

INFORMATION SHEET

You may wish to make arrangements to use an accompanist for your audition (excluding Musical Theatre and Acting auditions). An accompanist is recommended for some specialisations, however, is not compulsory unless you are auditioning for Classical Voice.

You may use your own accompanist, or alternatively select from those listed below and contact them. Please send your music directly to the accompanist of your choice. It is the responsibility of the applicant to make telephone or email contact with the accompanist to arrange a run through and if necessary additional rehearsal times. **Please give accompanists as much notice as possible.**

As recommended by [Accompanists' Guild of Queensland Inc.](#) accompanists charge \$70.00 per audition. The fees for the accompanists are payable in advance directly to them.
