What is the Honours Program?

The State Honours Ensemble Program is an educational program for music students that helps extend and encourage their pursuit of musical excellence. Queensland Conservatorium Griffith University's State Honours Ensemble Program has grown from relatively modest beginnings in 2001. SHEP is now a firmly established aspect of music learning in Queensland, bringing together young people from all over the State, in regional centres and Brisbane to share their passion for making music.

Queensland Conservatorium Griffith University provides four programs in Brisbane and ten regional programs.

Regional Programs in partnership with local schools are held at; Bundaberg, Cairns, Longreach, Mackay, Maryborough, Rockhampton, Sunshine Coast, Townsville, and Toowoomba.

Brisbane programs are held at the Queensland Conservatorium, at our South Bank Campus in South Brisbane and include; Australian Honours Ensemble Program (AHEP), SHEP Queensland (State-wide) SHEP Middle School (South-East Queensland) SHEP Brisbane (South-East Queensland) and SHEP Primary (South-East QLD).

Further information can be found on our website at: [State Honours Ensemble Program \(griffith.edu.au\)](http://griffith.edu.au)

The Honours Program gives students the opportunity to:

- Work in an intensive environment of musical excellence with their peers offering a unique opportunity to extend and develop their musical skills
- Work with a team of eminent Conductors from Queensland Conservatorium Griffith University
- Represent their Schools (in full uniform) in a Finale Performance on the Sunday of the Program
- Receive a Certificate of Participation and Honours Program T-Shirt

How selection is made:

The process commences with Open Conservatorium asking teachers to nominate students for specific programs that their students may be eligible. We honour the teachers nomination, as we acknowledge that the teacher has the best idea of the student's standard. We ask teachers to nominate students with their approximate AMEB grade and school year level. From the nominations, we place students into relevant instrument groups, and sort them from the highest AMEB, as nominated by teacher, and then year level within each AMEB group. Based upon the required number of instruments within each section of the ensemble (as we are required to maintain a specific ensemble balance), we select students from the highest AMEB down based on number of required instruments. At times there are students of the same AMEB within the cut-off range, at this point we allocate to older students as they may not have another opportunity to participate or be nominated again. We then select students as reserves, as they may be selected for the program depending upon whether other students decline and ensemble vacancies arise. Please be assured there is no preferential treatment given to any student, and unfortunately some instrument areas (violin, trumpet, flute, saxophone) are incredibly competitive as we receive numerous nominations. Vocal students - Vocal students are selected in a similar way to instrumentalists (AMEB followed by Year Level), however, we also take into consideration teachers' recommendations of students, how many years of choral experience a student may have and the potential Year Level range of the ensemble. This also helps conductors with selecting appropriate repertoire for the age range of the ensemble.

Attendance requirement

Participants are expected to make themselves available for all **rehearsals and the concert performance**. If you have an event (eg family, school, sporting, community, religious) that you know will preclude you from **any part** of the rehearsals or concert **you must decline the offer (if one is made)** to participate so we can extend the invitation to another student. **At no time during the event are participants permitted to leave the State Honours venue during the daily activities this includes asking to arrive late or leave early due to another commitment.**
