

## GLYCOMICS CIRCLE HONOURS SCHOLARSHIP 2020

The Institute for Glycomics is a flagship biomedical research institute at Griffith University's Gold Coast Campus. The Institute has some of Australia's most renowned research leaders who undertake multidisciplinary research in various biological systems. A key research area within the Institute is the role of carbohydrates in mammalian systems, and in particular their involvement in various infectious diseases and cancer. The Institute is a very busy and expanding research centre with a membership of approximately 200 staff and postgraduate students.

The Institute for Glycomics is offering a prestigious Glycomics Circle Honours Scholarship to an outstanding female student who has enrolled in any relevant honours program with a supervisor who is a member of the Institute for Glycomics. The Glycomics Circle was established in 2015 and is a group of successful women in the local community who are driven to raising funds for Glycomics, in particular to support young women in science. One of their interests is to contribute funds to the Glycomics Honours Scholarship scheme.

Maximum value is \$5,000 payable in instalments. Payments of \$2,500 are payable for each full-time enrolled trimester up to the maximum value of the scholarship. Payments are made within six weeks of the Census date subject to satisfying the scholarship terms and conditions.

## ELIGIBILITY CRITERIA

To be eligible for the Scholarship you must:

- Meet the eligibility requirements for entry into an Honours program offered by the Science or Health groups and be undertaking a research project within the Institute for Glycomics.
- Provide information relating to a specific research topic/project to be undertaken and have the topic/project approved by the relevant staff member of the Institute for Glycomics prior to submitting the application. A full list of research projects is available from the Glycomics website at <https://www.griffith.edu.au/institute-glycomics/study-with-us> or by contacting [glycomics@griffith.edu.au](mailto:glycomics@griffith.edu.au).
- Be female.
- Be enrolled full-time.

## SELECTION CRITERIA

Selection will be based on:

- Academic merit
- Honours and Research Topic
- Personal statement – outlining reasons for applying for this scholarship and reasons for wanting to undertake Glycomics research
- Supporting Documentation – Curriculum Vitae (CV), including the name, email address and phone number of 2 academic referees
- Details of any other relevant personal achievements or awards.

## TERMS AND CONDITIONS

To remain eligible for the scholarship, applicants will be required to:

- maintain a GPA which meets honours program admission requirements.
- remain enrolled on a full time basis.

The scholarship may be terminated if you do not continue to meet the eligibility requirements and/or conditions.

## APPLICATION PROCESS & CLOSING DATE

Applications must be submitted online at <https://www.griffith.edu.au/institute-glycomics/study-with-us>, under "Honours Scholarships". Prior to completing the application form, please read the following instructions:

- Please use the online form to apply for both the Sally & Warren von Bibra Honours Scholarship and the Glycomics Circle Honours Scholarship Schemes.
- Please check the Honours Scholarship Scheme criteria above, to ensure that you are eligible.

- Please make sure you have selected a Glycomics research project and received approval from the relevant Glycomics staff member. A list of research projects are available on the Glycomics website at <https://www.griffith.edu.au/institute-glycomics/study-with-us> or by contacting glycomics@griffith.edu.au.
- Please make sure you have all the documentation ready for submission of your application - Academic Transcript, CV (including the name, email address and phone number of 2 academic referees, and a personal statement (maximum one A4 page) outlining reasons for applying for this scholarship and why you would like to undertake glycomics research.

If you have any problems submitting your application, please contact glycomics@griffith.edu.au or 5552 8051.

Applications must be submitted by **Sunday 9 February 2020**.

Please note that late applications will not be accepted.
