguistically diverse community, home to many artists, writers, and musicians. The city has countless cultural venues and events to enjoy throughout the year, including live music, theatre, art galleries, sports events, museums, and festivals.

Winnipeg is also located near beautiful lakes and beaches, which can be enjoyed in the summer months. The city’s temperatures range from 30 degrees in the summer (June to August) to -30 degrees in the winter (November to March). If you arrive in Winnipeg during winter, wear the warmest clothing you own and buy appropriate winter clothing there.

ZHAW School of Management & Law, Switzerland

The Zhaw School of Management and Law based in Winterthur is one of Switzerland's leading business schools.

About
The Zhaw School of Management and Law offers programs in management, economics and business law. Students choose Zhaw not only for its academic benefits, but also for its location. Situated in the heart of Europe, and with the commercial, financial and cultural centre of Zurich on its doorstep, it has everything you need for an unforgettable exchange experience.

For more information visit the Zhaw School of Management & Law [website](#).

Location
Winterthur is a northern Switzerland city located in the canton of Zurich. The city of Zurich is just a 20 minute train ride away. The primary language spoken is German, but many speak French and English as well.

Semester dates
Fall semester: September – January
Spring semester: February – June

Health insurance
Students must purchase Swiss health insurance. ZHAW has special agreements with Swiss health insurance providers and the international office will assist incoming students in obtaining insurance. Approximate costs are 80-120CHF p/month.

Academics
A full-time study load at ZHAW is 30 ECTS per semester (usually 7.5 ECTS is equivalent to 10CP at Griffith University).

ZHAW School of Management and Law offers a broad range of courses that are taught in English, including banking and finance, business information technology, and business law. You are permitted to take courses outside of Zhaw, but courses taught in English will be limited.

Intensive language courses are offered during the semester in German, French and other languages. An introductory German language course is offered during Orientation Week.

Accommodation
You may rent a room in a student housing association, where a number of single, furnished rooms are reserved for ZHAW incoming exchange students. This dormitory-style accommodation is within biking distance from the campus. Typically, students have their own room with shared facilities. Places are limited, so apply early to reserve a room. Alternatively, you can apply for a private room with a host family or in a shared flat. It is recommended you prepare to spend approximately AU$1200 per month for accommodation and living expenses in Zurich.

University of Oslo, Norway

The Norwegian capital of Oslo is home to almost 600,000 people, and is surrounded by sea, forests, and hills.

About
The University of Oslo (UiO) was founded in 1811 and is Norway’s oldest and premier institution of higher education. UiO has contributed substantially to research, innovation, and education in and outside of Norway. Oslo is home to almost 600,000 inhabitants, and over 10% of the entire population of Norway. Among Oslo’s 60,000 students, almost 75% come from outside Oslo.

For more information visit the University of Oslo website.

Location
Oslo is smaller than most capital cities, but offers all the cultural activities one expects to find in a capital as well as beautiful nature surrounding the city and UiO. Oslo is a green city surrounded by sea, forests and hills with a milder climate than the latitude suggests. Summertime temperatures normally exceed 20°C, yet winters are cold enough to make Oslo a popular location for skiing.

Norway is known for its outstanding nature, and all of this is easily accessible from Oslo. You can travel to see the Aurora Borealis (‘Northern lights’), experience the midnight sun and discover the beautiful fjords and mountains all over the country. Students in Norway love the fresh air, quiet atmosphere, clean water and vast areas of space – and nature.

Academics
The University of Oslo offers over 800 courses that are taught in English. Courses are offered in the following areas:
- Education
- Humanities
- Law
- Mathematics and Natural Sciences
- Medicine
- Social Sciences
- Theology and Religion.

Accommodation
International students on exchange programs are guaranteed accommodation in one of the student villages, provided that you apply within the specific deadlines. You are guaranteed a furnished, single room. All furnished rooms include a bed, closet, desk, chair, bookshelf and table.

Past approved courses
Past Griffith students who have studied at the University of Oslo have had the following courses approved:
- 2008PSY, 3009PSY, 3011PSY, 2015PSY, 2004PSY

At Gothenburg, you will study in the very heart of Scandinavia, just a train ride away from Copenhagen and Oslo and only a few hours by plane from Rome, Budapest, Berlin and Barcelona.

About
The University of Gothenburg meets societal challenges with diverse knowledge. 38,000 students and 6,000 employees make the university a large and inspiring place to work and study, with a continuous flow of new knowledge and ideas. Strong research and attractive study programs attract scientists and students from around the world.

For more information visit the University of Gothenburg website.

Location
Being an international student is so much more than studying and going to class. It is also about creating a life. Here you will study in the very heart of the city. Gothenburg doesn’t have an offsite campus in the outskirts of the city; instead the whole city is our campus. Gothenburg is a modern, international city but has an important background as a ‘workers’ city’. It is often described as a big small city, and the people of Gothenburg are known for being friendly and helpful.

International students rank Gothenburg as a great city to live in. Gothenburg has more students than any other city in Sweden. You can choose to lead a typical student life, with great study facilities, cozy cafes, student parties and communal student accommodation. You can also take part in the various events and the diverse cultural scene that Gothenburg has to offer.

Academics
The University of Gothenburg has over 100 courses that are offered in English. Courses are offered in the following study areas:
- Business, Economics and Law
- Arts (Humanities)
- IT
- Sciences
- Social Sciences
- Education
- Fine, Applied and Performing Arts.

Accommodation
There are plenty of accommodation options for international students in Gothenburg. You can rent a private room off-campus or live in a shared flat in the student residence. You can also investigate living at an off-campus residence. Students can also investigate living at an off-campus residence.

Copenhagen Business School, Denmark

Copenhagen Business School (CBS) was established in 1917. Today, with 20,000 students and 1,500 employees, CBS is one of the largest business schools in Europe and one of the eight Danish universities.

About
The Exchange Social Program (ESP) is a unique social/cultural program offered each semester to all incoming Exchange Students at CBS. The ESP consists of two introduction weeks just before the semester begins, various activities during the semester, the Language Partner Program (LPP) and a weekend trip to Berlin. The purpose of the program is to ease your integration process, to help you build a social network and to introduce you to Danish culture, Copenhagen and CBS.

For more information visit the Copenhagen Business School [website](#).

Location
Copenhagen is a beautiful city with plenty to do year-round. There are four lakes in the middle of the city, as well as a number of parks on the outskirts of the city. There are over 1 million people living in this diverse and creative city, with incredible infrastructure and great public transportation options. Many locals call this a bike city, as most individuals use a bike as their main mode of transportation around the city.

Academics
CBS offers a range of undergraduate and postgraduate courses delivered in English. A full-time study load is 30 ECTS (7.5 ECTS usually equates to 10CP at Griffith University).

Courses are offered in the following areas:
- Accounting, Economics and Finance
- Business Administration
- International Business
- Entrepreneurship
- Management and Marketing.

Accommodation
Housing in Copenhagen is very difficult to find and can be expensive. This is particularly the case in the fall semester (September to December), when the demand for housing far exceeds supply. The application process is on a first come, first served basis, so do not be disappointed if you do not get your first priority. It is likely that you will have to arrange your own accommodation.

Past approved courses
Past Griffith students who have studied at CBS have had the following courses approved:
- 3009EHR, 2043MKT, 2005EHR, 3517LHS, 3042MKT, 3006MKT, 3040MKT, 3518LHS, 3013MKT, 2036MKT, 2004MKT, 3033IBA, 3028MKT, 3055MKT, 3323THS, 3013MKT.

‘This opportunity allowed me to travel and to grow. I travelled to 10 other countries in Europe whilst on exchange, which was in groups but a lot I completed solo. It was the best experience and an experience I needed. I needed to grow up a little and stop being scared of the world and this experience really helped. My favourite place other than Denmark would have to be Berlin, because I got to be there for the Christmas markets, and it was like a fairytale.’

UM offers on-campus and off-campus housing. There is no application deadline, however all room assignments are made on a first come, first served basis. Students have the choice of residence halls (students are required to have a meal plan), university villages and the Lewis & Clark Village. These provide a variety of housing options such as single and double dorm-style rooms with coed halls and one all-female hall, as well as furnished and unfurnished apartments.

Academics
A full-time study load at UM is generally 12 US credits, usually equivalent to 40CP at Griffith University and 3 US credits is equal to 10CP at Griffith University. UM offers courses from a range of faculties, including:
- Humanities and Sciences
- Health and Biomedical Sciences
- Education and Human Services
- Business
- Journalism
- Forestry and Conservation
- Law (considered on case-by-case basis)
- Performing Arts.
